AUSTIN SMITH

September 24, 1994 - July 31, 2022

Austin Smith passed suddenly in a motorcycle accident enjoying what he loved on July 31, 2022.

Austin was an amazing young man who was loved by all who crossed his path. He had an amazing personality and lived his life to the fullest.

Austin made his way into this world rather fast and lived his life at a fast pace. At the age of 4 years old, Austin was diagnosed with Leukemia. Austin defied all odds and kicked cancer. Austin loved life and was not

ready to give up.

Austin was a very caring and loving young man that would help anyone. He was the type of person that would give you the shirt off his back if you needed it.

Austin met the love of his life Miranda Herren early in childhood. They made it official and began dating in December of 2014. Miranda and Austin were married August 8, 2020. On April 6, 2021 Miranda and Austin welcomed twin boys into their lives.

Austin is survived by his wife Miranda, sons Damien Travis Smith and William Dee Smith, his parents Bill and Jennifer Smith, sisters, Chelsea (David), Alyssa, Sonnie Jo, grandma Jean Smith, mother-in-law Nikki Herren, father-in-law Mickel Herren, brother-in-law Travis (Rachel) Christopher, Nathaniel, Sister-in-law Ashley Moon and many aunts, uncles, nieces, nephews and friends.

Austin is proceeded in death by his grandpa Dee Duane Smith and his maternal grandma Mary Ann Jones and great grandmother Ada Ingram and his grandma Jackie Hart.

In lieu of flowers a fund raiser will be set up for a headstone. A celebration of life potluck will be held at Vigilante Park, Saturday, August 6, 2022 at 3 pm.

MOTORCYCLE CRASH

Jeremy Crawford, Southwestern Montana News

A 27 year old Dillon man was killed Sunday July 31, in a head on motorcycle crash on highway 43 mile marker 70.

A Montana Highway Patrol report states the man was going around a curve when speed and or road conditions caused the motorcycle to go into the westbound lane and collide with a Ford F150. The driver of the pickup truck attempted to stop and avoid the motorcycle but was unable to. The driver of the Ford was uninjured.

Veteran's Being Used As Pawns In The US Senate

Veterans across America are seething in rage after seeing a Bipartisan Bill passed by the Senate over a month ago, sent to the House for some revisions, passed by the House, sent back to the Senate with expectation of passing, only to be defeated by a group of republicans who were retaliating over an unrelated Democratic Bill that was passed. This very popular Veteran Bill called PACT that addressed toxic exposures veterans were exposed to and have suffered/died from, was worked on for a number of years, with the expectation that finally these exposed veterans would get treated for the many cancers/etc. they suffered from.

Veterans are republicans, Democrats, Independents, etc., and for this group of Senators to use them as Pawns to get even at these veteran's expense, is unconscionable. I was especially incensed in seeing our own Senator Steve Daines do a fist bump with Senator Cruise, as his vote was taken.

How dare he play with these veteran's lives, many who will die if not treated through this PACT ACT. Last month at our state VFW Convention, in Billings, he expressed his support for this Bill, but because of political game playing, Veterans are the pawns too be played. He and his republican colleagues are throwing veterans out in the political wash.

For the love of God, take the Veterans out of that crap-shoot of political maneuvering and let the PACT ACT live on it's own merits, which is treating and saving these exposed veteran's lives. Fist bumping at our veteran's expense is something veterans across our state and America will not soon forget. Do the right thing, Steve, and bring your colleagues to the table, get the PACT Act back on the table, get it passed and sent it to the President's desk to be signed.

This will go a long way to help wash away the memory of the fist bump, that was a hard slap in the face of the American Veteran.

Attorney General Knudsen Announces Formation of Nationwide Anti-Robocall Litigation Task Force

Montana Attorney General Austin Knudsen today announced the formation of a nationwide Anti-Robocall Litigation Task Force with 49 other states that is investigating and will take legal action against the telecommunications companies responsible for bringing a majority of foreign robocalls into the United States. This bipartisan nationwide Task Force has one goal: to cut down on illegal robocalls.

The Task Force has issued 20 civil investigative demands to 20 gateway providers and other entities that are allegedly responsible for a majority of foreign robocall traffic. Gateway providers that bring foreign traffic into the U.S. telephone network have a responsibility to ensure the traffic is legal, but these providers are not taking sufficient action to stop robocall traffic. In many cases, they appear to be intentionally turning a blind eye in return for steady revenue. The Task Force will focus on the bad actors throughout the telecommunications industry to help reduce the number robocalls and benefit the companies that are following the rules.

"Foreign scammers aren't just annoying – they steal billions of dollars from consumers each year and these gateway providers may be illegally helping them to do it," Attorney General Knudsen said. "Nobody should profit from helping overseas criminals rip off Montanans. My office will continue to keep the pressure on bad actors and hold them accountable."

According to the National Consumer Law Center and Electronic Privacy Information Center, over 33 million scam robocalls are made to Americans every day. An estimated \$29.8 billion dollars was stolen through scam calls in 2021. Most of this scam robocall traffic originates overseas. The Task Force is focused on shutting down the providers that profit from this illegal scam traffic and refuse to take steps to otherwise mitigate these scam calls.

The Taskforce is an extension of Attorney General Knudsen's ongoing efforts to stop illegal robocalls, the source of many scams. In August, they urged the Federal

Communications Commission (FCC) to accelerate its deadline for all telephone companies to implement STIR/SHAKEN technology, which helps prevent spoofed calls.

Following that, he called on the Federal Communications Commission (FCC) to require gateway providers to make it more difficult for robocalls to enter the U.S. telephone network and block any gateway provider that does not meet the specific requirements.

Last year, the Attorney General's Office of Consumer Protection, along with the Federal Trade Commission and dozens of agencies from around the nation, stopped a massive telefunding operation that bombarded 67 million consumers with 1.3 billion deceptive charitable fundraising calls (mostly illegal robocalls).

Attorney General Knudsen also offers the following tips to avoid scams and unwanted calls:

- Be wary of callers who specifically ask you to pay by gift card, wire transfer, or cryptocurrency. For example, the Internal Revenue Service does not accept iTunes gift cards.
- Look out for prerecorded calls from imposters posing as government agencies. Typically, the Social Security Administration does not make phone calls to individuals.
- If you suspect fraudulent activity, immediately hang-up and do not provide any personal information.
- File a Do Not Call or Text complaint here: <https://www.donotcall.gov/report.html>
