Grant Joel Hildreth

Grant Joel Hildreth passed away peacefully July 31, 2022 surrounded by his loved ones. His determination, strength, and faith never wavered during his battle with pancreatic cancer. As he fought this battle, he strengthened all those around him.

Grant was born to Raymond and Darlene Hildreth (Goodfellow) November 15, 1962. He had a strong will and stubborn personality, along

with a playful sense of humor and willingness to entertain family and friends.

Growing up Grant loved sports and was a competitive athlete. He played many sports, but basketball was his real love. He worked hard on and off the court to improve himself as a player. He played JV and Varsity basketball for Beaverhead County High school. He also enjoyed music and participated in high school swing choir, wrote songs and played the guitar. He was an avid outdoorsman and spent countless hours in the mountains hunting, fishing and playing with family.

He graduated from Beaverhead County High School in 1981, then served a mission for The Church of Jesus Christ of Latter Day Saints in San Jose, California. He continued to serve others throughout his life.

He married the love of his life, Deborah Ann Jensen on June 14, 1985 in the Idaho Falls Temple. His adventurous, fun personality and sense of humor made for a wonderful married life. Together they enjoyed all things outdoors: hiking, fishing, four-wheeling, skiing, and the family cabin. Grant also worked hard to earn his Doctorate Degree in Chiropractic in 1993 from Western States Chiropractic in Portland, Oregon.

Grant always dreamed of being a father and was blessed with six children. He loved being a part of their lives in every way he could. He felt great joy watching them excel. He coached each one of his kids, wanting them to be taught the correct fundamentals in sports. His love and passion for basketball was passed on to all his kids, thus it has become the family sport. He shared his love of the outdoors with his family. He also felt a great responsibility to teach his children the gospel of Jesus Christ. He desired that each of his children have a testimony of Heavenly Father and their Savior, Jesus Christ. Although he loved being a father, he cherished being a grandpa. His grandkids were his pride and joy. He dedicated time to go to their activities and enjoyed

Cowboy Pocketknife

Bryce Angell

I opened up my pocketknife and cut a piece of cheese.

The blade was sharp enough to shave and sliced the cheese with ease.

My good wife asked me, "Have you ever washed your knife with soap?" I slightly hesitated, then I answered with a "Nope!"

And then she said, "I wonder what your knife's been in today?"

I had to think a minute, but as far as I could say,

"Well, Old Cyruss had a nasty sore that oozed a bit of pus. So, I

sliced it with my pocketknife. Now there ain't no need to fuss.

"Cuz I wiped the blade across my shirt between the spurts of goo.

That sore had built up pressure, squirted out from here to you.

"I cut a month of cockleburs right off the mane and tail.

Whoa, you better take a load off hon. You're lookin' mighty pale.

"The sliver that was festerin' alongside my big toe,

well I dug it with my pocketknife. There ain't much left to show.

"And talk about my toe, I got a nasty case of gout.

But still opened up my pocketknife and cleaned my toenails out."

My Old Timer knife ain't pretty. It has lost its shiny hew.

I've sharpened it so many times the blade is half worn through.

I'd have to say in my lifetime ain't found a better tool.

And if you've never had a knife, well maybe you're the fool.

My father gave me my first knife when I turned eight years old.

The finest gift I'd ever had, meant more to me than gold.

I couldn't guess how many knives I've worn out since that time.

Or restored an old and lost one found amidst the dirt and grime.

I never leave the house without my pocketknife at hand.

To me it's more than just a knife. No need to understand.

So, don't you fret none 'bout my knife. I know you think it's rank.

I soaked it deep in alcohol. The brand your uncle drank.

And if you're wonderin' did I throw your uncle's booze away?

Well, I did one even better, chugged the last drop down today.

