Henry Louis Hugulet

October 7, 1944 - May 21, 2022

Henry Louis Hugulet, 'Hank', passed away unexpectedly

on May 21, 2022. He was born October 7, 1944 in Townsend, Montana to Walter Mack and Edith Gladys Hugulet. Hank and his family moved to Dillon in 1953. He attended Beaverhead Highschool. Hank married his highschool sweetheart, Linda Stocks and they shared their lives for 17 years bringing three creative children into the world. Montana was at the heart of

his life and he passed along a passion for the outdoors to his children. He loved to fish, hike, hunt, photograph, camp and pack into mountain lakes on his horses. Hank enjoyed exploring the nooks and crannies of Montana. You would often see Hank rambling about on the trails and dirt roads of Montana on adventures with his family. Most outings included picnics with panoramic views after surviving bumpy roads and even 'duck tree events'.

Hank was a gifted equipment (dragline) operator, he ran and operated Hugulet Construction, INC. with his dad, Walter. He built ponds, constructed bridges, dug ditches and crafted canals on ranches throughout southwestern Montana. A life long learner, Hank attended Western Montana College throughout his lifetime. Later in life Hank worked for the state of Montana as a crane operator instructor licensing many of the crane operators scattered throughout the state of Montana.

He is preceded in death by his dad, Walter Mack Hugulet, mom, Edith Gladys Warren-Hugulet, and brother, William Leroy Hugulet.

Hank is survived by his children Tami Lee Hugulet, partner Laurie Martin and Granddaughter Marguerite, daughter Michele Rene' Hugulet, and son Michael Henry Hugulet. Sister-in-law Kenna Hugulet, nephew Lance Hugulet, niece Cindy 'Hugulet' Mitchell and great nephew Drew Spanner, nephew, Ken Hugulet, great niece and nephew, Kenzie and Keara.

Family and close friends will gather in celebration of Hank's life during July of 2022.

Jaycee Park

The complete complex of Jaycee Park will be closed June 24th, 2022 for concrete work that is being done on the sidewalks around the park. We apologize for the inconvenience but we are going to have a great park (again) when it is completed!

Bee Local! Farmers' Market Opens Saturday, June 25

Give your old eye glasses a second life!

The Dillon Lions Club will be at the Farmer's Market on Saturday June 25th. We will be accepting donations of old unwanted eye glasses. Your donated eye glasses are recycled and are used to support Lions Club International's vision programs in other countries.

The Lions Club is passionate about our vision screening program. Experts say that roughly 80 percent of what a child learns in school is information that is presented visually. It has been noted that children with vision difficulties typically do not complain. For these reasons, we, the Lions Club of Dillon, Montana, screen students in Dillon as well as all Beaverhead County rural schools. The club screens students in the fall as the school year begins. We also screen the Montana Youth Challenge Cadets at the beginning of each session, (3 times a year). Our club's members volunteer their efforts and travel many miles throughout the county to provide this vision service.

The club may offer assistance in purchasing eye glasses and eye examinations.

If your child has had their eyes checked, stop by and say Thank You, to a Lion.

**Lewis & Clark Caverns State Park presents
guest-speaker events July 1-4**

Summer programs are popping at Lewis & Clark Caverns

More events are coming up in July as part of Lewis & Clark
Caverns State Park's summer speaker series.A full list of this summer's events at the Caverns can be found at
fwp.mt.gov/stateparks/lewis-and-clark-caverns.**July 1 through 4**On Friday, July 1, the park will welcome Franco Littlelight to
speak about Native American History. Littlelight's presentation will
begin at 8 p.m. in the campground amphitheater.Join park ranger Ramona Radonich on Saturday, July 2, for
a closer look at the skulls of several animals that live in the park.
This presentation will be at 8 p.m. in the campground amphitheater.
It has been said that form follows function, and a study of skulls
gives credence to this statement. In this talk, visitors will discover
what different forms of skulls can teach about how animals function.
Visitors will have the opportunity to look straight up the nose of a
bear skull and deep into the eye orbits of a cougar. Visitors will also
have the opportunity to touch the furs that protect these animals.On Sunday, July 2, park ranger Radonich will lead a hike and
discussion on some of the park's smallest wildlife: insects. While all
bugs are insects, not all insects are bugs, Radonich says. Visitors will
learn why this is and much more about the park's six-legged critters.
This program will begin at 1 p.m. at the main visitor center.On Sunday, July 4, park ranger Radonich will teach an orienteering
course. Come learn how to use a compass, then set out on a course to
see if you can find your way home again. Compasses will be provided
for those who do not have one. This program will begin at 9 a.m. at
the main visitor center.**Bannack State Park Live Music

Attorney General Statement on SCOTUS decision defending gun rights

In response to the U.S. Supreme Court's decision in New York State Rifle & Pistol Association v. Bruen, Attorney General Austin Knudsen issued the following statement:

"This is a monumental decision reaffirming our fundamental right to keep and bear arms. Today's opinion decision will eliminate the 'tests' lower courts often use to restrict this right. The U.S. Supreme Court gets it – the Second Amendment is not a second-class right."

