schools.

Students also took the opportunity to ask Secretary Jacobsen several questions.

"It was great to hear students' questions related to the responsibilities of our office, how they can become registered voters, and I thoroughly enjoyed hearing about their plans to run for office or open businesses," said Secretary Jacobsen.

Montana American Legion Boys State was established in 1947, and the annual event was held in Dillon until 2004. Helena became the host in 2005, allowing attendees to utilize the Montana State Capitol and hear from elected officials throughout the week.

Boys State attendees practice the operation of local, county, and state government by holding their own elections, city and county meetings, legislative sessions, and court proceedings, among other events, throughout the week.

Montana's American Legion Boys State will send two delegates to the American Legion Boys Nation event, which is scheduled to begin July 22 in Washington, D.C.

The Chancellor's Leadership Scholars Award is a four-year, full-tuition scholarship awarded to exceptional students residing in the state of Montana who will be attending the University of Montana Western in the fall.

Montana Western is proud to announce the six following high school seniors as the 2022-23 award recipients:

Jenna Anderson

Born in Billings, Anderson grew up in Sidney after her family moved when she was a young child. Anderson attributes her character to growing up in a friendly rural community. She lettered all four years of high school in both volleyball and basketball for the Lady Eagles and was captain of both teams. She is a volunteer basketball coach during the off-season for the Little Eagles program as well as an assistant coach at a nearby country elementary school and is active in numerous school clubs. UMW's block schedule and Experience One program was exciting to her and she plans to pursue a degree in Kinesiology.

"I want to pursue a career in health and human performance and stay active while helping others do the same," Anderson said.

Bridgett Ellis

Barely five years into her life, Ellis was competing and winning at rodeos right alongside her mother. Ellis was raised around many different kinds of animals, including a water buffalo, zebra and coatimundi. Growing up, she enjoyed helping to take care of the animals and playing "vet" and had the goal of someday becoming a veterinarian.

"The experiences throughout my life have shown me the importance of hard work and the benefits of striving to go above and beyond what is expected of me, not only in the arena but in all other aspects of my life. Every failure and every fall has taught me the value of dedication to my dreams," Ellis said.

Josiah Hull

Graduating this spring with honors from Dawson County High School in Glendive, Hull enjoys music, art and sports and has been involved in several honor choirs, an advanced art program, and played both varsity football and Legion baseball.

"I am excited to continue my educational journey at Montana Western because I love learning new things about the world and sharing that knowledge with others. By doing so, I believe I can make the world a better place," Hull said.

After earning his bachelor's degree, he plans to pursue a career in

teaching.

Kennadie McMahon

McMahon was born and raised in Butte. While attending Butte High School, she was a four-year varsity starter in volleyball as a right-side hitter. In her athletic career, she received Academic All-State honors each year and an All-Conference Honorable Mention to wrap up her senior year. She has also made appearances in the high jump and javelin during track season.

A member of both the National Honor Society and the Science National Honor Society during high school, she also loves to go camping, fishing, hunting and hiking. While attending the University of Montana Western, Kennadie intends to pursue a Bachelor of Arts in Psychology to pursue her dream career as a counseling psychologist.

Gabryele Veltkamp

Veltkamp grew up outside of Three Forks and attended school there since the first grade. "My friends and family play a huge role in my life and I enjoy camping, fishing and hunting with them," she said.

Her family's agricultural background is one of the main reasons she wants to become a livestock veterinarian and is very excited to begin her educational journey at Montana Western.

Ryan Yeske

Yeske will be graduating from Capital High School in Helena this spring and is the class Valedictorian with a current class ranking of 1 out of 283 students. During high school, Yeske played Bruin football and was a member of the CHS Cheer and Stunt Team. He received varsity letters and Academic All-State Awards in every sport he participated in and was chosen as the 2021-22 Team Captain for the Cheer and Stunt Team. Yeske also played rugby on the Helena Hooligans team for three years.

Yeske is a peer mentor for students with disabilities and is a member of the National Honor Society. Yeske was selected to attend the 2021 FBI Salt Lake City Teen Symposium. He plans to attend Montana Western in the fall and will be studying business and accounting and hopes to be a Forensic Accountant with the FBI after he graduates.

"Congratulations to the recipients of this scholarship that recognizes leadership, community service, and academic excellence. We look forward to seeing you on campus at Montana Western this fall," said UMW Chancellor Michael Reid.

MREA Southwest Montana Retired Educators (SWMREA) Membership

June is Montana Retired Educators (MREA), membership drive month. MREA is an affiliate of the National Retired Teachers Association (NRTA), which is the Educator Community of AARP. If you are retired, or close to retirement and are a teacher, administrator, classified employee, school volunteer, or anyone interested in educational issues, you can become a member.

