Patricia L. (Talent) Burwell, 94

July 29, 1928 - August 19, 2022

Patricia L. (Talent) Burwell, 94, passed away on August 19, 2022, at Peace Hospice in Great Falls. As per Pat's wishes, no services are planned at this time. A family get together will be held at a later date to celebrate her life. Her ashes will be interred at Mountain View Cemetery. All arrangements have been made by Croxford Funeral Home.

Pat was born in Dillon, Montana on July 29, 1928, to Leo and Helen (Smiley) Talent, being the youngest of four girls. She grew up in Dillon, attending local schools, and graduated from Beaverhead County High School in 1946.

Pat married her high school sweetheart, Stewart "Stu" Burwell in 1947. The couple went on to share two children, Bill and Sue Anne "Susie".

Pat worked at the Beaverhead County courthouse and served as a Girl Scout chairman. Pat drove the ski bus and taught ski lessons. She also drove a school bus on the Blacktail route.

Pat and Stu were very active in the Dillon community as members of the Dillon Ski Club. The couple assisted with the upgrade and expansion of the ski hill Rainy Mountain. Pat was also active in the Dillon Jaycees, as well as putting on plays at the Western Montana College. The Burwell family managed the local country club from 1966 to 1972.

In 1971, Pat and Stu moved to Bozeman. Pat drove one of the biggest school buses around (she was short, but mighty!) and was an active member of the Valley View Country Club in Bozeman.

Eventually, Pat and Stu moved to Helena where the couple would divorce. She worked at Sheila's Dress Shop/Globe clothing store, and she also joined the Bill Roberts Ladies Golf League.

In 1989, Pat moved to Butte to be closer to her family. She loved helping with her grandsons, following them to attend their baseball games, all the way from T-ball to college baseball. Pat worked in her son-in-law's dental office part time for many years; she loved helping wherever she could.

Pat enjoyed the family trips to the Neill cabin in the Big Hole.

Pat was a 30-year member of Chapter AC PEO and longtime member of the First Presbyterian Church in Butte, where she spent many years as a Deacon and was a constant fixture in the kitchen and as a flower helper.

In 2019 Pat moved to Cascade, to once again, be close to her family. She made many nice friends at Quiet Day Manor; she was loved for her laughter and enthusiasm for life.

Pat was preceded in death by her parents and her sisters Mae "Tootsie" Noel, Dorothy Stahl, and Kathleen "Googie" Stinson.

She is survived by her son, Bill Burwell of Clancy; daughter, Susie (Dr. Rob) Neill of Cascade; grandchildren: Jeff (Carol) Burwell and Jenni Burwell, Matt (Alex) Neill, and David (Ashlea) Neill; great-grandchildren: Christopher and Jared Burwell, Sophia and Madison Neill, Jackson and Clara Neill, and a soon to be born great-grandchild to Dave and Ashlea.

Memorials can be made to the First Presbyterian Church of Butte, MT in her honor. 901 W. Platinum, Butte, MT 59701.

Ann Petersen (Zeidler), 94

April 22, 1928 - August 20, 2022

Ann Petersen (Zeidler) passed away peacefully with her family by her side on Saturday, August 20, 2022. She was 94 years old. She is predeceased by her dearly beloved husband of 67 years, Matt Petersen; sisters: Hilda and Sophie; daughter, Frances and granddaughter, Shawna.

Ann was born to Georg and Fransiska Zeidler in Nurnberg, Germany on April 22, 1928. She was the youngest daughter and was quite spoiled by all. After living through World War II, Ann met an American soldier at a local dance. Matt and Ann married in October 1948 and left Germany for the United States shortly thereafter where they eventually settled in Sheridan, Montana where they raised their family. Ann worked for many years at the Madison Valley Nursing Home where she was a good coworker and friend. As a wife, mother and grandmother she was the best. She enjoyed cooking and baking and the entire family looked forward to her Christmas cookies every year.

She leaves behind her son, Keith (Susan); grandchildren: Bobbie, Kevin (Amy), Christine (John), Teresa (Nick), Shawn and Steve; nine great-grandchildren and one great-great-grandchild. We will all miss her greatly.

Friends and family are invited to a funeral service on Tuesday, August 30, 2022 at 10:00AM at K&L Mortuaries, 47 E. Poppleton Street, Sheridan, MT with a graveside service following in Lauren, MT.

Shirley Ann Freeman Tucker

Shirley Ann Freeman Tucker passed away August 23, 2022. Funeral services will be Saturday, Sept. 10 at 11 am at the Assembly of God Church in Deer Lodge. Sunday, Sept. 11, internment will be at the Wisdom Cemetery at 10 am. Potluck will follow.

Full fishing closure to begin on Beaverhead River

A full fishing closure will go into effect for the Beaverhead River starting at 12:01 a.m. Thursday, Sept. 1.

