SINGLE VEHICLE ACCIDENT

Jeremy Crawford, Southwestern Montana News

First responders were called out to a single vehicle
accident Sunday afternoon June 26, after receiving reports
of a single vehicle wreck near mile marker 8. Montana
Highway Patrol has the accident listed with injuries. First
responders were on scene to help with traffic flow as well as
making sure those involved received medical treatment and
transportation to the hospital.

Jaycees Demolition Derby

Jeremy Crawford, Southwestern Montana News

The Dillon Jaycees held their annual demolition derby this Saturday night, and it did not disappoint as over 24 cars competed to bring home some of the \$15,500 in purse money.

This year's competition also had the popular herby derby, the UTV barrel races, and the kids power wheels balloon pop.

The kids balloon pop saw around 10 entries as the little ones were set loose, they didn't always follow the plan, but a Jaycee was there to get them back on track. As parents rewired batteries a battle of the ages would play out only two stood. To declare the final winner the last two raced around the track as El Toro Loco would come out the winner.

The ATV barrel race pitted drivers to a course one is used to watching during a rodeo only it is done with UTV's. This year all the contestants completed the course without suffering a rollover.

The herby derby saw compact cars fight it out to see who would be left standing, the big boys would fight it out to the end. After the smoke cleared the winners were announced. The crowd was entertained throughout the night.

Respecting Our Flag

Bryce Angell

I pulled the cinch up extra tight. We'd planned a day long ride.
Cyrus felt the final tug. His eyes were open wide.
But then my father came a running. Made old Cyrus shy.
He hollered he'd forgot that it's the 4th day of July.
He said, "Undo your saddle, then untie each saddlebag!
And load the horses in the truck. We've gotta find a flag!"
It amazed me how the two of us forgot this special day.
Somewhere he'd find a flag to show respect in his own way.
This time my father drove. He pressed the pedal to the floor.
I could feel his desperation as he spoke about the war.
He talked about his friends who fought and some of them who died.
And men who lived would go on living all torn up inside.
He said he made a promise to respect those men he knew.
He'd always stand and give salute to our great red, white and blue.
I could see my father's worry with his furrowed eyebrow frown.
'Cuz it seemed to take forever just to make it back to town.
At the edge of town my father said, "We're finally making hay.
It's looking like we're celebrating Independence Day."
The parade was getting started. Two Grand Marshals took the lead.
Both honored guests were sitting high up on their favorite steed.
But out in front our country's flag stood tall and absolute.
Dad said, "I'm not in uniform, but still I'll give salute."
He stood up straight, saluted, while the flags went passing by.
I swear it was enough to make a grown man start to cry.
Well, that was many years ago. I too respect the flag.
My father's keen example taught me right. That ain't no brag.
Our flag's a sign of freedom but it hasn't come by luck.
Too many men and women died to keep us from amok.
This time of year, our flag will fly at shows and rodeos.
Remember 'bout our forefathers. The life for us they chose.
So, when you see the flag go by let's try and all connect and
place our hand above our heart and show our flag respect.

Section of Yellowstone River near Columbus closed due to down powerlines

Montana Fish, Wildlife & Parks, in consultation with Stillwater County and Beartooth Electric Cooperative, has closed a section of the Yellowstone River near Columbus to all watercraft/boating and floating due to overhanging powerlines that were damaged by recent flooding and continued bank erosion.

The river closure extends from Highway 78 bridge at Itch-kep-pe Park downstream to Buffalo Mirage Fishing Access Site. Itch-kep-pe Park is closed and Buffalo Mirage FAS is open to walk in use only.

Recent flooding and continued bank erosion damaged several power poles, causing power lines that cross the river to hang down close to the water's surface. Beartooth Electric Cooperative has disconnected power to these lines and will be making necessary repairs.

This section of the river will reopen as soon as conditions allow safe floating. Recreationists can avoid accidents and injury to themselves and others by observing all safety closures and avoiding areas with high flows.

Closures will be strictly enforced.

1970s WMC Alumni Scholarship Awarded to UMW Students

The University of Montana Western Foundation is pleased to announce that Joelnell Momberg and Darcy Walker have been awarded the 1970s Western Montana College (WMC) Alumni Scholarship for 2022-23.

