### In Loving Memory of Steve Jenkins

Steve Jenkins, the only child of Earl and Glenna Jenkins, was born on July 28, 1954 in the San Fernando Valley, CA. At that time it was still a rural area with dirt streets, horse ranches, orchards and open areas where he could ride his dirt bike. Steve grew to love the outdoors, especially camping and hiking in the mountains.

As he grew, he was inspired by popular TV shows like Dragnet and Adam-12 to pursue a career in law enforcement. His goal was to, "Help people and take bad guys to jail." At age 18 Steve joined the Law Enforcement Explorer Program to get first-hand experience and learn the basics of his future career. It was also where he met Jan who, several years later, would become his wife.

In 1976, Steve graduated from the Los Angeles County Sheriff's Academy and began working in the jails. After a few years of "controlled exposure", he was transferred to Lynwood Station. This was a demanding assignment in a dangerous, high-crime area bordering the City of Los Angeles.

As a dispatcher for the Sheriff's Department, Jan and Steve would occasionally cross paths and he would notice when she was on the radio. On May 23, 1980, they chanced upon each other and in February, 1981, they got married. In September 1982, Steve was selected for a resident deputy position in the tiny hamlet of Gorman, CA. Taking Jan, and their 5 month old son Michael, they moved into the resident deputy housing. Steve was also assigned a K-9 partner, Orek, for the remote areas he patrolled. While stationed at Gorman a daughter, Kellie, was born.

After two years Steve transferred to Santa Clarita Station where he was actively involved in raising his children and picked up new hobbies. He earned his pilot's license, purchased a Cessna 182, and became a pilot for the California Civil Air Patrol. Steve's work as a Deputy Sheriff had a wide and varying range. While he normally patrolled in the standard Sheriff's car, he also had unique opportunities to work in helicopters, on dirt bikes, bicycles, boats, and on horseback.

Steve cared deeply for the community and the people. He supervised the Mountain Rescue Team and the Posse. He learned Spanish so he could communicate with the Hispanic population. He (secretly) gave any remaining toys from the Sheriff Station's yearly Christmas toy collection to the inmates of a detention camp because "every man should

have a gift for his child on Christmas."

In 2005 he retired after 30 years. He and Jan moved to Dillon, and they quickly found it to be the best place on Earth. Steve would hike, ski, fish and take in nature's beauty. He even got to fulfill a long held wish of being a Forest Ranger. He was devoted to the "Y", serving on the Board for several years. When asked about his day, the answer was unfailingly, "Another day in paradise." And he meant it.

Steve was an honest person. A man of integrity and great faith. We will miss him more than we can express. He fought long and hard against pancreatic cancer, surviving 19 months from the original 6-12 month prognosis. But even in his last days, when asked how he was, the answer remained the same, "Life is Good. God is great." As he liked to point out, "God promised eternal life, not long life on Earth...and I've had both." Steve was a good and remarkable man who lived a full life. We are all grateful to have been a part of that life.

Steve is preceded in death by his parents Earl and Glenna and his grandson, Johnathan. He is survived by Jan, his wife of 41 years, son Michael (Meg) Jenkins, daughter Kellie (Justin) Brewer and grandson Patrick. And "Daddy's girl" his dog, Kate.

A celebration of life will be held Tuesday, June 7 at 5:00 pm at:

Grace Bible Church 1049 Laknar Ln. Dillon.

The service will also be streamed live on the Church's Facebook page.

**Dillon Tree Board Announces  
Pruning of Community Forest**

Patrick Riedl, a certified arborist and owner of Prorover in Billings, MT was awarded the City of Dillon tree pruning and removal contract for 2022. The pruning and removal work will take place at 8 different locations along Dillon's boulevards and parks. Twenty-seven trees will be pruned, and two trees will be removed due to rot and possible failure. All tree stumps from the removed trees will be ground out. Work will begin in the first week of June and should be completed by the end of the month.

