Gerane Marion Block

Aug 17, 1928 – Sept 7, 2022

Mother danced her way into Heaven, September 7, 2022. The Block Family expresses our appreciation to the Dillon

Community for supporting her on her journey, including Home Health, Hospice, Legacy Senior Living, hospitalists and nursing staff at Barrett Hospital, Pastor Daniel Triller and Brundage Funeral Home.

Gerane was born in Ann Arbor, Michigan, to Marion Hauser, a single mother. Her mother died when she was young and she was later adopted by Anna and Charles Johnson. Mother grew up tough, aided by the help of a couple of a step sisters. That toughness carried through her entire life. She married Daniel Block on March 22, 1946, in

Milwaukee, Wisconsin. Their marriage was about a year after Victory in Europe Day ended WW II hostilities on Continental Europe. Mom was a 17 year old WW II bride and Dad was a veteran back from serving in the Eighth Air Core Bombardier Group stationed in England.

Mother was an artist, musician, gourmet cook, devout Christian, and a clothes horse who liked to wear her bling. Gerane was proceeded in death by her husband, Daniel G. Block. She is survived by her sons Garth (Paula) and Bryan (Terri), grandsons Zachary (Melissa), Machi (Christine) and Daniel (Tara) and by great grandsons Caden and Dillon.

Her parents were against the marriage, with her so young and such a short courtship of only 3 months, but it is hard to ride herd on young love and hot blood. With their marriage, Mom traded city life in Milwaukee, Wisconsin for a log cabin off the grid near the North Fork of the Flathead River in northwestern Montana. No water, no electricity, 70 miles from town and 6 miles from the Canadian Border. During the late 1940s, they were snowbound from late November until mid-April. Dad built the cabin and the first winter the logs were not yet chinked. Mom recalls waking up some mornings with a dusting of snow on the bed covers.

Dad had a fur farm in those early days and raised mink. He started with 7 breeding stock and got up to 75 mink within three years. What he could not control were fur prices and with Russia and Japan dumping furs on the world market, the prices soon collapsed, leaving him with lots of hard work but little economic return. It was a daily struggle to keep

the wolf away from the door, or in their case, as it happened to be in northern Montana, bears. Dad worked trail crews for the Forest Service and they packed horses and mules into the back country west of Glacier Park clearing trails. On more than one occasion, he returned to the tent camp to find a bear having a ham sandwich and a can of

beans. He soon learned to store the food under water in the mountain streams where the bears could not smell the food. The tents were large canvas wall tents with door flaps on both ends. Dad learned another thing, which was to keep both doors to the tent open when they were out working the trails. A bear, once in the tent, would invariably choose a different way to leave and if there was only one opening, the bear would tear down the tent trying to get out. Dad noted this same thing at his cabin. A bear would break a window to get in and then after eating all the food and rearranging the furniture, would break a different window to leave. Alone while Dad was away on trail crews, Mom spent more than one night beating a pan with a wooden spoon to keep the bears at bay. To this day, one of those bears gives a cold stare as he hangs from the wall in Mom's art room.

Celebration of Her Life will be held at Legacy-Beehive Senior Center in Dillon at 2:00 P.M. on Thursday, September 22, 2022.

COMMUNITY MEETING

The Beaverhead County Collaborative is hosting a community meeting on September 15, from 1-2 pm to present its work to unify recommendations for Hidden Pasture. Community input and questions are invited.

Stakeholders include local landowner, elected officials, agricultural, lumber, recreation and conservation interests.

The Beaverhead County Collaborative (BCC) was formed in June of 2021 by a diverse group of stakeholders coming to address federal WSA recommendations and related management issues in the county. The Hidden Pasture Wilderness Study Area (WSA) was the focus of previous state resolution and federal legislation initiatives, and these past efforts have created the opportunity for the BCC to convene. The members of the BCC recognize that nothing is accomplished without all sides coming together to find mutual agreement.

The BCC will come to mutual agreement that will identify and advocate for specific management actions and desired conditions on specific federal land parcels within Beaverhead County. These areas will be organized at a watershed level. This agreement document will be shared with federal land managers, elected officials, and others who can help implement the recommendations reflected in the agreement. The specifics of the agreement document will focus on the common visions and values that the groups' stakeholders share for these federal public lands within the county.

Grizzly bear euthanized near Choteau

After confirming that a collared grizzly bear killed livestock along the Rocky Mountain Front north of Choteau, Montana Fish, Wildlife & Parks assisted the U.S. Department of Agriculture Wildlife Services in euthanizing the bear after obtaining the necessary approval from (USFWS).

The bear had first been captured and collared in 2021 in a trap set due to cattle depredation. It was unknown at the time if the trapped bear had killed the calf or was scavenging the carcass, so it was collared and released on-site. Later in 2021, the bear was documented to have visited two other livestock conflict sites (one calf and one sheep), confirmed by trail camera and collar data, but it evaded attempts to capture it at that time.

