Donald N Lovig

February 5, 1947 - May 11, 2022

Don Lovig, at 75, passed peaceful into the arms of his precious friend Jesus on May 11, 2022.

Don was born February 5, 1947 in Cedar Rapids, Iowa to Henry Benjamin Lovig and Mable "Young" Lovig. Don was in fact a walking Miracle! At ten years old, Don was an early recipient of Brain Surgery. There were concerns that he may never walk again and that his visions may be damaged, but after months in the hospital, and years struggling under his Mom's overprotective attempts to keep him from running and jumping and playing and hitting his head he did them all. At 18 years old he felt he had to get out of the nest and off to Alaska he went. It was at this stage of his journey that Don found his best friend "Labradors" and his great passion for Dog Training.

Don's work with the BLM led him to Dillon, Montana. He later enjoyed his transition to working at the Dillon Hitchin Post Sporting goods store and was an asset to the sportsmen. After his partial retirement Don work with Maintenance at Dillon Mental Health for 10 years. But Don's favorite work and activity was Training Hunting Retrievers and dogs in general. "Dog Trainer" was in fact Don's most significant identity. His Joy in helping the 4-H children Training dog's and Judging their competition made him light up! Don expressed humbly that training dogs was not work but his therapy, and that he got more from them than he ever gave.

Don had suffered with an anxiety disorder since he was a teen. He never knew if it was related to baggage from his physical brain surgery or the pressures put upon him as he struggled to recover. Whatever the cause it was the most difficult struggle in his life. Don enjoyed testifying about an encounter he had with Jesus in 2011. He revealed that since he was young, he had struggled with not being able to feel love, so he had closed himself off to feeling much at all. Though in the same breath he would say, "that's why I preferred my Dog's because they love you unconditionally". Then one cold day he took a bad fall while hunting out at Poindexter Slough. He said that through the trauma he felt the love of Jesus come to his aid then into his heart and that he was able to finally feel love again, for others and from others. It was so evident that something "JESUS" had transformed Don in a very real way. Don became one of our favorite Prayer Warriors with simple, real and powerful words. He always remembered and asked about each of our children and spouses by name. His openness to Love also opened his heart up to his first girl friend named Carol. I literally never saw Don's so happy and full of life, it seemed to rival even a Labrador's unconditional Love!

Dillon, MT Since 1991

Don moved to a friend's ranch in Sheridan, MT. when he became less independent but within six months it was clear to him that Dillon was the only place he would feel at home. It is also ironic that Don passed away at one of his favorite places to be "Barrett Hospital"! He had come to just love their care in the last days of his beautiful life.

Don is survived by his sister, Barbara White in California his niece Angela "Robert" and Nephew Steve along with five great nieces and nephews. Don was preceded in death by his parents Henry and Mabel Lovig, his niece Colleen and his brother-in-law Bill.

A simple Memorial Sharing will be held at Poindexter Slough on June 23, 2022, 10:30 am proceeding Don's wishes to have his ashes scattered along with the ashes of his last Lab, Nudge.

Thank You from the heart, to all those who helped care for Don and his Dogs in his final days.

Dear Dillon Community

The Dillon Jaycees were aware of posters in the community that promoted the Mike Marsh Demo Car Raffle that were not made or approved by the organization. These posters did not have the correct price for the raffle tickets and when the Jaycees learned of these posters, we worked with the Dillon Police Department to ensure they were taken down.

Funds from this project will go towards suicide prevention and a memorial scholarship honoring past Jaycees. The posters advertised raffle tickets at \$50 instead the correct \$20 amount. If you purchased a raffle ticket at the incorrect price, please contact our Demo Derby Chair, Kyle Zimmerman at (406)660-0892. The Jaycees would like to apologize for the confusion and we thank you for your continued support.

KISS THE PIG

The person in 1st place is Mary Jo O'Rourke, however this week David Wendt moved up to a close 2nd with Jeremy Alvarez slipping into 3rd place. They are followed by Mark, Mike and John (McGinley brothers). It is a tight race, please go vote soon.

BVHD Search and Rescue News

Submitted by Mel Rice: Public Relations Officer

On the night of June 12th, the Beaverhead Search and Rescue was called out at 11:00 PM to assist with the rescue of two men injured in a side by side rollover accident. The incident took place in the Vipond Park area west of Melrose. Three search and rescue hasty teams were dispatched at 11:30 to the victims' location.

At approximately 7:00 PM Beaverhead Sheriff dispatch received a 911 call reporting the incident and the location. Life Flight was notified as well as A1 ambulance out of Butte. The reporting party returned to the accident in his pickup, loaded the two injured individuals in his truck and returned to a location where Life Flight could land. After the helicopter had landed the medical team began assessing injuries of the two men and stabilizing them for transport. By now weather had set in and the bird could not lift off from its location.