The certified arborist will prune trees to remove broken and dead branches, promote good structural branching, improve vigor and aesthetics of the tree. Only certified arborists can bid on these contracts, and they must follow ANSI 300 Standards as set forth by the Tree Care Industry Association. The contract is being administered by the City of Dillon and the Dillon Tree Board.

Trees to be pruned are marked with blue ribbons and trees to be cut down with a blue X at the base of the tree. The Tree Board asks that residents please leave blue ribbons on marked trees until after pruning work has been completed.

Crews will be busy and won't always see you when they are working, so please stay at least 60 feet away from all pruning activity. Prorover will be working in conjunction with City employees during the pruning and removal work. Patrick Riedl can be contacted at (406)689-6551 if you're interested in having a tree pruned or removed.

The funding for the project is derived in full or in part from a federal award from the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. This Program Development Grant is matched 100% by the City by financial and in-kind contributions. A competitive bid process took place to decide the lowest bidder.

Since 2008, the Dillon Tree Board has secured over \$151,980 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

New trees are available to be planted through the Tree Board's "Cost/Share Program." Visit the Dillon City Hall or the Dillon Tree Board website dillontrees.org for more information about the program.

## What has the Beaverhead Conservation District been up to?

By Jessica Fields, District Administrator  
Zebra Mussels in Beaverhead County

The Beaverhead Conservation district is running the Watercraft Inspection Station at mile marker 33 on I15 North. Over the last month the inspectors have intercepted two boats infected with zebra mussels. These boats were washed with hot water to kill the mussels. Along with the mussel fouled boats the team intercepted one boat with corbicula and discovered one Asian clam shell. If you are traveling with a boat this summer expect to stop at the station or other stations across the state and figure at least twenty minutes extra into your trip. Montana law says that if you are traveling with a boat past a station you must stop, or you can expect local law enforcement to find you and fine you. Beaverhead County does not have a population of zebra or quagga

### 310 Permits

If you have a headgate that needs replaced or any project on a perennial stream you will need a 310 permit. (Perennial stream: any stream that flows almost year-round during a year of normal rainfall.) A 310 permit can take as long as 60 days to issue, remember to plan ahead. 310 joint applications can be found at <http://beaverheadcd.org/310-permits/forms-and-applications/> or you can come to the BCD office, 420 Barrett St, on Tuesdays or Thursday and pick up a paper application.

### Irrigation Maintenance

If you need to clean out your irrigation ditch or headgate every year, a maintenance agreement is the permit for you. Unlike 310 permits which expire after a year, maintenance agreements are good for five years as long as you are doing the same work each year. Your agreement is good for five years but you will need to call FWP to get a 318 permit each year before work begins and call BCD to let them know when you are doing the work.

### Emergencies

If you need to take emergency action to protect your livelihood, call the BCD at (406) 683-3802 and fill out at emergency permit and 310 joint application within 15 days of taking action.

### Idaho man sentenced in Montana wildlife trafficking case Sentence includes jail, fines and privilege suspension

An Idaho man was sentenced Tuesday in Beaverhead County District Court following a long-term investigation into a case involving the trafficking and commercialization of wildlife parts in Montana.

Yan Fong of Pocatello was sentenced to 10 years with the Montana Department of Corrections with all but 100 days suspended and was ordered to pay a fine of \$25,000, as well as court fees. He also lost his hunting, fishing and trapping privileges in Montana and 46 other states for six years.

In 2017 and 2018, Fong unlawfully purchased 11 black bear gall bladders, four black bears, 24 black bear paws, three mountain lions, two mule deer, one elk and seven bobcats in Montana and transported them back to Idaho.

Fong was charged with one felony count of unlawful sale of a game fish, bird, game animal or furbearing animal; and one felony count of unlawful possession, shipment or transport of a game fish, bird, game animal or furbearing animal.

Fong is also facing pending charges for similar conduct in California and Idaho.

Montana game wardens rely on tips from people who observe crimes against wildlife. Anyone with possible information about these crimes is encouraged to visit go.usa.gov/xJTzB to provide details or call the FWP violation reporting hot line at 1-800-TIP-MONT. Callers may be eligible for a cash reward of up to \$1,000.
