Dorothy Ann Newman

Dorothy Ann Newman, 89, of Dillon passed away Friday, July 29th, 2022, at Pioneer Care and Rehabilitation. She was born December 7th, 1932, to William and Laura (Nash) Brown in Hamilton City, CA. She attended Hamilton High School and then married her first husband Bell Robinson and had two children Carol and Craig. After their separation she then married Norman Dee Newman, the couple then had their son Larry. She lived in various places such as Chico, CA., Orland, Anderson, and Red Bluff. She also lived in Agnes and Ocean shores, WA., before finally settling in Dillon, MT for the last 24 years. In her free time loved to hunt, fish, ride horses, and also loved to paint. She won every parade that she entered as a fancy cowgirl and always took home the biggest trophy.

Dorothy is preceded in death by her parents and both husbands.

She is survived by her three children Carol (Tom) of Brookings, OR, Craig (Cindee) of Dillon, MT, Larry of Willows, CA. She also leaves behind her eight grandchildren and twelve great grandchildren. The family would like to take this opportunity to thank the faculty at Pioneer for their exceptional care and kindness for Dorothy. No services are scheduled at this time.

Dr. Melvyn Lewis Harris

Melvyn Lewis Harris was born in Brooklyn, NY on October 16, 1947 to Gertrude and Mack Harris. He loved growing up in Borough Park with a large and close family. Stickball, hit the penny and the Dodgers filled his childhood. Summers in Miami made it a lifelong love.

He graduated from Brooklyn College of Pharmacy and left to seek his fortune out West. He fell in love with San Francisco but detoured to the University of Oklahoma where he earned his MD degree in 1977. After a surgery internship he began his career in Emergency Medicine. There was no specialty of Emergency Medicine in those years when even dermatologists moonlighted for extra money. Mel was part of a cadre of physicians who pioneered the specialty and watched it organize into the serious and essential service it is today. He worked in trauma centers nearly all his career and took great pride in his decades long work at Loma Linda University Medical Center.

He was innovative, curious and always looking for ways to make things better in medicine and for everyone he knew. He worked for two decades on medical device development to improve venous access which is so crucial to medical care. The team working on his current project have elected unanimously to proceed and carry his passion forward for improving the lives of others.

He met the love of his life, Toni Ann Marshall McCain, in the Emergency Room at Valley Medical Center in San Jose in 1981. They spent 40+ years together and were a

winning team through all life's vicissitudes. He was her greatest supporter, admirer and protector, and she was his.

At age 50, he decided to take his hard-earned skills in emergency medicine and trauma care to those who committed their lives to serving our country. He joined the US Army Reserve Medical Corps as Major Mel and devoted much energy to training reservists. He served three war deployments in Kosovo with the NATO forces, in Iraq, and in Afghanistan. His commendations reveal his high quality of medical care and teamwork and his knack for leadership. He was promoted to Colonel before he resigned when he was 67.

Anyone who ever knew him knew he was the world's greatest Dodger fan. His Brooklyn voice rang out over Dodger Stadium, "Go Brooklyn. Go Dodgers". He never forgave the O'Malley family for moving the Dodgers to Los Angeles, but it did not dampen his enthusiasm for the team. His passion for the game and for the Dodgers was infectious. Many who knew him found themselves secretly rooting for the Dodgers or watching the games, just knowing how much their success made him happy.

Wisdom, Montana in the Big Hole Valley became a competing passion when he began to visit in 1982. We spent many vacations at our mountain valley home there, soaking up the gorgeous high country, the fresh air and the clear skies. Mel was an avid biker and loved to ride the Big Hole. And that was exactly what he was doing when he died July 23, 2022 from a sudden heart attack.

Mel was an example to others with his honesty, humility, passion and intelligence. He was known for his sense of humor and his sense of fun. He was a larger-than-life person who lit up a room. He was a cheerleader for all. He believed in the potential of everyone he knew and tried to help others realize their dreams. He spent his life devoted to the well-being of others. He was widely loved and will be widely missed. Godspeed, Mel.

2022 Beaverhead County Fair Books2022 Beaverhead County Fair Books are available at Womack's Printing, Rocky Mountain Supply, Murdochs, 3D, Dillon Public Library and the Beaverhead County Extension Office. The fair book is also online at <https://beaverheadcounty.org/departments/county-fair/>.