It was at this point in time that the BVHD SAR unit was paged to assist in getting the injured individuals down out of Vipond Park area to a waiting ambulance. Because of road conditions the ambulance could not get to the victims' location. Meanwhile a second Life Flight helicopter was summoned to transport the second victim. The second ship was able to get in and land. Both victims were loaded aboard the Life Flight helicopters and transported. One was flown to Missoula where his condition is unknown at this time. The second individual was flown to Butte.

Meanwhile BVHD Search and Rescue was in route to the scene to help move the victims to the ambulance. When the S&R incident command was notified of the situation with the helicopters, the hasty teams were turned around and headed back to Dillon. They all arrived back at the building at 2:30 AM. Search and rescue members participating in the event were: Evan Helle, Alan Holt, Adam Norlander, Tommy Goins, Tera Remely, Jason Ericksen, Dr. Mike Clarke, Dusty Crowe, Cody Schnee, Daniel Wyatt, and Mel Rice. This incident took approximately 36 man hours from start to finish.

Enjoy your time in the great outdoors but please be safe doing so. Fun times can turn to tragic times in a hurry and when you least expect it. Take care and be aware, "In the Business of Saving Lives" your Beaverhead Search and Rescue.

Three Rivers Backcountry Horsemen Help the BTC

Wide open spaces are treasured by Montanans. Living in the Big Sky State lends a strong sense of appreciation for big country and is home to a big-hearted people. Dillon, MT is a community with a strong agricultural background and a thriving small-town economy. Importantly, as Dillon becomes more and more diverse, we still retain much of our old western cowboy heritage. Today a representation can be seen in a group called the Backcountry Horsemen of Montana, an organization that works to protect the cowboy way of life.

As an organization, the Backcountry Horsemen work to ensure that public land use will continue to be accessible for those wishing to travel horseback. Originally, the Backcountry Horsemen's Association was established to protect access to the Bob Marshall Wilderness and worked as a liaison with the Forest Service in reaching their end goal. Today, they continue to work closely with the Forest Service across Montana with over 18 chapters and 1000 members.

The Beaverhead Trails Coalition (BTC) recently had the opportunity to partner with a local chapter of the Backcountry Horsemen. The local chapter, Three Rivers Backcountry Horsemen, serves Southwestern Montana. BTC currently owns and manages the High Trails for public use. These trails are located just outside of Dillon off 10 Mile Rd. As a non-profit 501 (c)3 organization we function solely on raised funds and donations. One way to support our organization is through our Sponsor a Bench program. These benches are then placed at strategic locations around the nearly 1,200 acres of land that make up the High Trails system.

The local Backcountry Horsemen (BC) have been instrumental in two of these bench installs. The High Trails are accessible only by non-motorized vehicles. Working with the BC has allowed us to haul heavy loads of water, concrete mix, tools, and bench parts up miles of trail to distant locations across tough and rugged terrain. Thanks to their help and the generosity of bench donations, the public can sit for a while and enjoy the beauty of Beaverhead Valley.

If interested in joining the Three Rivers Backcountry Horsemen, please contact Bev McDougal at (406) 681-3131. For more information, please visit their website at www.bchmt.org or their Facebook page @ThreeRiversBCH. Monthly meetings are held on the first Tuesday of each month at 6:30 pm.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public. Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required. This is a PRN position.

Physical Therapist

Barrett Hospital & HealthCare invites applications to fill a Physical Therapist (PT) position to join our Rehabilitation Services team. The Physical Therapist evaluates patients and implements an appropriate plan of care or treatment based on patient needs and goals. The Physical Therapist provides physical therapy interventions in accordance with the Montana Physical Therapy Practice Act and practices within federal, state, and local legal and professional requirements. The Physical Therapist communicates effectively with patients, their families and other healthcare providers as part of an interdisciplinary team approach to care, constructing individualized, patient-centered treatment plans. The Physical Therapist provides accurate and timely documentation of services provided and demonstrates a commitment to life-long learning by participating in continuing education. Successful candidates will have a passion for customer service excellence, teamwork and enjoy serving the public. Minimum Qualifications: Master's or Doctorate degree (preferred) or Bachelor's degree from a Commission on Accreditation in Physical Therapy Education (CAPTE) accredited Physical Therapy program. Candidates must be able to produce documentation of passing the National Physical Therapy Examination (NPTE) and an active Montana State license in Physical Therapy from the Montana Board of Physical Therapy Examiners. Basic Life Support (BLS) required. Pediatric experience or interest strongly desired. This position is a full-time position and is eligible for the full benefit package.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications to fill a Physical Therapy Assistant (PTA) position to join our Rehabilitation Services team. The Physical Therapy Assistant (PTA) works under the supervision of a licensed Physical Therapist and carries out all therapeutic modalities planned by the therapist such as application of hydrocollator/heat packs, vasopneumatic cryotherapy/cold packs, ultrasound, massage, soft tissue mobilization (with or without instrumentation), intermittent cervical and lumbar traction, gait training, joint mobilization, taping/strapping, and assistance with exercise programs. The Physical Therapy Assistant (PTA) must have knowledge of anatomy and physiology and the ability to detect treatment difficulties. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required. This position is a full-time position and is eligible for the full benefit package.