The closure extends for the entire Beaverhead River—from its confluence with the Big Hole River to Clark Canyon Dam. The closure will remain in place until lifted by Montana Fish, Wildlife & Parks when water temperatures moderate and angling pressure is not expected to cause undue stress to fish.

Flows to the Beaverhead River from Clark Canyon Dam will transition from typical irrigation releases of about 300 cubic feet per second to the minimum overwinter release of 25 cubic feet per second over a five-day period, beginning Sept. 1. This flow change is occurring several weeks earlier than normal due to severe drought projections in the Clark Canyon Reservoir drought plan.

Flow reduction, coupled with forecasted hot temperatures, are expected to cause excess stress to individual fish. This could adversely affect the fishery, prompting the full fishing closure.

Fishing restrictions, such as hoot owl restrictions and full closures, are designed to protect fish that become more susceptible to disease and mortality when conditions, such as low flows and high water temperatures, combine with other stressors, including catch-and-release fishing. Restrictions are in place for other Montana waterbodies. Anglers can find a statewide list of current restrictions at fwp.mt.gov/news/current-closures-restrictions.

All stress to fish at this time of year is cumulative, and anglers should consider fishing in cooler waters during times of low flows and high water temperatures in rivers. Anglers can help reduce stress for fish by following these practices when catching and releasing fish where fishing is allowed, though fish mortality may still occur:

- Fish during the coolest times of day, where permitted.
- Land the fish quickly.
- Wet your hands before handling the fish.
- Keep the fish in water as much as possible.
- Remove the hook gently. Using artificial lures with single and barbless hooks can make hook removal faster and easier.
- If the fish is hooked deeply, you may have to cut the line at the fish's mouth or consider keeping it if regulations allow.
- Let the fish recover before releasing it.

Veteran's Corner Update #167

By Mike Lawson

This holiday weekend is in honor of all of you who work, raise and provide for your families, and pay taxes that enable our government, from the city/town/county/state/country, to function and provide all the services we receive from each. The working people of this country are the backbone that makes America what it is. I salute each and every one of you who work or have worked and are now retired.

The SW MT United Veteran's Council will again, with their Honor Guard Detail, sponsor the annual Labor Day Veteran Ceremony at the Veteran's Amphitheater in Stoddon Park, on September 5 at 10:00 AM. Please attend if your able and in town.

Dillon, MT is where the action will be, this Labor Day, with their big Beaverhead County Fair and Rodeo. This SW MT town really comes alive and is a fun place to be, at this special time. The Veterans will be leading the parade and will be active throughout the weekend.

In uptown Butte, the movie makers have taken over. They have hired many the folks in SW MT to be part of the movie making cast. One of our 80 year old Marine veterans, was hired and the different clothing they dressed him up in, was fun to see.

Our SW MT Veteran's Home is seeing some construction activity starting up, concerning the "Covered Walkway" being built between Cottage #4 & #5. I visited with Markovich Construction Superintendent Mike Ascheman, and was told that Excavator Contractor Mike Zemljak will be digging the footings, this week.

Our Veteran's Court, in Butte, is an inspiration, in that the whole team, from the two judges, the lawyers, the counselors, probation officers and the mentors function as a well oiled machine. Our team has one purpose and that is to see these troubled veterans, who are in the court system because of being charged with a crime, be rehabilitated, go through this program and make a positive life change. If any of you veterans out there, who might want to be a mentor, please contact Mike Vincent at 406-490-3574. He is our Mentor Coordinator and we are in need of mentors, to fill this critical role.

The DAV Vans in SW MT continue to get veterans to their medical appointments. Most of the drivers are veterans and driving the Vans are another way that "a veteran can help a veteran". Don't hesitate to call for a ride, for your VA Medical appointment. Any of you that think being a DAV Driver is something you would enjoy, please contact me, Mike Lawson: 406-560-3591 or our our DAV Van Coordinator, Darlene Allen: 406-490-3692. Drivers usually drive once or twice a week, if their schedules are open to do so.

Lewis & Clark Caverns finale education programs

Events scheduled Sept. 2-3

Lewis & Clark Caverns State Park will present the season's final presentations this weekend as part of the park's summer speaker series.

Lewis & Clark Caverns State Park's speaker series will present "Bat Management" on Friday, Sept. 2, at 7:30 p.m. at the campground amphitheater. Guest speaker Andrea Litt will speak about bats in general and how her research affects management decisions for bats.

Park ranger Ramona Radonich will present "Night Skies at Lewis & Clark Caverns" on Saturday, Sept. 3, at 7:30 p.m. at the campground amphitheater. This very popular program is a fun romp through the constellations and stars that you see when you look up at the night sky from the park. Among the wonders you'll meet is a star that powered the lights to open the 1933 Chicago World's Fair, as well as the famous "double-double."