Attorney General Knudsen filed an amicus brief last year supporting the challenge to New York's restrictive process for issuing concealed carry licenses.

Veteran's Corner. Update #158

By Mike Lawson

Greetings to those of you who read my SW MT veteran update articles. I'm starting to write this latest "Veteran's Corner" column on Friday, June 17th while I sit in my hotel room in Billings Mt.. Three of us, from Butte, are attending the State VFW Convention here in Billings and will head back home tomorrow. When driving down here yesterday, we saw a lot of the Yellowstone River, from Livingston to Billings. Having driven this stretch of highway countless times in the past 40 plus years, I've never seen this river run so full and be so muddy. The devastation from Yellowstone Park to well past Livingston and also along the Stillwater River from Red Lodge to Columbus to the Yellowstone River, is tragic as well as beyond belief. The reconstruction of these areas will take years and millions, if not billions, of dollars to recover from. Many prayers for all those folks who have suffered such loss that defies belief.

Here at the VFW Convention, we had both Senator Daines and Senator Tester speak to us. They both were well received and gave good speeches. They both talked about veteran issues and especially about the recently passed historic legislation, called the PACT ACT, that will extend benefits/health-care to veterans exposed to burn pits, agent orange and other toxins. This Bipartisan Senate Bill, sponsored by Senate Veterans' Affairs Committee Chairman Jon Tester, D-Mont., and ranking Republican member of the Senate Veteran's Affairs Committee Jerry Moran, was passed by an 84 to 14 Senate member vote. That's almost unheard of in today's political world. It will now go to the House to be voted on and then to the President's desk to be signed. Once this becomes law, it's important to get our veterans who were exposed to any of these toxins from burn pits, spraying or any other means in which they were exposed, to the VA to get examined and treated. This has been a long time coming as we've lost too many veterans over the years who were sick from these exposures and don't want to lose any more, if it can be helped.

The SW MT Veteran's Home news is all about stability, in that our resident veterans are being well taken care of and our Congressional delegation is addressing the recent VA inspection that was mentioned in last week's "Veteran's Corner". This week we should get more updated information on that issue as well as the Cottage #5 flooring installation. Hopefully we'll also get information concerning the awarding of the contract for the "Covered Walkway's" construction.

Visiting our Veterans as a volunteer for a few hours a week, whether you're a veteran or not, is something to seriously consider. Ft Harrison is a great example on how this works. Those volunteers continue to be recognized for helping veterans and making a difference. It simply allows the staff to do other needed duties and the rewarding interaction between the volunteers and residents is always a positive/friendly experience. Many friendships are created that lift-up not only the resident's spirits but the volunteer's spirits as well. I call it a win-win experience for all. If you have a few hours you could give to this worthwhile cause, contact the folks at the SW MT Community Center business office.

The new VA CBOC medical center is going full guns and the staff are seeing a lot of vets go through their doors. More and more services are being offered there. Wayne Paffhausen has the ground's crew keeping the outside grounds looking great.

Our Veteran organizations across SWMT., especially, are planning for the 4th of July. In those of our communities that have a parade on the 4th, many will see veterans marching and having floats in the parade line-up. Recognizing these veterans as they go by, is always a great uplift for them. The other veteran activity that takes off, at this time of year, are the fundraisers. These fundraisers not only enable our vet organizations survive but help fund many of the community activities they sponsor, such as scholarships; Boys/Girls State, Legion Baseball, Toys For Tots, helping veterans in need, purchasing DAV Vans and the list goes on. When you see our veterans selling tickets or doing a coffee stop fundraiser at one of our highway rest stops, you might consider buying one of their tickets or making a donation. We have always found our communities to be generous and supportive of veterans and are appreciative beyond what words can express. Many thanks from us, for sure.

I'll close for now. Until next time, take care.
