daughter of a rancher, helping cook meals for the entire ranch staff, then as the high school sweetheart and wife of Richard Hilton.

As an active member of The Church of Jesus Christ of Latter-day Saints all of her life, Nora Lee was married and sealed for time and all eternity to Richard in the Idaho Falls LDS Temple on May 27, 1954. Together, they brought four children into the world, all born and raised in Dillon.

Nora Lee took her role as Grandma very seriously, radiating a warmth and selflessness that blessed the lives of all who knew her. A prolific quilter, she gave away hundreds of handmade blankets and quilts to family members and members of her church and community. She was a voracious reader and lifelong learner, she played the piano and organ, and she made homemade bread that could rival any bakery.

Nora Lee was a natural caregiver and possessed a spirit of service that saw her devote much of her time on Earth helping others. Together with her husband, she volunteered at her church in numerous callings, including as temple worker, family historian, and high school seminary teacher. A person of unending compassion, Nora Lee bettered the lives and lifted the spirits of many.

She is preceded in death by her parents and sister Lorraine Court.

Nora Lee is survived by her husband of 68 years, Richard Hilton; her four children, Richard (Lalove) Hilton, Kristine Hilton, Alan (Laurie) Hilton, LeAnn (Eric) Anderson; her brothers, Lester C. and Dallas (Sandy) Jones, and her sister Fern (Allen) Hill; as well as her 15 grandchildren and 28 great grandchildren.

A celebration of Nora Lee's life will be held on Saturday, September 10, 2022 at 10 AM at The Church of Jesus Christ of Latter-day Saints.

Trappers reminded of requirement for online course, in-person field day

There are only two remaining trapper education field days left this year before trapping season for most species begins on Nov. 1.

As a reminder, to purchase a Montana resident trapping license, trappers must complete the Montana Trapper Education Course online or have purchased a trapper's license in at least three prior years (in Montana or another state). The trapping course requires an in-person field day.

The trapper education course consists of an online component, an in-person field day, and a written test. This general trapper education course also satisfies the Montana wolf trapper education requirement.

The remaining field days are Sept. 17 in Billings and Oct. 15 in Kalispell. Trappers who still need to take a trapper education class must complete the online coursework and attend a field day if they wish to trap during the 2022-2023 trapping season.

To register for the online course and an in-person field day, go to <https://fwp.mt.gov/hunt/education/trapping>.

Volunteer trapper education instructors are still needed to help with field days. For more information or to be a trapper education instructor, please contact Wayne Cooperider at 444-4497 or at wacooperider@mt.gov.

Download a copy of the 2022 Wolf and Furbearer Hunting and Trapping Regulations for more information.

Important requirements

Youth 6 to 11 years old who wish to trap must purchase a youth trapping license and are exempt from the requirement to take a trapper education course until they are 12. However, youth trappers are limited to trapping only mink and muskrat.

Nonresidents are exempt from the trapper education requirement as they cannot purchase a trapper's license to trap furbearers in Montana.

Nonresidents who desire to trap wolves must still take the virtual wolf trapper education course (sign up for wolf trapper certification course here).

Resident trappers who have purchased a trapper's license during three previous seasons, but have not taken the wolf trapper certification course, must take the course to trap wolves.

Resident trappers who have not purchased a trapper's license in three previous seasons, but have taken the wolf trapper certification course, must take the trapper education course.

Montana Western Rodeo team

The Montana Western Rodeo team will be in Cody, Wyo. this weekend as they are opening at the Trapper Stampede hosted by Northwest College. The two-day rodeo will be the first of four weekend fall rodeos that the Bulldogs will be competing in.

Season Outlook

Last season, the Bulldog men's rodeo team placed second in the NIRA Big Sky region, falling one spot behind Montana State University. The Bulldogs sent six members to the College National Finals Rodeo in Casper, Wyo. Of the six, the Bulldogs are returning Trevor Kay who finished 15th in the nation in bareback riding and was the Big Sky region bareback champion. Carson Klingler who also finished 15th in the nation in the saddle bronc at the CNFR returns after placing fourth overall in the Big Sky region. Currently, Kay is sitting in first place of the Northern Rodeo Association's (NRA) standings for bareback and Klingler is sitting in second place in saddle bronc.