Population Health Coordinator

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare seeks a Population Health Coordinator to join our team! The Population Health Coordinator participates in team-based care to provide health services to individuals, through effective partnerships with patients, their caregivers/families, community resources, and their medical provider. The Population Health Coordinator facilitates a "shared goal model" within and across settings to achieve coordinated high-quality care that is patient and family centered. The Population Health Coordinator provides coaching to patients and families with the goal of successful self-management of chronic health issues, while working towards an effective plan of care. The successful candidate must demonstrate a high level of organizational skills, attention to detail, flexibility, and the ability to prioritize. The Population Health Coordinator is knowledgeable about the trends in healthcare and CMS focus. The Population Health Coordinator keeps patients as their focus of care working toward the "Triple Aim" goal. Minimum Qualifications: High School Diploma, GED or equivalent required. An active Montana licensure as a Registered Nurse (RN) required. Three to five years related healthcare experience in a hospital or clinic setting required. Epic EMR experience highly desirable. Basic Life Support (BLS) required. Previous case management or home health experience is also preferred. This position is a full-time position and is eligible for the full benefit package.

Manager of Integrated Care

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Manager of Integrated Care to join our team. The Manager of Integrated Care is responsible for working with interdisciplinary teams and stakeholders at Barrett Hospital & HealthCare to provide direction, oversight and support for the development and management of initiatives related to Accountable Care Organization (ACO) activities, as well as population health efforts, alternative payment model workflows and value-based care programming actions are implemented with successful outcomes. The Manager serves as the lead facilitator to ensure deadlines are met and data analytics or clinical outcomes are submitted to participating payers as appropriate. The Manager is the primary point-of-contact and informational resource between participating agencies or insurance carriers and the Barrett Hospital & HealthCare team on all related ACO, population health, value-based care and alternative payment model initiatives. The Manager strives for a consistent and fair work environment for service line staff, and fosters an atmosphere of respect and accountability, integrates "Just Culture" principles into the Rehabilitation Services department and focuses on safety for patients, staff and fellow employees as well as high value services.

Minimum Qualifications: Active Montana RN licensure required. A BSN degree is preferred. A minimum 3-5 years hospital or clinic RN experience is required. A minimum of 2 years in nursing management, or ability to have demonstrated sound leadership skills is required. Knowledge in the areas of Accountable Care Organizations, value-based or population health programming is highly desirable. Previous case management or home health experience is also preferred. Microsoft Office skills, with advanced Excel proficiency required. Epic EMR experience preferred. Ability to read, interpret, and write documents, procedures, and reports. Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists. Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form.

This position is a full-time position and is eligible for the full benefit package.

Accountant

The Fiscal Department at Barrett Hospital & HealthCare invites applications to fill an Accountant position to join our team of professionals. The Accountant is responsible for the accounts payable functions, including preparation and filing of IRS form 1099. The Accountant is also responsible for maintenance of the organization's fixed assets and depreciation system; analyzing and reconciling bank statements, facility bank investment accounts, facility asset and liability accounts, and other General Ledger accounts. The Accountant assists with the budget processing, yearly and unscheduled audits, as well as completing financial surveys. Knowledge in preparation of financial statements and processing of journal entries while adhering to Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB) principles is required. Minimum Qualifications: Bachelor's degree in a business or accounting program with two years of related experience; or four to six years related experience and/or training; or equivalent combination of education in experience in business or accounting. Incumbents must have the ability to effectively present information and respond to questions from groups of managers, clients, customers, and the general public; ability to work with mathematical concepts such as probability and statistical inference, such as fractions, percentages, ratios, and proportions to practical situations; ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.

This position is a full-time position and is eligible for the full benefit package.

Registered Respiratory Therapist

Barrett Hospital & HealthCare invites applications to fill a Registered Respiratory Therapist position to join our Cardiopulmonary Services team. The Registered Respiratory Therapist administers respiratory therapy care and life support to patients with deficiencies and abnormalities of their cardiopulmonary system, under supervision of Physician and by prescription. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Incumbents will cover regularly scheduled shifts and also participate in a call rotation. Minimum Qualifications: Graduate of a registered program sanctioned by the National Board for Respiratory Care (NBRC). Incumbents must hold current NBRC registry or equivalent. Active licensure required with the Montana Board of Respiratory Care Practitioners. Candidates must have current Basic Life Support (BLS), Neonatal Resuscitation Protocol (NRP), and Advanced Cardiac Life Support (ACLS) certifications and Pediatric Advanced Life Support (PALS). There are full-time and a per diem positions available. The full-time positions are eligible for the full benefit package.