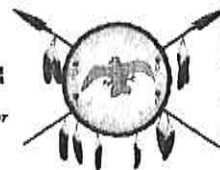

Entry day for open class exhibits will be on Tuesday, August 30 from 10 a.m. until 8 p.m. To enter an open class exhibit in culinary/foods, arts/hobbies, sewing/quilting/needlework, wool, horticulture or floriculture bring your entry to the respective building at the fairgrounds between 10 and 8. All open class exhibits will be judged on Wednesday, August 31. Once judging has ending, buildings will be open to the public. All open class fair entries in youth and adult are eligible for premium dollars and cash prizes. Check out the fair book for more information on prizes and entry!

Fair admission will be \$5 for the entire week for high school age and up. Fair buttons can be purchased in advance at 3D and Womack's for a chance to win 2 \$100 cash prizes. All proceeds from the gate help support the Beaverhead County Fair. Buttons will also be available at the gate. Shine Studio dancers and UMW Women's Basketball team members will be selling buttons at this year's fair! Be sure to thank these youth and collegiate organizations for their time!

Midway West Carnival Company will be open Thursday through Sunday of fair. Advance sale carnival vouchers are now on sale at 3D for a discounted price of \$25. The vouchers can be redeemed at the carnival for an all-day wrist band. Wrist bands can also be purchased at the carnival for \$30.

Beaverhead County Fair will host several events and activities throughout the week of August 31-September 4. Live musical performances will be held Thursday through Sunday on the midway. 4-H, FFA, and open class livestock shows start Thursday at 8 am with hogs, followed by beef at 1 and sheep/goats at 5. Arena events will start Wednesday at 6:30 pm with the Open 4D Barrel Race. Thursday arena events include the Stock Horse show at 8:00 am followed by the Beaverhead Co. Fair Team Roping Classic at 5 pm. Arena events will continue Friday at 10:00 am with the always popular Team Branding event. The Dillon Ranch Rodeo will end the day with a start time of 6:30 pm. Saturday kicks off with our youth rodeo, Saturday Arena Events, at 8 am. All Beaverhead County Fair arena events are free to attend with a fair button.

See print and digital copies of the fair book for the entire fair schedule.

To the Community:

I apologize for the inconvenience of closing off the parking in front of the museum. The tree branches have begun to bend, break and fall which has already happened at the museum. With the possibility of strong winds, we wanted to be proactive and have them cut back so as not to have them fall on someone's vehicle. This is an inconvenience to many people trying to get around the construction on the streets and need somewhere to park. The branches were over the powerlines and are quite dangerous if they break and fall. Northwestern Energy was dispatched to cut them down and answered our call immediately, but they do not remove the branches. We rely on the trustees and volunteers to help in keeping the grounds looking good and free of damage or danger, but we don't have the equipment or manpower to haul them away. The City of Dillon was kind enough to offer help in the removal of the branches.

The City of Dillon crew has been working on so many projects and we are grateful to the city for offering help in removal of the branches. Our museum is a beautiful complex thanks to our trustees and volunteers who contribute hours of their time to provide a place for visitors to stop, park, eat and shop in Dillon.

Thank you, City of Dillon, for all your help in the removal of the branches!

Candi Whitworth
Executive Director, Beaverhead County Museum

BHH Cemetery Walk

The Beaver Head Hunters Genealogical Society will hold it's twelfth annual Cemetery Walk this Saturday, August 13 at 2:00 in the Mountain View Cemetery. We will learn about Marjorie Jean Stefanatz, Grace Graeter Poindexter, and Catherine Moss. Those attending may wish to bring a folding chair, water, and a shade umbrella. Everyone is invited.

Upland Game Bird Enhancement Program Projects Access Guide available online starting Aug. 15

The upland game bird season is less than one month away, and hunters will soon be able to refer to the Projects Access Guide, published annually by Montana Fish, Wildlife & Parks' Upland Game Bird Enhancement Program (UGBEP).

Beginning Aug. 15, hunters can view and download the new guide and maps online. Click UGBEP Projects Access Guide.

The guide contains all active projects administered through the UGBEP including Open Fields, habitat management leases, food and cover plots, CRP enhancements, shelterbelts and grazing systems. These project types are located in all FWP regions and designed to enhance upland game bird habitats on lands open to free upland game bird hunting when permission to hunt is secured.

The guide includes tables listing all habitat projects and maps that depict locations of private and public land projects enrolled in the UGBEP. Tables provide hunters with project-specific information such as project location, acres and the method to contact landowners for permission. FWP reminds hunters to obtain landowner permission before hunting private lands.

Printed access guides will be available at FWP headquarters and regional offices in late August. Hunters can also request a copy of the access guide via FWP's website. FWP will begin mailing guides to hunters the week of Aug. 15.