UMW students Joelnell Momberg and Darcy Walker, recipients of the 1970's WMC Alumni Scholarship for 2022-23.

To be awarded this scholarship, students must hold at least a 3.0 GPA and have a relative that is an alumni of the University of Montana Western. Each student will be awarded a \$500 scholarship for the 2022-23 academic year.

The 1970s WMC Alumni Scholarship has been providing students with financial support since 2019. Starting as a conversation between alumni Wally Feldt and Tom Tucker in 2018, the idea quickly developed into establishing a scholarship that would begin a legacy of providing financial support for students and honoring the institution that was instrumental in shaping their lives and the lives of many others who attended Western Montana College in the 1970s (now the University of Montana Western).

University of Montana Western Foundation Director, Roxanne Engellant, was able to guide their efforts in establishing the scholarship by helping to define the award parameters, reaching out to other alumni, and creating the process for how their group of donors could be involved annually in the selection of the scholarship recipients.

"This scholarship is so special not only because of the impact it has on our students but because of the collaborative efforts of so many Western graduates from the 1970s who have made it possible. Their desire to make a difference for future generations of Montana Western students is inspiring and I am grateful for the opportunity to work with all of them," said Engellant.

After 3.5 years of fundraising and the generosity of the donors, the group has endowed their scholarship with a core group of 38 donors. Every donor that has contributed any amount to the scholarship fund is eligible to participate in the annual selection of the scholarship recipients.

The 1970s WMC Alumni Scholarship would like to thank all of our generous donors for making this scholarship possible.

Going forward, the 1970s WMC Alumni Scholarship has

proposed a new goal of awarding two \$1,000 scholarships. To reach this goal, they encourage alumni from the classes of the 1970s to consider contributing a donation to further the legacy of making a difference for students at Montana Western and to invite any past donors to consider another donation or to become a recurring donor. Thank you for your generosity and for supporting current and future Bulldogs.

Attorney General Knudsen Statement on Dobbs v. Jackson decision

In response to today's U.S. Supreme Court decision in Dobbs v. Jackson, Attorney General Austin Knudsen issued the following statement:

"The Supreme Court returned the issue of abortion to where it belongs: the People. Now it's time for the state Supreme Court to do the same. These decisions, at their core, belong to the People – not judges. Today is a day of celebration of the millions in our country who have faithfully, peacefully, and tirelessly fought to end this national tragedy."

Attorney General Knudsen filed an amicus brief in the case last year.

THE ROTARY CLUB OF DILLON

Roxanne Engellant, Director of the UWM Foundation, will speak to Rotarians and guests at noon Wednesday, June 29, 2022. She will provide information about current events at the Foundation as well as current projects. Visitors are welcome.

Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Mike Blando at mikeblando0717@gmail.com or Tina Giem at tgiem@barrethospital.org.

Send us your best fishing photo and art

Going fishing soon? Don't forget your camera. Montana Fish, Wildlife & Parks wants to feature your fun on the next fishing regulations booklet. With the recent changes to the fishing regulations process, your art will be in tackle kits and dry boxes for two years instead of one. Winners will see their work on the front and back cover of the 2023-24 fishing regulation booklet.

Think beyond the brag board. We're looking for families having fun and interesting action shots. Help FWP show what diverse fishing opportunities can be found in Montana.

Photo contest:

- Photo must be vertical (portrait) mode, or suitable for tight vertical cropping to fit the available space on the regs cover.
- Photo must be a minimum resolution and size of 6 inches tall at 300 pixels-per-inch.
- FWP will feature your name on the front cover as credit. Please specify how you would like to be credited.
- Please include a short description of the photo, so we can provide some caption information.
- Ownership of the photo is retained by the photographer, who may use his/her image for other purposes.
- Please do not send photos of fish that have been mounted.
- Photo must be taken in Montana.

Art contest

Kids 12 and younger are invited to submit a colored drawing of a fish that lives in Montana.

Please send in your best photo and drawing today! Email to fwpphotocontest@mt.gov. Deadline is Oct. 15.