ELKS LODGE

The Dillon Elks Lodge will be closed Thursday 9/1/22. Enjoy the fair and downtown businesses. Open Friday, Saturday & Sunday 4:00 pm to close. Beer Garden open 6 pm - 9 pm.

Beaverhead Search and Rescue News

Submitted by: Mel Rice, Public Relations

On August 27th and 28th seven members of the Beaverhead Search and Rescue and one member of the ambulance program participated in back country wilderness first aide training. The training was put on by Aeree Backcountry Medicine. There were four instructors and two victim participants including the two creators of the program Dr. Greg Moore and Dr. Dave McEvoy. Dr. Moore is one of the emergency room doctors for Barrett Memorial Hospital. The instructors presented numerous scenarios that they then put into real life action. Students were given an accident scenario just as though dispatch had received a call and members were dispatched to the scene of the incident. Upon arrival on the scene students had to evaluate the victims and provide proper first aide and evacuation techniques. At the end of each scenario critiques and evaluations were completed.

Some of the scenarios included: hunters in a hunting camp having been overcome by carbon monoxide poisoning; individuals with possible heart issues, strokes, bee stings, diabetes issues, and just not feeling well; 4 wheeler rollover down a steep embankment with 4 victims; and a lightning strike that involved 4 victims with different injuries. It was an outstanding training opportunity. When the victim participants acted out the nature of their injuries, the training became very real and the sense of urgency was greatly enhanced. It was also an excellent reminder for not only the response to injuries but also the procedures that should be followed upon approaching all accident scenes no matter how simple they appear.

Search and Rescue members participating in the weekend training were: Russ Sigman, Mel Rice, Trent Cottom, Gayle Rawson, Steve Mock, Adam Norlander, and Jason Ericksen. Jamie Rawson, a paramedic for the Beaverhead Ambulance, also participated and we're happy to announce she is applying for S&R membership. She will be a very strong asset. Remember, we are "In the Business of Saving Lives", your Beaverhead Search and Rescue.

WANTED - OLD AMERICAN

MADE GUITARS 9/26 PD

Wanted- Old American made Guitars
Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.

The brands I'm most interested in are Gibson, Fender, Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...

I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...

If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!

Living Legends of Greece Tour

Fourteen full days in Greece, May 8-May 21, 2023, plus two travel days.

Day 1, Sunday, May 7, Depart Montana

Day 2, Monday, May 8, arrive at Thessaloniki Airport

Day 3, Tuesday, May 9, Thessaloniki

Day 4-14, May 15-20, Travel across stunning Macedonia and Northern Greece

Day 15, May 21, Return to Thessaloniki

Day 16, May 22, Depart Macedonia for Montana

Cost: Approximately \$5000 all inclusive (airfare, hotels, and most meals)

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history.

Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city.

The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire was signed here.

Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD.

Byzantine Empire (395 until 1453) also called Byzantium, was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople.

Muslim Ottoman Empire, (1299-1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building.

Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today.

In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage.

Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of flora and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations.

Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing.

This is a full-time position and is eligible for the full benefit package. In addition, there is a PRN position available.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications for interested PT's and PTA's to join our Rehab team. We offer highly competitive wages and full compensation package, 1:1 patient care and flexible scheduling. Therapists are afforded the opportunity of a diverse caseload including inpatient, outpatient, aquatics, and home health care for adults and pediatric patients. Opportunities exist for this caseload to be tailored to the candidates experience and desires. Pediatric experience or interest strongly desired.

Minimum Qualifications: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required.

Perioperative Services Manager

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available ****

Barrett Hospital & HealthCare invites applications to fill a manager position to join our Peri-Operative Services team. The Perioperative Services Manager administers, supervises, and coordinates peri-operatives services including operating room, PACU, outpatient surgery, ambulatory care, central scheduling, and sterile processing. The peri-operative manager is responsible for the overall direction, coordination, and evaluation of the surgical and endoscopic services for the organization. The manager is responsible for budgeting; employee supervision; planning and directing work of employees; and addressing complaints and resolving problems within and between departments, continually collaborating with Surgeons and Anesthetists. This position also evaluates clinical practices to maintain high standard of care and implements improvements as needed. Hands on clinical care is required in this position.

Minimum Qualifications: Bachelors' degree preferred. A minimum of five years in previous peri-operative and/or in a healthcare/clinical background such as nursing or other related experiences required. Consideration of education and related experiences may be evaluated for outstanding candidates in lieu of degree requirement. Previous surgical services management experience preferred.

This position is a full-time position and is eligible for the full benefit package.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required.

This is a PRN position.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and always exhibits professional demeanor. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position.

Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification.

This position is a full-time position and is eligible for the full benefit package.