Due to current dry conditions and high fire danger throughout Montana, hunters may encounter UGBEP project closures or restrictions. Hunters can check the Projects Access Guide online for current information.

Through partnerships formed with private landowners, government agencies or conservation organizations, UGBEP has a current enrollment of 473 active projects, enhancing over 330,000 acres of game bird habitat while providing nearly 800,000 acres of access for upland game bird hunting. Hunters taking advantage of these projects and some of the amazing upland game bird hunting they offer should consider extending a thank you to the landowners. This partnership in creating upland game bird habitat and offering public access is an excellent opportunity.

For more information, contact Debbie Hohler, UGBEP coordinator, at: 406-444-5674, or by e-mail: dhohler@mt.gov.

Veteran's Corner Update #164

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles. After putting up with the high temperatures, we have had all week, sleeping with the windows open to capture the cooler night air, I was surprised to be awakened to a heavy rain this Saturday morning. We had another bout of rain in the late afternoon also. It was unexpected but welcome, especially during this our forest fire season of the year. Compared to other years, we've had very little smoke, so far this year. Let's hope and pray that the fires that we do have, are quickly put out and that few if any new ones, get started.

In Butte we have our Silver Bow County Fair going with the rodeo and entertainment going on, out at the Butte Vigilante Saddle Club Rodeo/Fairgrounds. I've talked to a number of Veterans who have kids or grandkids involved in 4-H or other youth group participation. It's the kids that brings them, the parents and relatives, out to see and enjoy the Fairs/Rodeo/entertainment. We're fortunate to live in our part of the world, here in SW MT, in that we have the freedom to gather together and enjoy ourselves as a community in relatively safety. This is why our veterans have served, to keep us free to enjoy an event like this, in August of every year. We all come together, whether we're country folks or city folks, Democrat, Republican or Independents and enjoy these events together as Americans.

Another event I attended this past week in Butte, was "Music on Main St". This is a Thursday Night event. There were a number of food venders there to feed the crowd as they enjoyed the band, playing in the middle of Main Street above Park St.. Another Marine, from our SW MT Detachment #724, and myself were selling our "Side by Side" Raffle Tickets at a table we set up in front of Maloney's Bar. The music was great and the smells from the food venders trailers was intoxicating good. We enjoyed being there and sold 32 tickets which made it a good night.

The SW MT Veteran's Home is a great place for our veterans, who need to be there. If you have a loved one there or a friend, please put them on your visitation list, as they love company. The "Covered Walkway" construction will soon begin, as well as the inspections for Cottage #5. Once that

happens, our veterans who need memory care treatment can start being admitted.

Our new VA CBOC medical center, across the road from "Three Bears", is very busy with our vets getting seen and treated. The grounds are beautiful and a great tribute to that corner of Butte.

The Pact Act (toxic exposures) that has been long sought after, and supported by veterans and veteran organizations across Montana and our country, is finally on the President's desk to be signed on Monday (as of this writing on Sunday). I am grateful to our Senator Steve Daines/his colleagues for having a change of heart, after the veteran uproar, and passing this historic important Act, that they had voted against a week earlier. Once the President signs this legislation, the VA will, and already are, taking claims to start implementing treatment/evaluation/research/etc.. They need to document as to where and when the veteran was exposed. The main time frames are from 1990 too well into the first two decades of 2000. If you're a veteran of that time frame and think you were exposed, make an appoint with your Veteran Service Officer to get the paperwork sent in. Better to get treated earlier than later if you have a medical condition because of toxic exposure.

Another toxic water contamination exposure concern at Camp Lejeune, which occurred, is at Marine Corps Base Camp Lejeune in Jacksonville, North Carolina, from 1953 to 1987. Marine service members and their families drank and bathed in this contaminated water. Again, if you were stationed there in that time period, please get to a Veteran Representative, make a claim and if your family was there, then they need to be included in that claim. Certain presumptive conditions have been identified, including different cancers. This is not something that should be put off to a later date.

On a local SW MT note, Silver Bow County started the August Fairs kickoff. So now look for the coming County Fairs at the Powell County Fair/Rodeo, the Jefferson County Fair/Rodeo, the Madison County Fair/Rodeo and during the Labor Day weekend, the Beaverhead County Fair/Rodeo. For those of us who are veterans, it a great way to relax and get out of ourselves, with our friends and families.

BARRETT HOSPITAL & HEALTHCARE

Where people come first.
100 years and counting.

Barrett Hospital & Healthcare Competitive Wages and Great Benefits Package!

To apply, please go to www.barrethospital.org and complete an online application.

For more information, please email careers@barrethospital.org. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations.

Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing.