Mungas Company Idaho Street Weekly Plan

Plan for the week is to do the dig out of the soft spot on Idaho from Helena to Center and get it filled back in, graveled and opened back up. Paving will be happening on Idaho and Bannack this week and the streets will be opened back up as soon as the asphalt is cool enough to drive on. The last of the storm drain will be installed on Idaho. We are still waiting on data from the engineer for our GPS to get the street subgrade cut so we can gravel it. I'm hoping to have it this week. As soon as we get it we will get the last two blocks of Idaho cut to subgrade and graveled. Work on the Fairground will also begin this week and should be installed by the end of next week.

TRAILER TURNED OVER

Jeremy Crawford, *Southwestern Montana News*

A red Chevy pickup truck Friday afternoon pulling a camper which overturned was blocking the right side of I-15 Northbound near MM 55. The driver of the Chevy truck was attempting to pass a semi carrying a wind turbine blade, when he got too close to the left hand side of the road. The trailer caught the shoulder of the road, pulling the truck farther to the left. The driver tried to pull back onto the road and over-corrected, causing the trailer to roll onto its side. After first responders freed the trailer from the truck, the driver and his family were able to drive away.

Council Meeting 7/20/2022

By MJ

Present: Ms. O'Rourke, Mr. Graham, Mr. Hand, Mr. Johnston, Ms. Armstrong, Mr. Brandon, Mr. Schwandt, Mr. Nye.

1. Minutes approved June 13, 2022.

2. Minutes approved July 6, 2022, Council minutes.

Mayor report: Mayor referenced the agreement to be approved between police officers and city. Police contract was changed from a (1) one year contact instead of a (2) two-year contact. *Council accepted the Agreement as a (1) one-year contract.*

a. Council lady O'Rourke stated that there were two places in the contract that gives her heartburn

1) **NOTE:** Health insurance is broken out where the city pays 90% and the employee pays 10% of the cost. Plan allows children and wife to be added with no increased cost to the employee. 90% of an individual's insurance payment is approximately \$7,000± a year and with family the cost increases substantially.

b. Council Lady O'Rourke noted that the rates of our health insurance are going up and we need to spread the liability out. Suggestion made my O'Rourke was maybe the employee would pay 25% and city would pay 75% of the insurance. 2) Another heartburn in agreement is that there is a thing in here that says sick leave may be accumulated, **Question:** Should sick leave be accumulated without a maximum? **Example:** Suppose you work for city for 30 years and you never take your sick leave. **Question:** Could you end up with a total 2,400 weeks of unpaid sick leave that the city would need to pay out upon someone's retirement? Is there any maximum?

i. **STATE LAW** - Sick leave goes until you use it, retire, or quit. When an employee retires or quits you get paid 1 hour for every 4 hours accumulated or ¼ of every hour. If you use your sick leave, you get paid for every hour in full.

ii. Chief of Police Mr. Alvarez spoke of the job the police do to protect the community and putting their lives on the line for the wage they receive. He asks the council if the city could afford no police officers? It appears that for officers to buy a home or start a family on the wage they make is difficult.

NOTE: Inflation has hit everyone in the community, every taxpayer every family... There are many struggling to buy a home and pay their bills, feed their families... **Remember:** the only way a government entity can get any money to pay wages and bills is from the taxpayers.

3. **Employee Contract:** Council Approved with the corrections made. Passed unanimously.

4. **Library Board:** Library was called the bastard child of Dillon by a council person. Offense was taken by the library board. Laurie present to the council facts about the library they may have not known.

a. A gentleman seated in public chairs asked the council what they have done for the library. You have allowed the closure of streets during the tourist season. The time of year business's make extra money to boost their incomes to help with inflation. People could not get to the library or business' because the mayor and council let the contractors lock people out by closing streets and alleys off. This is not what the council allowed the contractors to do in the original contractual agreement, yet the council and mayor did nothing about it until business owners spoke up.

b. **Question:** Are the library employees considered city employees? If so, why did they not get a 5% raise in their wages? Mayor said they would put this on the agenda and discuss at the next council meeting. O'Rourke said this should go to the finance committee. In the past this has been worked out at the finance committee level. The finance committee is meeting Friday and it can be discussed there. There was no response as to if it would be sent to finance committee.
