SHERIFF'S OFFICE ASSIST MAN HUNT

On 07/21/22 around 8:19 AM, Beaverhead County Dispatch Center received a 911 call reporting a roll over accident on I-15 Southbound near mile marker 98, near Moose Creek Hill. The call was directed to Butte Silverbow County as the accident was in their county. It became known to Montana Highway Patrol that the occupants of the vehicle were picked up by a passer by and dropped off in Melrose.

Around 9:00 AM a concerned citizen called in to report two suspicious males that were looking in cars at the Salmon Fly Campground/Fishing Access just outside of Melrose. Beaverhead County Sheriff Deputies responded to the area to look for the males as well as assist Montana Highway Patrol. It was determined that the two males that were looking in vehicles were the occupants of the roll over accident that had fled the scene of the crash. Prior to Law Enforcement arriving the two males had fled from the campground and into the wooded area near the campground. Law Enforcement pursued the two males but were unable to locate them due to the dense wooded area.

Montana Highway Patrol called upon their Special Response Team to come and assist with the search of the two males. Along with the Special Response Team came two highly trained tracking K9's. They deployed into the wooded area and proceeded to track the two males. One male, identified as Antonio Baca Ramirez Jr. (age 28) of Thompson Falls, decided he had had enough and turned himself in to Law Enforcement. He was transported by ambulance to Butte for his injuries sustained from the roll over, where he was later released to Adult Probation and Parole.

Around 3:00 PM Beaverhead County Dispatch received a call from Butte Silverbow who advised a local rancher had located the second missing suspect near his residence. The rancher held the suspect at gun point until Law Enforcement could arrive and place him in custody. The male was identified as Stephen Goodman (age 27) of Missoula. Goodman was taken into custody and transported by ambulance to Butte for his injuries sustained from the roll over accident. Goodman was found to be on the run after escaping a pre-release detention center in Oregon, and had a Nationwide arrest warrant issued by the U.S. Marshall Service.

In total the events totaled an almost seven (7) hour man hunt through three (3) counties and involved Beaverhead County Sheriff's Deputies, Federal Law Enforcement, and Montana Highway Patrol Troopers. It utilized four (4) K9's to track and for dangerous drug recovery, two manpowered drones with inferred cameras, and the Special Response Team, totaling roughly 25 Law Enforcement personnel. This incident showed the importance of coordinated cooperation between agencies.

The Beaverhead County Sheriff's Office would like to thank all the Law Enforcement agencies that assisted in this incident, as well as the helpful citizens of Melrose who lent a hand. Both suspects were arrested and the threat to local citizens was stopped.

The Jaycee Park has seen a lot of work and changes going into it each summer as it inches closer to the goal of completion. This year's improvements included new sidewalks and shading for those who enjoy the park. The Friends of Jaycee Park had started this year's improvements in April hoping to have them completed by the beginning of June, but mother nature had other plans that delayed the completion date. This pushed back both the splash pad opening and closing the park as the project moved along. The Dinner in the Park series was one of those events that also was pushed back later in the summer.

Thursday's first Dinner in the Park did not disappoint, as those who attended were able to purchase taco salads and an ice-cream bar before being entertained by Levi Blom. Parents were able to kick back and enjoy the show when the kids would get restless they could

head to the playground equipment, or cool off in the splash pad.

Dinner in the Park will return next Thursday, July 28 with Christy Hays and dinner will be served by United Way. Dinner starts at 5:30 p.m. and the music will start at 6 p.m.

Elk management advisory group to meet July 26

The Elk Management Citizen Advisory Group will meet via Zoom on July 26 at 1 p.m. The meeting will be streamed on the Montana Fish, Wildlife & Parks website.

Anyone interested in offering comment during the public comment portion of the meeting must register on the FWP website by noon on July 25.

This will be the 10th and final meeting for the group.

The group is composed of 12 citizens, selected by FWP, who represent a broad range of viewpoints and experience. The group is tasked with developing a set of recommendations to address elk management issues and improve relationships among stakeholders.

The group's recommendations will be presented to FWP Director Hank Worsch by July 31.

Those recommendations will be analyzed for their fiscal impacts and then released for public comment. The fiscal analysis will give the public more information when providing comment.

Once the fiscal analysis and public comment are reviewed, Director Worsch will determine how to proceed with each recommendation.

"I'm anxious to see the recommendations and grateful for all the work the advisory group and sounding board have done," Worsch said.

For more information about the Elk Management Citizen Advisory Group and to watch the July 26 meeting, go to <https://fwp.mt.gov/aboutfwp/elk-management-citizen-advisory-group>.

Barn Dance

Bannack State Park will be holding our Barn Dance on July 30 from 6:00 pm to 8:30 pm in the Group Use Pavilion. The Bannack String Band and Friends will be playing music, and there will be a group providing dance lessons. There will also be light refreshments!

THANK YOU, DILLON JAYCEES!

We would like to thank the hardworking Dillon Jaycees for the wonderful tribute to our loved one, Mike Marsh. Mike loved being part of the Jaycees and most especially the demo derby. We know he was there in spirit riding along with his best friend, "Red" Morast, on their final escapade together.

The plaques presented to us were so special. Words cannot express our gratitude in honoring Mike.

Never forgotten, always remembered