This is a full-time position and is eligible for the full benefit package. In addition, there is a PRN position available.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications for interested PT's and PTA's to join our Rehab team. We offer highly competitive wages and full compensation package, 1:1 patient care and flexible scheduling. Therapists are afforded the opportunity of a diverse caseload including inpatient, outpatient, aquatics, and home health care for adults and pediatric patients. Opportunities exist for this caseload to be tailored to the candidates experience and desires. Pediatric experience or interest strongly desired.

Minimum Qualifications: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required.

This position is a full-time position and is eligible for the full benefit package.

Perioperative Services Manager

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available ****

Barrett Hospital & HealthCare invites applications to fill a manager position to join our Peri-Operative Services team. The Perioperative Services Manager administers, supervises, and coordinates peri-operatives services including operating room, PACU, outpatient surgery, ambulatory care, central scheduling, and sterile processing. The peri-operative manager is responsible for the overall direction, coordination, and evaluation of the surgical and endoscopic services for the organization. The manager is responsible for budgeting; employee supervision; planning and directing work of employees; and addressing complaints and resolving problems within and between departments, continually collaborating with Surgeons and Anesthetists. This position also evaluates clinical practices to maintain high standard of care and implements improvements as needed. Hands on clinical care is required in this position.

Minimum Qualifications: Bachelors' degree preferred. A minimum of five years in previous peri-operative and/or in a healthcare/clinical background such as nursing or other related experiences required. Consideration of education and related experiences may be evaluated for outstanding candidates in lieu of degree requirement. Previous surgical services management experience preferred.

This position is a full-time position and is eligible for the full benefit package.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required.

This is a PRN position.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and always exhibits professional demeanor. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position.

Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification.

This position is a full-time position and is eligible for the full benefit package.

Licensed Practical Nurse – Clinic

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Licensed Practical Nurse (LPN) position to join our Clinic team. The LPN assists in the management of patient flow and assisting physicians with assigned procedures. The LPN also is responsible for taking, screening, and initiating necessary telephone calls to patients, maintaining exam rooms, stocking of supplies, ensuring cleanliness and sterility of necessary equipment, and administration of medications and injections, as ordered by physicians. The LPN is responsible for maintaining complete and accurate electronic medical record documentation. As a member of an interdisciplinary team, successful candidates will have a passion for customer service excellence, compliance, compassion, and genuinely enjoy working with the public. Successful candidates will have a passion for customer service excellence, teamwork, and enjoy working with the public.

Minimum Qualifications: Current Montana LPN licensure and Basic Life Support (BLS) are required. Three to five years related healthcare experience and/or training preferred; or equivalent combination of education and experience may be considered for outstanding candidates.

This is a full-time position and is eligible for the full benefit package.

Patient Account Representative-Registration – Temporary Position

The Patient Financial Services Department at Barrett Hospital & HealthCare invites applications to fill a Patient Account Representative-Registration position to join our team of professionals. The Patient Account Representative is responsible for timely and accurate patient registration tasks and processes. The Patient Account Representative interviews patients for all pertinent account information, verifies insurance coverage, establishes need for pre-authorizations, financial counseling, and recovers co-insurance, deductible and/or self-pay payments, as necessary. The Patient Account Representative ensures the collection of appropriate signatures for treatment, medical records, and insurance processing. The Patient Account Representative displays courtesy and sensitivity in managing difficult or emotional customer situations.

Minimum Qualifications: High School Diploma, general education degree (GED) or equivalent; with one year of related experience and/or training; or equivalent combination of education and experience may be considered **Qualified candidates will be required to complete a Patient Financial Services Departmental Workplace Questionnaire/Survey prior to being considered for a formal interview to assess basic customer service skills and industry related competencies.**

This is a temporary position and is not eligible for benefits.

Medical Technologist

***** \$10,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Medical Technologist/Clinical Laboratory Scientist position to join our Laboratory team. The Medical Technologist/Clinical Laboratory Scientist oversees patient specimen collection, processing, testing, and reporting. The Medical Technologist/Clinical Laboratory Scientist assures quality control, quality assurance, maintenance of analyzers and monitoring of accuracy and precision. The Medical Technologist/Clinical Laboratory Scientist must be proficient in analyzer and instrument operation, quality control, calibration, and maintenance. Successful candidates must have a passion for customer service excellence, teamwork and enjoy working with the public.

Minimum Qualifications: Candidates must possess an active Montana Clinical Laboratory Scientist certification or ability to obtain licensure within 45 days of hire. One to two years of clinical post degree training is preferred.

This position is a full-time position and is eligible for the full benefit package.
