DEATH NOTICE

Hubert Eugene Eslinger

February 27, 1927 - September 3, 2022

Betty Ann Strozzi

On the morning of September 1, 2022, surrounded by her loving children, Betty Ann Strozzi peacefully passed away after a nearly 4-month battle with a debilitating stroke. Betty fought hard to give her children one last gift in those 4 months. That gift was the ability to spend time with her and tell her how much we loved and appreciated her before her passing.

Betty Ann, the eldest child of Bessie Held McArthur and Archie McArthur, was born at home on October 21, 1933. She was later to be joined by her younger brothers Bob and Bill McArthur. Upon her father Archie's death in a 1937 mine cave in, Betty's mother, Bessie, moved with Betty and her brother Bob to her grandparents, the Held's, family ranch in Waterloo, MT. At the time of Archie's death, Bessie was 6 months pregnant with Betty's youngest brother Bill, who was also born at home in Waterloo. Surrounded by her grandparents, numerous aunts and uncles as well as her mother and brothers, Betty always said she had a very happy childhood in Waterloo.

Eventually her mother, Bessie, moved to nearby Whitehall with Betty Ann, Bob and Bill where Betty attended school and graduated high school in 1951. After high school Betty spoke fondly of the year she worked in Helena enjoying her life and independence.

On October 25th, 1952, Betty married her high school sweetheart and the love of her life, Neil Strozzi in Whitehall. Together they were blessed with six children: Terri, Gary, Kathleen, Jeff, Tim and Shawn. Betty was a devoted homemaker, wife and mother.

In 1965 Betty and Neil moved to Dillon to raise their family and grow the family businesses. For 23 years she was also a school hot lunch lady in the Dillon School system. She loved the children as well as her friendships with her co-workers.

Betty was very involved in all her children and grandchildren's activities and often traveled long distances for various events. Betty and Neil made many good friends in their life, and she dearly loved each one of them and their families.

**State prison employee who helped transfer
drugs to inmates sentenced to five years**

A Montana State Prison employee who helped inmates transfer drugs to each other was sentenced to five years after pleading guilty to two counts of conspiracy to commit transferring illegal articles. Three inmates were also sentenced for their roles. Prosecutor Patrick Moody in the Montana Attorney General's Office prosecuted the case.

In 2019 and 2020, Charles Blattler helped inmates of the prison send and receive drugs to each other including methamphetamine, suboxone, heroin, marijuana, and cocaine.

"I'm grateful to the Department of Corrections for their assistance and cooperation in investigating and holding these criminals accountable for bringing drugs into the State Prison," Attorney General Austin Knudsen said.

"The Montana Department of Corrections has zero tolerance for these types of activities in its facilities. We are thankful for the thorough investigation and aggressive prosecution by the Montana Department of Justice," Montana Department of Corrections Director Brian Gootkin said.

Others who were also sentenced in the case include Brett Russell McKeehan, an inmate who received 20 concurrent years after pleading guilty to conspiracy to commit distribution of dangerous drugs, Charles Dustin Rickett, who received 25 concurrent years after pleading guilty to conspiracy to commit distribution of dangerous drugs, and Zachary Tucker Martin, who received 3 years consecutive to his underlying sentence for conspiracy to commit transferring illegal articles.

Blattler was sentenced on August 31 by Judge Robert J. Whelan in Powell County District Court.

WANTED - OLD AMERICAN

MADE GUITARS

9/26 PD

Wanted- Old American made Guitars Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.

The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...

I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...

If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
