Shirley Ann Freeman Tucker

On August 23, at age 84, Shirley Tucker closed her eyes on this world to open them before her Lord, Jesus. Her family was at her side as she peacefully succumbed to natural causes. She was born on May 8, 1938, to Marion "Bud" and Edna Peterson Freeman, in Hawthorne, CA.

Mom was the oldest of seven children. Her siblings truly respected her, each having a special connection with Shirley as they grew up. At an early age, Shirley was the best-extended family babysitter. All the kids were involved in the youth group at their church, making many memories throughout the years. Mom told stories of meeting Roy Rogers and Dale Evans and being invited to their ranch. Mom was proud that her Dad taught Roy how to yodle. Shirly graduated from Leuzinger High School in 1956. She then obtained a job at an insurance agency, which enabled her to purchase her first car, a 1950 hard-top convertible. She had it repainted a two-tone burgundy, and the interior was reupholstered with a white leather tuck-n- roll. Mom told us many stories of ventures in her car, all including fun and crazy adventures. There were many occasions someone would pull up beside her at a stop light and challenge her to a race. She always accepted the challenge! Oh, the tales she would tell!

During the summers of 1961 and 1962, Mom's vacation consisted of traveling to Wisdom, MT, to visit her grandma, Eliza Chandler Peterson, a Wisdom school teacher. While on vacation, she began waitressing at Fetty's. During this time, she met the love of her life, Dan Tucker. On January 19, 1963, they were married in a double wedding with her sister, Bonnie and Harold Smith. They worked hard through the years raising four daughters in Wisdom. Her life was filled with serving hearty meals to all who entered her kitchen, and anyone visiting could always count on a good cup of coffee or tea coupled with great conversations and many laughs. Over the years, our family spent countless hours fishing for supper, cookouts & picnics, going for drives in the mountains, snowmobiling, and attending church. Mom had a special gift for drawing others to God. She was the prayer warrior for the Valley, sharing her love for Jesus with all her family and friends.

Shirley was an active member of the Wisdom Women's Club, the Wisdom PTA, and a 4-H leader. She found great joy in serving others in many ways. For many years Mom hosted Bible studies in our home. Shirley enjoyed dancing, tole and ceramic painting, and cross-country skiing. Her joyful spirit spread to every activity and occasion. More than once while out cross-country skiing, she'd take a tumble then laugh so hard she couldn't get up. The situation would cause all that was part of the ski trip to be incapacitated by laughter. She put on many tea parties and movie nights/slumber parties. Popcorn and root beer floats were her favorite treats to serve during countless slumber parties.

She and Dan were married for 37 years. When widowed, Shirley moved to Polson and invested in a Curves fitness center. Later she sold it, moved to Proctor, MT, and kept bees. Square dancing became a significant pastime. Deer Lodge soon became home for the next 12 years, where she was closer to family and enjoyed friends in her church "seniors" group.

Shirley was preceded in death by her beloved husband Dan, her parents Marion "Bud" and Edna Peterson Freeman, sister Barbie, Barbara's son, Tim Spurgin, and her brother-in-law Harold Smith. Memories of her well-lived life will be cherished by her four daughters: Leah Tucker Helle (Tom) Dillon, Cindy Tucker Johnson (Randy) Frenchtown, Marion Tucker McArthur, Dillon, and Heather Quigley (Brian) Avon. Grandchildren Jessi (Nick), Danny (Lukrisha), MaRysa, Jennifer (Cody), Cheyenne, Levi, Kyle, Courtney (Ty), Russ (Megan), and Tucker, and 18 great-grandchildren. Sisters Bonnie, Lonna (JP), brothers Richard (Cathy), Ron & Don, and countless family and friends.

Funeral services will be on Saturday, September 10, 2022, at 11 AM, at the Assembly of God Church, at 601 5th Street in Deer Lodge, which will be live-streamed on their Facebook page.
On Sunday, September 11, 2022, there will be internment at the Wisdom Cemetery at 10 AM, potluck to follow. In place of flowers, please contribute to Clark Canyon Bible Camp at Dillon, Montana, in her name. Condolences can be made at www.buttefuneralhome.com

Parade Marshall

By: MJ

The Jaycees chose Evelyn Loman, a deserving parade Marshall to lead this year. Tom and Evelyn Loman moved their family to Dillon 40+ years ago. They were active business owners who genuinely made it their home by engaging the community and becoming active in happenings and activities. If Evelyn does not know you, she will soon be getting to know you via a conversation. When she goes by give her a wave of gratitude. Thank you, Evelyn, for all you have done for Dillon over many years.

Jaycee Parade Route Slight Change

Please note: the parade this year will head north on Atlantic Street from the corner of Glendale, turn west onto Helena St, at the high school, turn south onto Montana St, then east onto Reeder St and head back to Atlantic St.

