**Bannack State Park to host
Bannack Days in July**

Ghost town event scheduled for July 16-17

Bannack State Park's signature event, Bannack Days, is scheduled for the third weekend in July, with many traditional activities, displays and re-enactments celebrating Montana's first territorial capital.

Bannack Days are scheduled to happen Saturday, July 16, from 9 a.m. to 5 p.m., and Sunday, July 17, from 9 a.m. to 4:30 p.m.

Admission is \$5 for individuals ages 6 and older, or \$20 per family. Admission is free for children ages 5 and younger. Food and drinks can be purchased from vendors during the event.

Parking space is limited during this busy event. FWP staff will provide parking directions for visitors as they arrive. Shuttle services will be available to and from parking areas farthest from park entrances. Visitors are encouraged to carpool and leave pets at home.

About 20 miles west of Dillon, Bannack State Park is a National Historic Landmark and the site of Montana's first major gold discovery in 1862. More than 50 historic buildings still line Bannack's Main Street. During Bannack Days, the ghost town comes alive with displays, re-enactments, artisan demonstrations, music and other family-friendly festivities.

For information on scheduled events, activities and park rules for Bannack Days, please visit fwp.mt.gov/stateparks/bannack or call 406-834-3413.

**AG Knudsen statement on the passing of
former Lt. AG Hansen****Montana Attorney General Austin Knudsen issued the
following statement on the passing of
former Lt. Attorney General Kris Hansen:**

"Kris was a dear friend, a conservative leader, and an amazing woman who dedicated her life to others. She served our nation as a member of the National Guard in Iraq and a tour with the Central Intelligence Agency in Somalia. She served her community in the Hill County Attorney's Office and represented her neighbors in the Montana Legislature. She served the state she loved in the Auditor's Office and then as the Lieutenant Attorney General in the Montana Department of Justice. It was an honor to have Kris on our team and we deeply miss her presence."

Hansen joined the Department of Justice the same day Attorney General Knudsen was sworn into office. Prior to joining the Department, she had been the Deputy State Auditor/Chief Legal Counsel under State Auditor Matt Rosendale and a state legislator. Hansen served on the Finance, Tax, Education, Judiciary, and Local Government committees, developing expertise in state law and finance. While serving as a state legislator, Hansen was also the Chief Deputy County Attorney in Havre for three years, then an attorney in private practice in Havre for the following six years. Hansen was a Montana National Guard veteran of Operation Iraqi Freedom, 2008-09, and served a tour of duty with the Central Intelligence Agency in Mogadishu, Somalia, immediately following the Black Hawk Down incident in 1993-94.

**ATTENTION FOLKS WHO USE THE
TRAIL SYSTEM AROUND THE "M"**

Would you help me look for my kitty Dexter? He hasn't come home for over a week. He is a great hunter and is often up on the hill or in the area around the river close to our house on Cliff Road. He has short shiny black hair with white feet, belly and some on his face. He's a neutered male and doesn't usually make friends with strangers easily. If you think you've found or seen him, will you call me? I would sure like to know where he is, alive or not. Sandy Rice 406-660-1777 or 406-683-4766

FWP seeks public comment on Yellowstone cutthroat project in the Mill Creek watershed

Montana Fish, Wildlife & Parks is seeking public comment on a proposed project to conserve native Yellowstone cutthroat trout in the Mill Creek watershed within the Custer Gallatin National Forest. Mill Creek is the largest tributary to the Yellowstone River in Paradise Valley and originates in Absaroka Mountains. The project would entail removing brook trout using electrofishing to prevent them to spreading to the headwaters.

The project area is a stronghold for a core, conservation population of Yellowstone cutthroat trout at high elevation and at the northernmost extent of its range. Brook trout occupy this small spring creek, and brook trout are a primary threat to headwater populations of Yellowstone cutthroat trout.

A draft environmental assessment is available on the FWP website.

Comments can be emailed to FWPfishcomments@mt.gov or mailed to Montana Fish, Wildlife & Parks, Mill Creek Yellowstone cutthroat trout conservation, P.O. Box 200701 Helena, MT 59620.

The deadline for public comment is Aug. 5.

By "Swede" Troedsson

When Jay Bertino, a former smokejumper and college class mate was still alive, he relayed the following story to me.

One day he was in Gracie's second hand store in Dillon, MT. While looking around the store, a pickup truck pulled up to the store. When the driver got out, Jay could see a ranch brand painted on the side of the door. The driver was a HUGE angry looking cowboy.

The cowboy walked through the store. He continued down the stairs located in the back of the store. The stairs led to the store basement. The next thing Jay heard was the cowboy ascending the stairs, saddle stirrups thumping against the steps.

The cowboy left the store carrying the custom saddle. Jay noticed that the back of the saddle cantle had the same brand as that displayed on the door of the truck. The cowboy placed the saddle into the bed of the pickup, and drove off.

No one in the store said a word. Speculation has it that a friend of the cowboy recognized the stolen saddle in the store's basement and notified the cowboy.