On Sept. 5, landowners reported another sheep had been killed, and FWP and Wildlife Services technicians responded and confirmed the sheep was killed by a bear. Collar data from the bear showed it was present at the kill site at the time of the conflict, and after obtaining USFWS approval to lethally remove the bear, the 4-year-old male bear weighing 386 pounds was shot and killed on Friday afternoon. The hide and head from the bear were salvaged and will be used for educational purposes.

Fall sports for UMW are in full swing

Volleyball

Fresh off of an outstanding 4-0 weekend in Havre, Mont., the Bulldog volleyball team will be traveling to Billings, Mont. to compete in the Frontier Conference Preseason Tournament. Their schedule will be as follows:

Thursday 9/15 vs. University of Providence @ 5 p.m. MST

Friday 9/16 vs. #14 Montana Tech @ 1 p.m. MST

Saturday 9/17 vs. MSU-Northern @ 9 a.m. MST

Saturday 9/17 vs. RV Rocky Mountain @ 1 p.m. MST

RODEO

After a successful weekend in Cody, Wyo., the Montana Western Rodeo team will be on the road against this weekend traveling to Glendive Community College for a two-day rodeo event. The Bulldogs are coming off of a weekend where the men's team won the first rodeo and the women's team won the second rodeo at the Trapper Stampede. Harley Beasley won the women's all-around buckle last Saturday and there were numerous top five placings.

RESULTS: Glendive CC Rodeo Results

CROSS COUNTRY

UMW Cross Country had a change of plans for this week as the air quality postponed their original date for the Frontier Conference Preview Meet. The Bulldogs will now be traveling to Bozeman to compete at the MSU Cross Country Classic on Saturday. The women will be running a 5k starting at 9 a.m. and the women will be running an 8k beginning at 9:45 a.m. at the Bridger Creek Cross Country course.

FOOTBALL

The #19 ranked Bulldog football team (2-1) is looking to add to their two-game win streak as they travel to Havre, Mont. to face off with MSU-Northern (0-2) on Saturday @ 1 p.m. MST. Western comes into the matchup after a big 35-14 win over RV Dickinson State last week. MSU-Northern comes into the contest after a bye last week. A win for the Bulldogs would give them their second win in conference play this season.

The Beaverhead Trails Coalition September Monthly Meeting!

Join us for our Monthly Meeting this Thursday, September 15th
from 5:30 pm to 7:00 pm at the Sheriff Annex's conference room.

Veteran's Corner Update #168

By Mike Lawson

Our Marine Corp League, here in Butte, with the help of our non-Marine veteran friends, have been doing the Hunter Safety firing line for over 20 years. Once again we helped these Hunter Safety kids, learn to shoot, learn proper gun safety/protocol and improve their shooting skills at the Butte Gun Club. Our veterans, who were their mentor/coaches, did a wonderful job of putting these kids at ease, teaching them to shoot in a safe manner and have respect for the rifle they were shooting.

Shannon Ray who is the "Disabled Veterans Outreach Coordinator/Workforce Consultant, told me that the popular Department of Labor and Industry's "Assistance for Business Clinics" are returning this fall. These are in person sessions that provide business owners, accountants, bookkeepers, human resource professionals and attorneys with updated information on topics important to businesses. If interested please call the Job Service and ask to talk with Shannon Ray at 406-494-0300.

A tragedy among our veteran population is the suicide rate among veterans. Families who have lost a veteran through suicide are called Green Star Families. Two National Archives artists painted a 6' x 8' wide painting on burlap that depicts a solitary Green Horse on a white background. Operation Mariposa is sponsoring a multi-state suicide awareness events which will see this painting being escorted from Neah Bay, Washington to the Lincoln Memorial in Washington, D.C. (Joint Operation Mariposa). VFW Post #1448 on September 3rd, sponsored this Green Horse Painting stop-over in the evening at the Marine Corps League Det 724's Hooch. It will go to other spots in the state and country until it reaches it's final destination in Washington, D.C. I was at this event and the painting was incredible.

American Legion Veteran function is putting up the white crosses along our highways that depicts where someone was killed in a highway accident. In 1953 the State of Montana officially adopted the "White Cross Program" as a safety program. Markers shall not be a distraction but be a reminder of hazards on the road. These crosses are not a monument and will not be decorated.

Many of you may have heard that the VA temporarily closed the Miles City "Montana Community Living Center" in April 2022, due to patient safety concerns. After addressing these concerns and improving staff and operations it reopened.

Interesting Facts: Montana VA serves over 47,000 enrolled veterans across Montana—an area roughly 147,000 square miles in size. Veterans are cared for by a staff of 1,400 at 18 sites of care across the state. One third of Montana VA employees are Veterans.

Missoula's Center For Community Ownership Presents Workshop Series on "Local Investing In Montana"

Americans now have \$56 trillion in stocks, bonds, mutual funds, pension funds, and insurances funds—nearly all of it invested in global corporations. If Montanans could shift even a small amount of their financial capital from Wall Street to Main Street, its communities would truly flourish.

But how?

Nationally acclaimed local investing expert, Michael Shuman, will answer that question and others in a four-part workshop series on "Local Investing in Montana," which will begin in October. Shuman will share a range of practical strategies for how all Montanans - regardless of their wealth or income levels - can be local investors in business, real estate, energy projects, their community, their neighbors and themselves.