Winners will receive their photo on the cover, a subscription to Montana Outdoors Magazine and a Montana Outdoors t-shirt.

Go fish!

Thank you Dillon

On behalf of the Beaverhead Outdoors Association, thank you for a successful "Kids Fish Day." As reported in the Dillon Tribune the rainbow trout planted by FWP "hit the hook" fast and furious to the delight of the kids and adults attending. Community support and volunteers make it happen.

Hats off to all!

Silo Meats, Town and country Foods, Klausen Septic, Dillon Tribune (M.P. Regan), Womack's Printing (Brenda), KDBM Radio Station, Rocky Mountain Supply, FWP, Lucas Bateman and crew, Kerry Wahl (Game Warden).

Individual volunteers : Gene Loder, Jack McKee, Coy and Mary Beardon, Lois and Darrel Johnson, Mike and Vickie Lansing, Rick Parke, Don Mitchell, Gordon Sampson, Bruce Smith and family, Nola (Past secretary/treasurer) and sister Gloria, Ariana Decker, Dylan Coweel, and Sandy Jennings. The annual "Kids Fish Day" is only one day of fun for all. However the B.O.A. supports many efforts regarding access to all public lands for multiple uses by keeping informed and working with other groups and agencies.

Learn more of what's been done to assist these efforts and future endeavors.

We meet on the 2nd Thursday of each month.

(Subject to change) at 7 P.M. in the

"Search and Rescue building."

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations.

Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing.

This is a full-time position and is eligible for the full benefit package. In addition, there is a PRN position available.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications for interested PT's and PTA's to join our Rehab team. We offer highly competitive wages and full compensation package, 1:1 patient care and flexible scheduling. Therapists are afforded the opportunity of a diverse caseload including inpatient, outpatient, aquatics, and home health care for adults and pediatric patients. Opportunities exist for this caseload to be tailored to the candidates experience and desires. Pediatric experience or interest strongly desired.

Minimum Qualifications:: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required.

This position is a full-time position and is eligible for the full benefit package.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required.

This is a PRN position.

UR-DP-SB Coordinator

Barrett Hospital & HealthCare invites applications to fill a Utilization Review & Discharge Planning Registered Nurse (RN) position to join our Quality Improvement Services team. The RN is responsible for conducting utilization review on inpatients, observation patients, and swing bed patients. The RN will review charges and perform discharge planning for all inpatient and swing bed patients. The RN assists the Quality Services/Risk Management Director with quality and performance improvement projects. The successful candidate must have excellent organizational and time management, be a motivated learner, have above average interpersonal and customer services skills, be a self-starter, have an innovative spirit, expertise in hospital business acumen, be a problem-solver and the ability to deal with ambiguity.

Minimum Qualifications: Bachelor's Degree and RN license, required. Candidates without a nursing licensure may be considered, however a bachelor's degree is required. Computer proficiency and experience with electronic medical record documentation. A minimum of five years of related healthcare or hospital experience preferred.

This is a PRN position..

Population Health Coordinator

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare seeks a Population Health Coordinator to join our team! The Population Health Coordinator participates in team-based care to provide health services to individuals, through effective partnerships with patients, their caregivers/families, community resources, and their medical provider. The Population Health Coordinator facilitates a "shared goal model" within and across settings to achieve coordinated high-quality care that is patient and family centered. The Population Health Coordinator provides coaching to patients and families with the goal of successful self-management of chronic health issues, while working towards an effective plan of care. The successful candidate must demonstrate a high level of organizational skills, attention to detail, flexibility, and the ability to prioritize. The Population Health Coordinator is knowledgeable about the trends in healthcare and CMS focus. The Population Health Coordinator keeps patients as their focus of care working toward the "Triple AIM" goal.

Minimum Qualifications: High School Diploma, GED or equivalent required. An active Montana licensure as a Registered Nurse (RN) required. Three to five years related healthcare experience in a hospital or clinic setting required. Epic EMR experience highly desirable. Basic Life Support (BLS) required. Previous case management or home health experience is also preferred.

This position is a full-time position and is eligible for the full benefit package.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and always exhibits professional demeanor. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Specific duties and responsibilities may vary based upon departmental needs.
