Dillon Baseball and Softball Association

The Dillon Baseball and Softball Association would like to thank everyone that helped us meet our goal for 2023 High School Baseball! We have such amazing people in our community that truly have big hearts! We could not have done this without everyone that volunteered time, purchased tickets, or made a cash donation. A special thank you to our prize donors, Stock Drive Trailers, BackCountry Montana Adventures, R.L. Winston Rod Company, Shepherds Garage, Beaverhead Motors, and Badger Archery.

The winners of the High School Baseball Raffle are:

Tim Tollett, was the first ticket drawn which meant he was able to have first pick of the prize list. He chose the 2022 Honda Four-Trax Rancher 4x4 ATV from Beaverhead Motors

Ben Carroll, was the second person drawn. He chose the Sportsman Package, which included a R.L. Winston Air 2 Fly Rod, Bauer RVR Fly Reel, R.L. Winston Energy Fly Line all from R.L. Winston Rod Company. Savage Axis 25-06 with Scope, from Rocky Mountain Supply. PSE EVL 32" Sitka Subalpine Wrap with Ripcord Rest and Trophy Site, Badger Archery

Tom Holland, he is the proud new owner of the 2022 Toro Titan 60" Deck Havoc Edition mower and the 2022 HH 10' utility trailer from Stock Drive Trailers.

Congratulations to our winners!

Thank you again to everyone that helped DBSA get High School Baseball.

Thank You!

Thanks to the Jaycees for honoring me as the "Labor Day Parade Marshall!"

We couldn't have chosen a better community to begin a business than Dillon. What a pleasure to live and serve the people of Dillon and surrounding areas. These communities are full of hard working, friendly, proud, honest "cream of the crop citizens." It's an honor to call you "my friends."

I've seen lots of changes over the last forty years but the Jaycees, along with so many others have been there every year with enthusiasm, dedication and hard work to assure we have a successful weekend!

Long live "Labor Day Festivities!"
God Bless You, God Bless American.

PATRIOT GUARD RIDE

Jeremy Crawford, Southwestern Montana News

A group of Patriot Guard riders pulled into the Town Pump parking lot early Sunday to do what they pledge to do for the veterans of our country. The members of Montana's Patriot Guard had with them a very special package. They had the remains of a desert storm veteran who passed away in Kalispell and needed to be sent back to his family in California.

The Veteran's wife did not trust having the remains sent through the postal service in fear of them being lost and or mishandled. That is when the Patriot Guard stepped in and offered their assistance to help transport his remains in dignity back to California. Riders met in Kalispell and took possession of the remains and started a pony express type of service across the country.

The Montana chapter carried them from Kalispell to Dillon where they stayed the night, with Jim Cherney the Montana State Captain of the patriot guard. They would then meet up at the big town pump and leave Dillon with a police escort. The riders would then keep on I-15 and head to Dubois Idaho there they would handoff the remains of the veteran to another patriot group who would help continue his journey home.

In all, multiple Patriot Groups would be involved and the veteran's remains would be handed over to his wife and family Monday, September 12th.

Montana Western Bulldog Ambassadors Announced

The Montana Western Bulldog Ambassador Program supports the Admissions and Communications Offices with promotional efforts and recruitment each academic year. Following a selection process in which students are interviewed and submit application materials, Bulldog Ambassadors embody what it means to be a student leader and advocate for Montana Western by providing engaging ideas for social media campaigns that share the impact of Experience One, capturing photos of student life, and leading campus tours. The Montana Western Foundation provides \$1,000 scholarships to each Ambassador for the academic year.

Shae Anderson

Born in Dillon, Anderson grew up in Bigfork, Montana, spending most of her summers creating cherished memories traveling with her parents to rodeos. She was very involved in sports during high school, continuing her basketball career at Spokane Falls Community College. After graduating with an Associate of Arts degree, family ties led Anderson back to Dillon. She is currently pursuing a bachelor's degree in elementary education.

sister and brother. She experienced growing up in a small town with a great community foundation where she participated in 4-H and gymnastics and helped on the ranch. Drawn to Montana Western by the block schedule, Eathorne wanted to stay at UMW because of the close-knit community atmosphere of Dillon. She is working towards completing her bachelor's degree in business.

Kelsey Goddard

As a sophomore student-athlete, Goddard is no stranger to getting involved on campus. Originally from Las Vegas, Nevada, she was immediately drawn to Montana Western's Experience One program and block schedule that allows students to focus on one course at a time. Goddard is majoring in psychology with a minor in kinesiology.

Raina Mortenson

Mortenson is currently a junior working towards a Bachelor of Science degree in kinesiology. Originally from Dodson, Montana, UMW has proven to be a great fit. She is actively involved on campus with the Athletic Department and serves as an Assistant Coach for Excellence and Success as a member of Montana Western's ACES program, which focuses on student retention and mentorship.

Loran Murphy

Following in her parents' footsteps as educators, Murphy is a senior majoring in elementary education with minors in special education and psychology. She is the oldest of three sisters from Ballantine, Montana. Murphy's wide range of involvement on campus includes organizing and attending events and serving as an Orientation Leader and Resident Assistant for two years.

Volleyball National Player of the Week

The NAIA released its week three Volleyball National Player of the Week honors on Tuesday Morning. Montana Western's Peyton Vogl (Townsend, Mont. / SO) has been named National Defensive Player of the Week. This is a historic moment as Vogl is the first volleyball player to receive this honor in Montana Western volleyball program history.

Vogl had an astounding weekend after the Bulldogs went a perfect 4-0 at the Frontier/North Star Conference Challenge after defeating Dickinson State (N.D.) 3-1, Valley City State (N.D.) 3-1, Presentation College (S.D.) 3-0, and Mayville State (N.D.) 3-0.

Vogl led the Bulldogs and the Frontier Conference on the week with 1.64 blocks per set and totaled 23 blocks in four games. Vogl also added 32 kills on the weekend for the Bulldogs. Vogl leads the Bulldogs this season in blocks with 46 total blocks, averaging 1.1 blocks per set.

"Peyton has worked really hard, not only this year, but the past few years and is extremely deserving of this award." Coach Katie Lovett said. "Her blocking has improved each game we have played. I am very excited and proud that she is the first Bulldog ever to receive a national player of the week award."

Not only is this a first in school history, this is also the first time in the coaching career of coach Katie Lovett to have a player achieve NAIA National Player of the Week honors.

WANTED - OLD AMERICAN MADE GUITARS

9/26 PD

Wanted- Old American made Guitars Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier.

The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...

I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ...

If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
