Sam Lee Short

May 19, 1935 - July 10, 2022

Sam Lee Short, a longtime resident of Lewistown, Montana, passed away Sunday, July 10, at the age of 87.

He was preceded in death by his parents Joseph Leo and Novice Leotta (Titus) Short; brothers Leo, Lloyd, and Denny Short; sister Mary Ann Boe; two nieces, Sally Boe and Serena Stewart; and great-nephew Randy Nankivel.

He is survived by his brother, Darrel and Marcia Short of St. George, Utah; sister-in-law Coleen Short of Piedmont,

South Dakota; and 13 nieces and nephews.

Sam was born in Mud Butte, South Dakota, on May 19, 1935. He attended grade school in one-room country schools in Mud Butte, Sturgis, and Piedmont, South Dakota, and high school in Rapid City. Sam's first year of college was at South Dakota State University (SDSU) in Brookings. He then enlisted in the Army and served mostly in Korea. After being honorably discharged, Sam attended California State University, Fresno, then transferred back to SDSU, graduating with a Bachelor of Science in Range Management.

Upon graduating from college, Sam started his career with the Bureau of Land Management (BLM) in Dillon, Montana. Several years later, Sam transferred to the Rock Springs, Wyoming, District Office. After three years, his love for the state of Montana drew him to Great Falls where he worked for the Soil Conservation Service (SCS), now known as the Natural Resources Conservation Service

Dillon Cubs

Jeremy Crawford, Southwestern Montana News

The Dillon Cubs wrapped up their home games for the season on Sunday July 17. Coming off a one win one loss from the previous day the cubs took to the field against the Tri-County Cardinals. Hoping to pull off to final wins for the season would slip away, as they would go down one the first game with a 6 to 2 loss.

In the second game the Cubs would struggle through with a 17 to 4 loss to end their home field games.

YOU BUILD IT, THEY WILL COME

Jeremy Crawford, Southwestern Montana News

If you build it, they will come, that was the message in the movie Field of Dreams. For some parents, Coaches, and local businesses that was also what they had in mind as they looked out over the gopher infested and neglected baseball fields of Ray Lynch Park. They wanted to build it back to a field that would attract baseball players and be able to host tournaments that would keep the play in one centralized location. After years of hard work, running into hurdles along the way and many more unforeseen problems, those all involved got to witness the dream become a reality.

The Beaverhead Little League held the district tournament on July 15th thru the 18th. The tournament brought in 15 teams along with family members to cheer them on.

With a dedication ceremony to kick off the weekend, both Beaverhead Little League All Star teams where the first to play on the field, followed by a weekend filled with tournament play on both fields. After a few rainstorms, some high wind and some hot weather the Beaverhead 8-10U team pulled out a third-place spot in the tournament and punched their ticket to state. The Beaverhead 10-12U would place third in the tournament.

Rules hearing on delaying implementation of Madison River commercial use cap Aug. 2

Montana Fish, Wildlife & Parks will hold a public hearing via telephone to collect comment on an administrative rule change that was proposed by the Fish and Wildlife Commission at its June meeting.

The public hearing will be Aug. 2 at 6 p.m. and will be on a rule proposal to postpone the implementation of a commercial use cap on the Madison River. The public comment hearing will be held via phone.

A previous announcement of this hearing, mistakenly referred to it as a Fish and Wildlife Commission meeting.

The commercial use cap is scheduled to take effect Jan. 1, 2023. However, the commission has proposed moving that implementation date until after the commission adopts a method for allocating commercial-use trips to outfitters or a comprehensive river plan and rule package.

Comments on the proposal to delay the implementation of the commercial use cap are due by Aug. 5 and can be submitted online at fwp.mt.gov/aboutfwp/commission/august-2022-meeting, by email to madisonrivercom@mt.gov or presented at the Aug. 2 hearing. They also can be submitted in writing to: Montana Fish, Wildlife & Parks, Attn: Charlie Sperry, P.O. Box 200701, Helena, MT 59620-0701.

To attend the meeting, dial 1-206-337-9723. Participants will be asked for the meeting ID: 813 8036 3244 and the password: 534920.

Lewis & Clark Caverns State Park

July 23 and 24

It's "Three Dog Night" on Saturday, July 23. Radonich will present a tribute to three cool canines: wolves, coyotes and foxes. Although these animals share similar traits, they each have characteristics that make them unique. This presentation will begin at 8 p.m. in the campground amphitheater.

On Sunday, July 24, Radonich will lead "Insect Safari", a hike and discussion on some of the park's smallest wildlife. This program will begin at 10 a.m. at the main visitor center. While all bugs are insects, not all insects are bugs, Radonich says. Visitors will learn why this is and much more about the park's six-legged critters. In the previous Insect Safari, the group found a rare pink grasshopper. What will you discover?

Living Legends of Greece Tour

Fourteen full days in Greece, May 8-May 21, 2023, plus two travel days.

Day 1, Sunday, May 7, Depart Montana

Day 2, Monday, May 8, arrive at Thessaloniki Airport

Day 3, Tuesday, May 9, Thessaloniki

Day 4-14, May 15-20, Travel across stunning Macedonia and Northern Greece

Day 15, May 21, Return to Thessaloniki

Day 16, May 22, Depart Macedonia for Montana

Cost: Approximately \$5000 all inclusive (airfare, hotels, and most meals)

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history.

Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city.

The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire was signed here.

Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD.

Byzantine Empire (395 until 1453) also called Byzantium, was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople.

Muslim Ottoman Empire, (1299-1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building.

Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today.

In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage. Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of flora and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.

THANK YOU, DILLON JAYCEES!

We would like to thank the hardworking Dillon Jaycees for the wonderful tribute to our loved one, Mike Marsh. Mike loved being part of the Jaycees and most especially the demo derby. We know he was there in spirit riding along with his best friend, "Red" Morast, on their final escapade together.

The plaques presented to us were so special. Words cannot express our gratitude in honoring Mike.