There are currently nine units in Montana. Each unit donates to local schools and communities in their own way. Many donate food, school supplies, and hygiene items, shoes and socks, clothing and other items to help support students and teachers. Many have scholarships they offer students each year. At the State level, MREA supports teachers by offering four \$1,000 scholarships yearly to active teachers pursuing a master's degree or greater endorsement.

MREA has many goals which includes working to protect public retirements, stop greed of pharmaceutical companies to make prescriptions more affordable, support local schools, and help caregiving and home and community-based services. Members volunteer and serve our state and communities in many capacities. Last year, Montana members, on average donate over 39,000 recorded volunteer hours. MREA represents and defends retirees benefits at the state and national level and defends those in Education at the Legislature.

Your membership includes (AMBA) Association Member Benefits Advisors which offers benefits for Home health Care, Long Term Care, Cancer, Heart & Stroke, Life, Travel, and Medicare Supplement Policies, dental and vision insurance, tax deferred annuity, and prepaid air and ground ambulance services. You also receive discounts for dining and lodging. If you like to travel, we offer group trips to various countries at very reasonable rates; those taking the travel trips have said they were great and ready to go when the next tour is offered.

Dues for the State are \$25 per year, and local dues are \$10 for a total of \$35 per year. We welcome new members and encourage current members to renew their membership. We plan to have lunch June 1th at the Elks Lodge, 27 E. Center, at Noon. Please bring a jar of peanut butter or hygiene item for our donation box. Come join us for lunch! For further information call Mike Schulz at 683-0304, Marlene Stonelake, 683-2236, Alan Zetler 683-4751, or Fran Schisler 683-4329.

Veteran's Corner. Update #155

By Mike Lawson

Greeting to those of you who read my SW MT veteran update articles. As I'm writing this article, it's Sunday, the day before Memorial Day, the rain is coming down in buckets and our Veteran Memorial Day Ceremonies across the SW Mt Counties we live in, may be a wet affair. Having all this moisture is good news as our landscape continues to come alive, after our winter and early spring of being dormant and brown. This soaker rain being absorbed into the ground, is a win—win for all concerned.

Saturday saw veterans and volunteer members of our communities, putting flags on our deceased veteran's graves, at our cemeteries in SW MT. It was appreciated and encouraging to see community members of all ages, who came out to help the veterans. It's a big job and many hands really helped to get this task completed in a short amount of time. Again thanks to all of you who came out and volunteered your time. It just shows what wonderful people live in our SW MT Communities.

As I write this, tomorrow is Memorial Day, Monday the 30th of May. One writer expressed: "Born from the bloody Civil War, Memorial Day is the Holiday to honor service members who paid the ultimate sacrifice — losing their lives—to keep this country safe and free". Over one million veterans have died in America's wars. The most loss of lives being the Civil War, where over 600,000 lives were lost. Some observations : 12% of America's population served in the Armed Services during WWII and today about 1 % serves on active duty or in the reserves, according to the Census Bureau and Department of Defense. Most people in the US don't know an active duty veteran. That being said, all Americans who are living comfortably and in safety, can at least take the time to salute those veterans who have died serving their country. Here in SW MT we see a lot of folks come up to our veterans who are wearing a veteran hat/coat/vest/etc, and say "Thanks for serving our country" or some variation of that. It's always appreciated by we who have served. It also reinforces that we live in a wonderful part of the country, whose citizens love their veterans.

This 2022 year when honoring our veteran's sacrifices,

Every Friday

lets recommit to keeping our USA one nation, indivisible, with liberty and justice for all.

Our Veterans across SW MT will have picked up the many thousands of flags that they and their volunteers placed on the many deceased veteran's graves across our 6 SW MT Counties. More veteran activities will be taking place as our summer comes into view, which will be reported on in future Veteran's Corner columns.

The SW MT Veteran's Home has been in the news lately, concerning the resident veterans being cared for and the seeking of a volunteer force being put in place to interact with them on a steady basis. This can be on a weekly, semi-weekly or once a week basis and the hours can be one, two or more, if a person wants and the staff can utilize the volunteer in a positive way. It can really be a fun/positive experience, interacting with these resident veterans. More in depth information on the opening of Cottage #4 and the Walkways will be covered in this column, next week.

The new VA CBOC in Butte, is seeing an increase of veterans getting treated there. We're receiving a lot of good comments from the vets and the staff. Sounds like the VA has the money appropriated to finish the north end and are in the final negotiation phase with the contractor. More will be reported as information become available.

The Veteran's Court in Butte is doing great. Being a mentor is really encouraging in seeing the positive changes these veterans in the program, are making to improve their lives. This is a very strenuous program which requires a lot of steps/goals that these vets have to go through and accomplish. They graduate from one level to the next, depending how well they accomplish the requirements for each level. Level #5 is the last level and then graduation to a new life and a clean record. If you know a vet having legal issues, have them look into the Butte Silver Bow Veterans Treatment Court, Contact the Court Coordinator: Susanne M Clague, 406-782-0505

That's all for this week. Until next time, take care.
