MUS to Host Statewide Summit on Supporting College Student Mental Health

The Montana University System Suicide Prevention & Mental Health Task Force, the Office of the Commissioner of Higher Education, and MSU Billings will hold a statewide summit on college student mental health and wellness from September 20-22, 2022, on the MSUB campus in Billings, Montana.

The "Enriching Community Mental Health and Wellbeing" summit will bring together mental health experts to advance system-wide strategies to support student mental health needs on campus with counselors, researchers, and specialists from across the state and the country to provide education, training, and best practices to a broad group of MUS and community stakeholders.

Dr. Sasha Zhou, leading expert and Co-Principal Investigator of the nationally recognized Healthy Minds Study, will serve as the keynote speaker for the summit, which will also feature Dr. Annie Belcourt, Professor at the University of Montana, David Arnold, Vice President for Health and Wellness of NASPA, and Karl Rosston, State Suicide Prevention Coordinator.

The overarching goal of the summit is to frame college student mental health and wellness as a public health issue that has profound implications for the mission of higher education institutions and deeply impacts students' pursuit of their educational and life goals. The summit will be a robust statewide conversation about how to best develop and enhance partnerships, promote mental health literacy, and create common frameworks across institutions, communities, and the state to holistically support student mental health and wellbeing. To address this larger goal, the summit will focus on:

- Increasing awareness and understanding of student mental health and risk factors for the diverse student bodies that the Montana University System serves;
- Engaging in dialogue with students, faculty, administrators, regents, clinical providers, community partners, and others about the role these stakeholders play in continuing to enhance positive student wellbeing;
- Sharing information and strategies to support the unique mental health needs and access issues for underrepresented groups of students and enhancing frameworks for student mental health and wellbeing to support student success, retention, and graduation.

"Enriching Community Mental Health and Wellbeing" is free and open to students, faculty, administrators, mental health providers, wellness practitioners, and community members interested in promoting positive student mental health across the Montana University System. For more information and to register for the summit, please visit https://www.msubillings.edu/enriching-community/.

Show and Tell

Bryce Angell

My fingers are so crooked and my knuckles doggone sore.
Arthritis has moved in, and she is running up the score.
There ain't no use complaining I'm a product of my source.
'Cuz you're gonna smash some fingers when working with a horse.
I've broke a finger, smashed a thumb, while nailing on a shoe from
a horse with attitude who stomped my fingers black and blue.
Then later on in years old Mother Nature kicks it in.
She brings her friend arthritis. Makes those ouches hurt like sin.
I remember back when I was young, I'd watch my grandma walk.
She used a stick that looked to me like oversized corn stalk.
Her fingers were so crooked she could barely hold her cane.
She said the soreness in her hands would drive you near insane.
Well, the other day while I was napping in my easy chair,
my grandson lifted up my hand. He drew a dumbstruck stare.
He gathered up his wits. He weren't about to be discrete.
Said, "Your fingers are so crooked, I wonder how you eat?"
I patted my big belly and explained no need to fuss.
Though crooked fingers, I still eat enough for both of us.
But then I showed a crooked finger's use of many wonders.
It's good for picking your nose because it gets around the corners.
And after seeing what my crooked finger does so well. My grandson's
eyes were wide and couldn't wait for Show and Tell.
He said he'd tell his class what Grandpa's crooked fingers do.
And when they got much older their's would do the same thing too.
I told him, "Run that past your mom. We might get in some trouble.
If no one likes your Show and Tell, she'll thump you on the noodle.
So, I heard him ask his father 'bout the Show and Tell new plan.
His father said, "Your grandpa is the craziest old man."
My grandson never got permission from his mom that day.
Was the Show and Tell, about my finger really worth the pay?
Well, Show and Tell was Tuesday and today is Saturday.
I haven't heard a word. Is trouble headed back my way?

