God's Country" Feature Film to Release Nationwide

With scenes filmed at the University of Montana Western, "God's Country" will be released later this month across 500+ theaters nationwide.

Set in western Montana, this film tells the story of a grieving college professor who confronts two trespassing hunters on her property. From there, an escalating battle of wills transpires with catastrophic consequences.

The feature-length film is directed by Julian Higgins. Based in Los Angeles, Higgins has gained success from his short films. Many of these films have been screened around the globe and recognized for prizes such as the gold medal Student Academy Award, two Student Emmy Awards and the grand prize for Canon and Ron Howard's Project Imaginat10n contest.

The script for the film was adapted from the short story, Winter Light, by James Lee Burke. Burke is The New York Times bestselling author of the Dave Robicheaux detective series and various other novels.

English actress, Thandiwe Newton, headlines the film. Newton is well known for starring in HBO's science fiction western series Westworld, having earned a Primetime Emmy Award for Outstanding Supporting Actress in a Drama Series.

The film premiered at the 2022 Sundance Film Festival and was filmed predominately in Montana. The Sundance organization is a champion and curator of independent stories for the stage and screen and provides and preserves space for artists in film and digital media to create and thrive, according to the Institute's website. Production of the film began in spring 2020, but was paused due to the pandemic for several months. Cold Iron Pictures filmed numerous scenes in the Livingston area before coming to Dillon in late March 2021. During this time, several scenes were shot on the UMW campus and inside historic Main Hall.

After much anticipation, God's Country is being released nationwide later this month playing in over 500 theaters across the United States. It will premiere in Dillon on September 16th at Big Sky Cinemas.

Gasoline and Vices

Bryce Angell

I guess I should be thankful for the gasoline high prices.
'Cuz now I don't have money left to pamper all my vices.
While filling up my Chevy truck, to feed its appetite,
the pump kept on a pumping like there was no end in sight.
The final numbers added up, one hundred forty-three.
I'm feeling for the oil baron. How does he make ends meet?
Then, I walked into the Elk Creek Store, to buy a lottery.
The kind you scratch, but seldom win. Just one more vice for me.
But my wallet fell a little short. My cash was in the tank.
I offered up a few choice words, to some a little rank.
All my check went in the truck to buy a tank of fuel.
About right then I guess I'd never felt more like a fool.
But then I recollected, I had stuffed away some cash.
A hundred in the jockey box, my secret gambling stash.
I fumbled through the glove box, but no money to my eyes. Just a stack of bills, some bottle caps and two well preserved French Fries.
Oh yes, my Massey tractor needed fuel and diesel sure ain't cheap.
I thought I borrowed fifty, but I must have took the heap.
The pump said eighty dollars, when filling my wife's car.
I didn't have enough cash left to buy my maple bar.
Is a maple bar a vice? I guess it tends to make you fat.
So, the price of gasoline has tossed my vices to the hat.
Got no money left for gambling. Not a single dime for drink.
I don't drink anyway but if I did that sure would stink.
I tell you something's gotta give, while filling at the pump.
'Cuz when I'm done, I always feel a bite out of my rump.
Are there any vices out there that don't cost an arm of cash?
I doubt they'd be a worthy vice, just trumped-up balderdash.
But one thing is for certain, 'bout these gasoline high rates. They've rounded up my vices. Who knows, I might see The Pearly Gates.

AG Knudsen announces agreement with JUUL Labs

Montana Attorney General Austin Knudsen announced that Montana will receive at least $6.1 million under an agreement in principle between JUUL Labs resolving a multi-state investigation into the e-cigarette manufacturer's marketing and sales practices. In addition to the financial terms, the settlement would force JUUL to comply with a series of strict injunctive terms severely limiting their marketing and sales practices.

The agreement also includes sales and distribution restrictions, including where the product may be displayed/accessed in stores, online sales limits, retail sales limits, age verification on all sales, and a retail compliance check protocol.

WESTERN FOOTBALL

The Montana Western football team topped No. 16 ranked Dickinson State Saturday afternoon by a score of 35-14. The Bulldog defense shined as they recorded six sacks and nine tackles for loss. Jon Jund led the Bulldog offense with 269 passing and 70 rushing yards, three touchdowns in the air, and two rushing.