Montana Center for Horsemanship Award Recipients

The Montana Center for Horsemanship has announced three international award recipients, each has dedicated their lives to advancing the understanding of horses, the horse-human relationship and promoting Natural Horsemanship.

Two of the awards are given annually by the Montana Center for Horsemanship and were first established by the EQUUS International Film Festival. Today, EIFF is part of the annual international equine conference – The Natural Horsemanship Revolution. The three award recipients will be publicly recognized during the upcoming conference to be held September 8-10 in Dillon, Montana.

Buck Brannaman, an internationally renowned horseman and proponent of Natural Horsemanship, will receive the annual Lifetime Achievement Award on September 9 at the Montana Center for Horsemanship. Brannaman, who recently launched his own channel, will be the keynote speaker during the conference at 10 a.m. on September 9. Individual tickets for the keynote are available as well as all-inclusive daylong passes.

In addition, Natural Horsemanship ambassador and rodeo icon Ty Murray will receive the annual Equine Icon Award. This award is given to an individual whose life's work has had a far reaching and significant impact on the horse-human relationship and is devoted to improving and advancing our understanding of horses. Murray will receive the award at the awards dinner on September 10, hosted by the University of Montana Western in collaboration with the Montana Center for Horsemanship. Produced by filmmaker Luke Linderman, several award-winning films in which Murray is featured will also receive special recognition awards that same evening.

Dr. Robert Miller will receive the third award this year in special recognition of his dedication to advancing our understanding of the young horse. Dr. Miller is an equine behaviorist and veterinarian, best recognized for his system of training newborn foals known as imprint training. He is also one of the early adopters and promoters of Natural Horsemanship and will be part of several group presentations during the conference.

The Natural Horsemanship Revolution Conference and EQUUS International Film Festival, presented in partnership with the University of Montana Western, will be held at the Montana Center for Horsemanship September 8-10 in Dillon, Montana.

A pre-conference day of workshops with the Equine Experiential Education Association (E3A), screenings of award-winning films, and a horse brain presentation with equine neuroscientist, Dr. Stephen Peters, will be held on Wednesday, September 7, and is open to all pre-registered attendees.

For more information and to register for the conference, please visit www.tinyurl.com/ydw9rhmx or contact Janet Rose at 406-925-3270.

KNOW BEFORE YOU GO

In order to make your game day experience the best for this Saturday's game, here are some important updates for the game against Eastern Oregon:

Entry gates: Gates and ticket booths will open at 11:30 a.m. There will be two entrances where tickets will be sold. The entrance closest to the elementary school/concession stand (cash only) and the tailgate lot. The pass gate will be located next to the tailgate lot ticket entrance.

Tickets: Tickets can be purchased in advance online at umwbulldogs.com. Fans will be able to purchase online at the game as well using the Hometown Ticketing app. The entrance located near the elementary school/concession stand will be cash only purchases for tickets. The entrance located in the tailgate lot will offer a credit card and a cash option for purchasing tickets.

Tailgate lot: Fans will need to have purchased a tailgate spot through the UMW Foundation. The tailgate lot is the only location where tailgating is allowed on game days. We ask the fans that tailgate to please pick up the area around you and bring your trash with you when you leave. Sideline passes: In order to gain access to the sidelines, fans must have a valid department issued sideline pass. Fans must enter and exit the sideline through appropriate sideline gates and remain within the designated areas once on the sideline.

Student Section (The Pound): UMW students will enter through the designated student section where they will scan their Bulldog cards for entry. There will be a sign (The Pound) in front of the bleachers where the students will sit.

Concessions: Concessions will be sold until the end of the 3rd quarter. Popcorn, hotdogs, nachos, candy, water, Gatorade and soda will be sold.

Prohibited Inside Vigilante: Animals, coolers, and outside food and beverage.

WANTED - OLD AMERICAN MADE GUITARS 9/26 PD
Wanted- Old American made Guitars
Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.
The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...
I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...
If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!

3D Mammography detects threats like no other

When it comes to breast cancer, early detection is essential. In fact, early detection saves lives. That's why we are so passionate about our 3D mammography capabilities at Barrett. And while it might be tempting to choose thermography instead of a mammogram, the FDA warns that thermography should be used only as an adjunct to mammography. The American Cancer Society has stated that thermography is not an effective screening tool for finding breast cancer early.

3D mammography has been proven to detect breast cancer sooner and better. With 3D mammography, callbacks are reduced by 40% and detection is improved up to 50%. Trust the experts at Barrett Hospital & HealthCare. We are here for you and your health.

Talk to your provider about scheduling your mammogram at Barrett Hospital & HealthCare, call **406-683-1188**.