Dream Flights

Jeremy Crawford, Southwestern Montana News

A few lucky local veterans got to take to the skies in a 1942 Boeing Stearman Trainer plane. The veterans left Pioneer Care around 8:45 a.m. this morning and were escorted to the airport by the Patriot Guard. Once at the airport they were able to inspect the biplane and hear about what made this plane so special. Pilot Molly Flanagan talked about the history of how this plane was used as a trainer for pilots then once it reached retirement the larger motor made them ideal for crop dusting. She also explained the dos and don'ts when in and around the plane. Once everyone was ready Veteran P.J. Mahoney was helped into the front seat and buckled in for his dream flight. The flights took participants for a fifteen-minute ride around the skies of Dillon.

Dream Flights is a nonprofit group whose mission is as follows:

We Give Back to Those Who Gave

Dream Flights is dedicated to honoring military veterans and seniors with the adventure of a lifetime: a flight in a Boeing Stearman biplane. As we make these heroes' wishes come true, our Dream Flights inspire them to share their stories. We collect, preserve, and share those stories of how they survived through times of great strife to remind us of our shared humanity, our connection to each other and the value of listening. Our Dream Flights close the generation gap and open us up to a clearer understanding of ourselves and our world.

MONTANA WESTERN FOOTBALL

The Montana Western football team toppled Eastern Oregon University in their 2022 home opener 48-14. They totaled 419 offensive yards and six touchdowns. John Mears also tacked on two field goals for the Bulldogs. The Bulldog defense came to play as they were able to rack up five takeaways from the Mountie offense.

"I was encouraged this week as the guys did a very good job of improving and made a big jump between week one and week two. It was encouraging to see our quarterback progress through his reads. Our offensive line was consistent in their run and pass blocking. Our defense was really good again today, despite a few lapses during the game. We have some work to do, but are pleased with the win." Coach Nourse said following the game.

How It Happened

The Bulldog defense started the game by forcing a fumble to take the ball away from the EOU offense on the opening drive. This was followed by the first of two Mears field goals to put the first points on the board of the game for the Bulldogs. The Bulldogs added three rushing touchdowns by Jon Jund, Reese Neville, and Colten McPhee, along with another field goal by Mears before Eastern Oregon was able to find the end zone with 1:53 remaining in the first half. The Bulldogs answered with another rushing touchdown by Jund to send the Bulldogs to halftime up 34-7. The Bulldog defense had three takeaways in the first half; including two forced fumbles and a 79-yard interception return by Braden Swank.

The second half started with a five minute and thirty-one second, 85-yard drive that culminated in a Jund 14-yard touchdown pass to Dylan Shipley. The Bulldogs went up 41-7 before allowing a 65-yard Mounties touchdown pass to Malachi Spurrier. The Bulldogs held the Mounties scoreless for the remainder of the game and added another Jund touchdown pass to Shipley with 13:24 left in the game. Linebacker Braden Smith forced a fumble and Reece Stanish intercepted a pass at midfield from EOU quarterback Tanner Sweek. The Bulldogs took over with 2:35 remaining in the game and successfully ran out the clock to claim their first victory of the 2022 season.

Notables

The Bulldogs offense sprang to life this week, racking up 419 total yards, six touchdowns, and two field goals.

Up next

The Bulldogs will look to carry this momentum into next week as they will be hosting #16 ranked Dickinson State (N.D.) at 1 PM MST at Vigilante Stadium.

MONTANA WESTERN VOLLEYBALL

The Montana Western volleyball team lost a back to back game slate tonight to (RV) Park University-Gilbert (6-4) and Arizona Christian University (3-3) at the Labor Day Festival in Arizona.

How It Happened

Montana Western (0-6) dropped sets, 24-26, 13-25, and 25-27 to (RV) Park University-Gilbert (6-4).