Shuman will review why local investment matters, what kinds of local investments to look for, how to find and evaluate them, and where to find the financial resources to support them.

"I've done work in several different Montana communities, and everyone I meet there is always so proud of their communities and committed to making them better," Shuman said. "This event will provide people with the tools to translate that passion into action."

"Local Investing in Montana" will take place online in four 90-minute sessions between October 4th and November 1st.

This workshop series is presented by Missoula's Center for Community Ownership and is "pay what you can". More information and a link to registration can be found at the Center for Community Ownership website (<https://www.centerforcommunityownership.org/blog/local-investing-in-montana-workshop-series-oct-4-nov-1>).

For those not quite ready to commit to the full workshop series, there will be a free introductory webinar on Sept. 27th that will provide an overview of the topic. More information and registration for that free webinar are at this link: <https://forms.gle/WeJNvzV58CzWYnc99>

About the Center for Community Ownership:

The Center for Community Ownership (<https://www.centerforcommunityownership.org/>) is a community economic development organization that provides education and support to help communities start and save businesses using community ownership and community investment strategies.

WANTED - OLD AMERICAN

MADE GUITARS 9/28 PD

Wanted- Old American made Guitars

Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working

) and I am trying to find guitars to play like those I had in my younger

years ... I am looking for American made instruments from the 1960's

and earlier. The brands I'm most interested in are Gibson, Fender,

Martin, Gretsch and some by Guild and Mosrite ... These are the instruments

that suit my music and playing the best. I'm interested in both electric

and acoustic instruments and also old tube amplifiers from that era as well... I

want them to Play (I'm not a collector) so they don't have to be in pristine

mint condition; used but not abused is fine. I'm just after instruments that

haven't been altered and have their original parts and electronics so that

they sound and play like they did back when I used to own them ... If you

have something like that that you might consider selling I'd love to hear about it

! If it's something I really want or could use I would pay in cash and drive up

there to pick it up ... Please feel free to call or text me at

(801-319-1109) and Thanks so much for taking the time to read this!

BARRETT HOSPITAL & HEALTHCARE

Where people come first.
100 years and counting.

Barrett Hospital & Healthcare Competitive Wages and Great Benefits Package!

To apply, please go to www.barrethospital.org and complete an online application.

For more information, please email careers@barrethospital.org. Barrett Hospital & HealthCare is proud to be an Equal Opportunity Employer.

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations.

Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing.

This is a full-time position and is eligible for the full benefit package. In addition, there is a PRN position available.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications for interested PT's and PTA's to join our Rehab team. We offer highly competitive wages and full compensation package, 1:1 patient care and flexible scheduling. Therapists are afforded the opportunity of a diverse caseload including inpatient, outpatient, aquatics, and home health care for adults and pediatric patients. Opportunities exist for this caseload to be tailored to the candidates experience and desires.

Pediatric experience or interest strongly desired.

Minimum Qualifications:: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required.

This position is a full-time position and is eligible for the full benefit package.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required.

This is a PRN position.

Perioperative Services Manager

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available ****

Barrett Hospital & HealthCare invites applications to fill a manager position to join our Peri-Operative Services team. The Perioperative Services Manager administers, supervises, and coordinates peri-operatives services including operating room, PACU, outpatient surgery, ambulatory care, central scheduling, and sterile processing. The peri-operative manager is responsible for the overall direction, coordination, and evaluation of the surgical and endoscopic services for the organization. The manager is responsible for budgeting; employee supervision; planning and directing work of employees; and addressing complaints and resolving problems within and between departments, continually collaborating with Surgeons and Anesthetists. This position also evaluates clinical practices to maintain high standard of care and implements improvements as needed. Hands on clinical care is required in this position.

Minimum Qualifications: Bachelors' degree preferred. A minimum of five years in previous peri-operative and/or in a healthcare/clinical background such as nursing or other related experiences required. Consideration of education and related experiences may be evaluated for outstanding candidates in lieu of degree requirement. Previous surgical services management experience preferred.

This position is a full-time position and is eligible for the full benefit package.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and always exhibits professional demeanor. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position.

Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification.

This position is a full-time position and is eligible for the full benefit package.

Licensed Practical Nurse – Clinic

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Licensed Practical Nurse (LPN) position to join our Clinic team. The LPN assists in the management of patient flow and assisting physicians with assigned procedures. The LPN also is responsible for taking, screening, and initiating necessary telephone calls to patients, maintaining exam rooms, stocking of supplies, ensuring cleanliness and sterility of necessary equipment, and administration of medications and injections, as ordered by physicians. The LPN is responsible for maintaining complete and accurate electronic medical record documentation. As a member of an interdisciplinary team, successful candidates will have a passion for customer service excellence, compliance, compassion, and genuinely enjoy working with the public. Successful candidates will have a passion for customer service excellence, teamwork, and enjoy working with the public.

Minimum Qualifications: Current Montana LPN licensure and Basic Life Support (BLS) are required. Three to five years related healthcare experience and/or training preferred; or equivalent combination of education and experience may be considered for outstanding candidates.

This is a full-time position and is eligible for the full benefit package.
