Cheri Larae Pulley

Cheri LaRae Pulley, 74, of Lima, Montana, passed away Monday, July 11 th , 2022 at Barrett Hospital.

Cheri was born June 14, 1948 to Randy Herrmann and LaRae (Rose) Herrmann in Mountain Home, ID.

She graduated from Eldorado High School in Pollock Pines, California until finally settling in Emmett, Idaho where she met and married Tommy E. Pulley. Cheri worked at Albertsons Corporate Office as a Private Label

Senior Sales Associate for over 25 years. After retiring from Albertsons, she pursued a different venture with Clement Papas as a buyer in which she succeeded in every endeavor as a lead buyer for the corporation. In her free time, she enjoyed spending time with family, fishing, building the biggest campfires known to man and sharing company over a cold Coors Light while enjoying all forms of country music. Most of all, she liked bringing joy and laughter to others. She was a member of the Lima Community Christian Church and spent numerous hours assisting the congregation in cleaning and community events. Cheri loved contributing to the community where she supported the local paper "The Red Rock Review", The Bailey Building and Museum, Lima Swimming Pool, voting and various events that benefitted the community.

Cheri is preceded in death by her father, Randy Herrmann, mother, LaRae Powers, stepfather, James E. Powers, and her beloved sister, Rene' Boyd.

She is survived by son Rocky B. (Bobbie) Pulley (Lima, MT.), grandson Austin B. Pulley (Laurel, MT.), sister Shelly (Craig) Reap (Anaconda, MT.), brother Kelly R. Herrmann (Lima, MT.) and numerous nieces, nephews and cousins that were near and dear to her heart.

In lieu of flowers the family requests that donations be made to the Lima Bailey Building and Museum or to a charity of choice in Cheri's name.

Services will be held on Saturday, 23 July at 1100 in the Lima Community Church with a "Pot-Luck" reception following at Cheri's home.

Cheri is to be interred at the Humphrey Cemetery in Humphrey, Idaho at a time and date still to be determined.

Letter to the editor

I have read numerous articles recently about Emergency Services around the country struggling to get help just like all other businesses. We tend to forget that for the most part these people are VOLUNTEERS that must leave their jobs and families at a moments notice to help people in need. They don't have time to make arrangements for child care, or cancel appointments when they decide to take a call.

The number of calls that our local ambulance gets in just one week must have tripled from 5-10 years ago (I don't know the stats). Recently, I have noticed that some of the more urgent calls for an ambulance are not getting a response. At that time other means of transportation are used to get the patient to the hospital. I have to wonder if it has to do with the amount of calls EMS takes in order to transport patients from here to another hospital. It seems as if Barrett Hospital has become a transportation Hub from what I can tell. Maybe they should consider hiring some full time drivers to transport their patients that are sent to other hospitals. The expectations are unrealistic that we (the community) will continue to get Volunteers to respond to emergency calls when they are being asked to transport to other hospitals, sometimes several times a day. These calls take several hours to complete.

I think it is unfair for the Hospital to expect these transports to continue, without compensating these people in some way. They give so much already. I think it is a huge impact on the limited resources they have. They can't continue to do more with less.

Thank you to all of the emergency responders that continually give so much to our community. You are AMAZING.

Angie Morse

COLOR: In the Gravelly Mountains, south of Ennis, MT, two lakes are named Blue Lake. There is also a Black Butte.

OTHER: Cow Bone Lake, Southwest of Jackson, MT, was given that name because one winter a bunch of cattle fell through the ice on that lake. Their bones could be seen in the bottom of the lake for years afterward.

FISH & ANIMAL SPECIES: Rainbow lake is located in the East Pioneers. Elk, Goose and Otter Lakes are in the south end of the Gravelly Mountains.

Towards the end of my career in the Forest Service, Dan Svoboda, the Forest Soils Scientist, suggested I name a topographic feature after me because I had been on the Beaverhead National Forest for over thirty years. I informed Dan of the policy that a feature could not be named after a person until that person was deceased for over fifteen years. Dan offered that if I did the paper work he would submit the proposal after I died.

We would like to thank the hardworking Dillon Jaycees for the wonderful tribute to our loved one, Mike Marsh. Mike loved being part of the Jaycees and most especially the demo derby. We know he was there in spirit riding along with his best friend, "Red" Morast, on their final escapade together.

The plaques presented to us were so special. Words cannot express our gratitude in honoring Mike.

Living Legends of Greece Tour

Fourteen full days in Greece, May 8-May 21, 2023, plus two travel days.

Day 1, Sunday, May 7, Depart Montana

Day 2, Monday, May 8, arrive at Thessaloniki Airport

Day 3, Tuesday, May 9, Thessaloniki

Day 4-14, May 15-20, Travel across stunning Macedonia and Northern Greece

Day 15, May 21, Return to Thessaloniki

Day 16, May 22, Depart Macedonia for Montana

Cost: Approximately \$5000 all inclusive (airfare, hotels, and most meals)

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history.

Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city.

The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire was signed here.

Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD.

Byzantine Empire (395 until 1453) also called Byzantium, was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople.

Muslim Ottoman Empire, (1299-1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building.

Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today.

In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage. Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of flora and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.