The Bulldogs started out the first set strong, battling back and forth throughout the set. Three straight kills by Jazi Smith helped the Bulldogs to take a four-point lead on the Buccaneers at 22-18. The Bulldogs pushed their lead to 24-22, but the Buccaneers seized momentum and battled back to top the Bulldogs 24-26. The Bulldogs kept it close in set two at 6-7 before a 12-3 run helped lead the Buccaneers to run away with the set and win 13-25. The Bulldogs bounced back in set three from a 18-22 deficit after a kill from Morgan Stenger tied the game at 24. Park-Gilbert took the last two points of the game, winning the set 27-25.

Montana Western (0-7) falls to Arizona Christian University 25-17, 22-25, 22-25, and 21-25.

The Bulldogs came out on fire in the first set against Arizona Christian winning it 25-17. The Firestorm was then able to gain momentum in set two that helped them take an early lead of 7-11. A kill and an ace from KayLee Kopp helped spark a Bulldog run that tied the game at 15. The Bulldogs were able to tie the game at 22 after back to back kills from Smith and Stenger. Despite the late Bulldog rally, the Firestorm strung together three straight kills to take the set 22-25. The Bulldogs came back out in set three and took a lead of 15-10 on the Firestorm. A 7-1 scoring rally by ACU flipped the score to 16-17. The Firestorm continued to carry the momentum to win the set 22-25. ACU led the Bulldogs in the fourth set 14-18 when the Bulldogs closed the gap to 17-18 behind a serving run from Ramyia Wendt. ACU ultimately outlasted the Bulldogs to win the final set 21-25.

DFL

2022 Dillon Football League – Kids' Flag Football

REGISTRATION: The DFL registration deadline is, Sept. 10th (the earlier, the better please), and games will begin Saturday, Sept. 17th. The coaches meeting will be Wednesday Sept. 14th at 7 p.m. in the Jaycee building at the fairgrounds. It is never too late to register, **but PLEASE register by deadline so we don't have to push the start date back one week (hunting season stuff).**

About the program: The DFL Kids' Flag Football program provides an upbeat recreational experience for boys and girls ages preschool through eighth grade. In addition to social interaction with other kids and the chance to learn the concepts of teamwork and sportsmanship, DFL provides players an opportunity to gain an understanding of the game of football and to develop basic skills that will increase the players enjoyment of the game.

The game: Boys and girls preschool through eighth grade are welcome. We play six-man, flag football in four age divisions: preschool/kindergarten/first (PK1), second/third, fourth/fifth, sixth/seventh/eighth. Games, played Saturday mornings and last about an hour.

Practices: League rules allow one practice per week, maximum length of one hour. Some teams practice Saturday before their game, others practice during the week. Coaches are encouraged to find a day and time that works for all players on that team.

When and where: Our games will be played on Saturdays beginning **Sept. 17th between 9 a.m. to 1 p.m. (teams will play one-hour game slots each week)**. The season runs five weeks, with the playoffs the last Saturday of the season (week five).

Cost: The cost is $20 per player, with a $40 maximum per family (2 or more – if you have six kids God bless you, all six can play for a total of $40), checks payable to **Dillon Jaycees**. Each player receives a team T-shirt. We have a scholarship fund to cover players who cannot afford the fee – we've never turned away a kid.

Questions: Feel free to call Nick at (847)345-7719 or Kelly at (847)563-0887. Our philosophy emphasizes sportsmanship, fun and equal playing time.

Two ways to register a player(s): (1) Mail the registration from to DFL, P.O. Box 334, Dillon, MT, 59725. OR **(2)** Drop registration off at the Elementary School (Miss Dena). Forms available online at **dillonjaycees.com**.
Please note: If the registration catches you between pay periods, submit your form and write a note in the memo section below saying when you'll be able to pay. FYI – It's never too late to sign-up, **but please sign-up as soon as possible.** ***PLEASE MAKE SURE FORM IS LEGIBLE***

WANTED - OLD AMERICAN MADE GUITARS 9/26 PD
Wanted- Old American made Guitars
Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.
The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ...These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...
I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...
If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