The women's rodeo team placed third in the region, sitting behind Montana State University (first) and MSU-Northern (second). Returning for the Bulldogs women's rodeo team is senior Ryland Lufkin. She finished fifth overall in the Big Sky region in breakaway and added numerous placings throughout last season, including two top five women's all-around placings. McKenna Schroeder will also be returning this season after a breakout freshman year and a solid spring season. Schroeder finished sixth in the women's all-around, eighth overall in barrel racing, and 10th overall in goat tying in the NIRA Big Sky Region.

The Bulldogs Rodeo team has also brought in numerous recruits this season, including 12 incoming freshman and eight transfers. Transfers Jhet Murphy, Teegan Leno, and Ty Christiansen will come in and compete well in their events. Murphy and Gavin Knutson will each be competing in three different events.

Currently, the Bulldogs have six team members who are in the top ten of the NRA standings. Garret Yeager is in fifth in steer wrestling, Mikayla Witter in second in breakaway, Matt Goings in eighth as header in team roping, Luke Murphy in third as heeler in team roping, and as previously mentioned Klingler is in second in saddle bronc and Kay is in first in bareback. They will be competing at the NRA Finals Rodeo in Kalispell, Mont. on Oct. 27-29.

The Montana Western home rodeo will be Sept. 30-Oct. 1 in Dillon. The fall rodeo schedule is as follows:

Sept. 9-10	Trapper Stampede #1 & #2
Sept. 16-17	Dawson Community College
Sept. 23-24	MSU-Northern Rodeo
Sept. 30-Oct. 1	Montana Western Rodeo

Montana Western Cross-Country

The Montana Western Cross-Country teams are beginning their 2022 season this upcoming Monday as they travel to Helena, Mont. for the Conference Preview Meet. This is the first of five scheduled meets for the season.

"Our practices have been really solid and consistent and that usually bodes very well for races. I'm hopeful that this will be a solid first race to build off of and learn from." coach Dylan Zitzer said.

Season Outlook

Last season, the Bulldog women's team finished at the Frontier conference meet in fourth place overall. Four runners were named to the academic all-conference team, including current runners Mason Baseley and Liz Varner. Eireann O'Connor was named to the all-conference team and joined Baseley as they traveled to the NAIA National Championship Meet. The women's cross-country team is returning five runners from last year. Of these runners, Baseley, Morgan Baseley, and Araceli Ramirez will be runners to watch this year as they will be competing in each of their senior seasons. Incoming freshman Cecily Eagleton is an incoming freshman to watch as she competes in her first college season. She is coming to UMW from Teton, Utah.

The men's cross-country team is returning six runners from last year's team after they finished fourth overall at the conference meet. Two runners were named to the academic all-conference team, including current Bulldog runner Luke Lutz. Lutz will be returning this season after a third-place finish at the conference meet earning him all-conference honors last season. He was the lone Bulldog men's cross-country runner who traveled to the NAIA national meet. The Bulldogs will also be returning all-conference runner Joe Lamb who placed eighth overall at the Frontier conference meet last season. Incoming freshmen Will Hyatt and Harrison Silverio will be runners to keep an eye on as they take to their first collegiate cross-country season. Hyatt comes to the Bulldogs from Thompson Falls High School out of Thompson Falls. Silverio joins the Bulldogs from Hamilton.

The Bulldogs will be running in the following meets for their 2022 season: Sept. 12, Frontier Conference Preview; Sept. 23, University of Providence Meet; Oct. 7, Montana Tech Invitational; Oct. 22, Great Lakes Invitational; Nov. 4 Frontier Conference Championships; Nov. 18, NAIA National Championships (Must Qualify)

WANTED - OLD AMERICAN MADE GUITARS 9/26 PD

Wanted- Old American made Guitars
Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ... I am looking for American made instruments from the 1960's and earlier.

The brands I'm most interested in are Gibson, Fender, Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...

I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...

If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