How It Happened

The Bulldog defense set the tone of the game by forcing a Dickinson State three and out on the opening drive. The offense then followed up with a 10-play drive that ended in a 19-yard touchdown run by Jon Jund to put the first points on the board of the game. On the next DSU drive, James Aragon forced and recovered a fumble that put the Bulldog offense in scoring position. The Bulldogs capitalized on the play scoring another touchdown on a Jund 25-yard touchdown pass to Dylan Shipley. Dickinson State then got the ball after a fumble on UMW's 36-yard line and a 22-yard rush by Blue Hawk running back Riley Linder led to DSU's first score of the game. Just before the end of the first quarter, Dickinson's Isaiah Kludt returned a punt for a 77-yard touchdown run to tie the game 14. With 1:26 remaining in the half, the Bulldogs struck again with a Jund touchdown pass to Reese Neville to give the Bulldogs the lead at 21-14. The Bulldog defense had four three and outs in the first half.

The Bulldogs would hold Dickinson State scoreless for the remainder of the game while adding two touchdowns of their own. After a three and out forced by the DSU defense, the Bulldog special teams made a big play when Pete Gibson recovered a muffed punt on the Dickinson 34-yard line. The Bulldogs answered quickly by scoring on the next play on a Jund touchdown pass to Shipley. The Bulldog defense made a big play on fourth down when Aragon sacked DSU quarterback Aaron White for a turnover on downs. The Bulldog offense then put up their final points of the game off of a Jund four-yard rushing touchdown that capped off a 7-play 68-yard drive. The Montana Western defense continued to stifle the DSU offense as the Bulldogs finished off their victory over #16 Dickinson State 35-1.4

Dillon Middle School News September 12-16

The lunch menu for the week is as follows: Tuesday, Shepherd's pie will be served with a biscuit and fruit. On Wednesday, we will have Pork Chop Sandwiches served with coleslaw and fruit. Then on Thursday, we will enjoy beef stroganoff and a dinner roll . Friday, fried chicken and macaroni salad will be served.

This week in sports… 6th grade girls' volleyball will begin after school. The girls must each have a physical in the office and the online concussion/activities packet completed. Sixth grade girls participating in volleyball will change out in the DMS girls' locker rooms and then travel with their coach to practice in the cafetorium. They will be picked up at the main DMS doors after practice.

This week in cross-country, the 7th and 8th grade runners will travel to Anaconda, on Tuesday, September 13th. The bus will depart at 1:30 PM and the meet will begin at 3:00 PM. Football also travels on Tuesday, September 13th to Butte East. The bus will depart at 2:15 PM. The 7th grade game will begin at 4:00 PM followed by the 8th grade game at 5:00 PM.

In 7th and 8th grade volleyball this week: the teams travel to Anaconda on Monday, September 12th. The bus departs at 2:15 PM. The 7th grade will play in the Lincoln gym, while the 8th grade will play in the Moodry gym. "B" teams will play at 4:00 PM, followed by "A" teams at 5:00 PM.

Then on Tuesday, September 13th, the "A" teams will host Butte Central. These games will be played in the Parkview gym. Seventh grade will begin at 4:00 PM followed by 8th grade at 5:00 PM. On Thursday, September 15th, all four teams will host Butte East. Seventh grade will play in the DMS gym and 8th grade will play in the Parkview gym. "B" teams will play at 4:00 PM followed by "A" teams at 5:00 PM.

Seventh graders interested in running for vice president, and eighth graders interested in running for president…hopefully you have already signed up with Mrs. Korpi, the student council advisor. If not, today is your last day to do so. Campaigning will begin tomorrow, Tuesday, September 13th and continue until the 21st. At that time, presidential hopefuls will give their campaign speeches during an 8th period assembly. Afterwards, voting will take place in your eighth period class. Good luck to everyone and stay tuned for information on running for student council.

Students, please remember to get all your paperwork into the office as well as any online forms filled out. We are off to a strong start at DMS for our 2022-23 year.

WANTED - OLD AMERICAN MADE GUITARS 9/26 PD

Wanted- Old American made Guitars Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.

The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...

I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...

If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
