University of Montana Western Offers New Pathway to River-Based Careers

The River Management Society (RMS) is excited to announce a partnership with the University Montana Western benefiting students who are passionate about river science, recreation, and conservation. UMW now offers the River Studies and Leadership Certificate (RSLC) to students, bringing them one step closer to landing their dream river careers.

"The certificate helps prepare undergraduate students for a variety of river-based careers through interdisciplinary coursework, hands-on professional experience, and opportunities to meet and learn from current river professionals," noted Angie Fuhrmann, RMS River Training Center Coordinator. "Students will get to explore and study river systems in ways that integrate the life and earth sciences, policy and conservation, socio-cultural and economic factors, education, and recreation."

The RSLC is a natural complement to the Environmental Sciences program at UMW, where students learn how water moves and is distributed, gain field experience surveying and sampling rivers, engage in local water policy and management issues, and practice communicating water science with public audiences. Students participating in the RSLC program will receive a free one-year membership to RMS, which includes a subscription to the RMS Journal and access to national and regional events including river trips and virtual and in-person workshops. Students will share their river-related work at the RMS Symposium or by publishing an article in the RMS Journal.

"I am excited for our students and myself to be connected with a network of other students, academics, and practitioners invested in river science, management, and recreation," said Dr. Arica Crootof, the university's RSLC advisor. "This partnership really helps to expand educational opportunities for our students and offers a supportive community to build new skills and relationships around water."

Students interested in participating in the RSLC program at UMW should contact Dr. Crootof at arica.crootof@umwestern.edu or visit her in Block Hall 123 on the Montana Western campus.

Visit <https://www.river-management.org/river-studies-leadership> to learn more about the program.

"Off the Leash"

In a continued effort to showcase Montana Western current and former student-athletes as more than just a number on a jersey, UMW Athletics continues on with its regular web series titled "Off the Leash".

Off the Leash Series #4: Former Bulldog Jalen Hodges to Play Professionally in Iraq

Former Bulldog men's basketball standout Jalen Hodges has signed his first professional contract with the Iraqi team Ghaz Al-Shamal. Jalen played for the Bulldogs during the 20-21 and 21-22 season. Hodges had a phenomenal senior year as he averaged 16.1 ppg, 5.3 rpg, and shot 52.4% from the field. During his two years as a Bulldog, he was named First and Second Team All-Conference, NAIA All-American honorable mention, and won the 2022 NAIA Slam Dunk contest. Hodges transferred to UMW after a season at NCAA division II Florida Tech and two seasons at Wallace State Community College.

After an interview with Jalen, he shared the many motivations behind his journey and where he hopes to be heading with this decision. "My main motivation is my family of course first and foremost. I like to say they hold me very accountable to my actions in whatever I do. They just give me the reality of life. Ever since I was young, they've always been my number one supporter, so I only can give it back to them." Hodges said in an interview. "Being a Bulldog, being in Montana, and being away from home for a long period of time, it allowed me to regain a new family here and allow me to find new motivations. They helped me to feel very comfortable and they just made the process of me becoming a professional athlete so much easier. My goal is to always just grow and become a better person and a better man. To improve basketball wise, to improve my basketball IQ and to be a better player. I hope to take the right steps to get to the next level somewhere like NBA or play professionally in Europe." he continued.

Hodges' advice others was to "always just stay true to yourself, always be whatever you want to be, and stay on that path. Don't let anyone steer you away from that path, always be confident in yourself, consistent and stay in the gym because the work will show." Hodges said.

"I am so unbelievably proud of Jalen! He came to Western as an unknown player and left his mark on our program as a 2-time All American. I hope Jalen brings as much joy and humor to his pro team as he did to ours. On behalf of myself and every Dawg, we wish Jalen all the best in the Pros!" Bulldog men's basketball coach Mike Larsen stated.

Letter to the Editor

Over the years I have attended fairs at the Madison Jefferson County Fair in Twin Bridges, the Tri County Fair in Deer Lodge and of course the Beaverhead County Fair and Rodeo in Dillon.

I truly believe that every County should have a fair every year. The young people need to have projects whether livestock or crafts. This gives them a feeling of accomplishment and they learn responsibility. Grown-ups need to make new friends and renew old friendships and what better way to accomplish this.

This helps to hold a community together.

Jules Marchesseault

Letter to the Editor

Is there any real justice in America? You can drive your own car but if you don't wear a seat belt you get fined. Yes your own car. You don't have a choice.

But here is the other side of justice. A man steals top government secrets out of the White house and takes them home. And nothing happens to him. Nothing!! Where is the justice?

I sure hope he was wearing a seat belt when he stole those secret government documents

Kick-off event in Helena for youth pheasant, waterfowl hunts

In partnership with the Headwaters Chapter of Pheasants Forever, Montana Fish, Wildlife & Parks will host a kick-off event in Helena next week in advance of the state's youth pheasant and waterfowl hunt.

The Region 3 kick-off event will be at 6 p.m. on Tuesday, Sept. 20, at FWP's Montana WILD Education Center, 2668 Broadwater Ave., in Helena. This event will give interested hunters and their families an introduction to pheasant and waterfowl hunting, and opportunities to connect with mentors and win prizes.

Montana's youth pheasant and waterfowl hunt is Sept. 24 and 25. The two-day hunt is open to:

Legally licensed 12- to 15-year-olds who have completed hunter education and who are accompanied by a non-hunting adult at least 18 years of age. Properly certified and legally licensed apprentice hunters 10 to 15 years of age, who are accompanied by a non-hunting adult "mentor" at least 21 years of age

All regulations apply. Shooting hours during the youth waterfowl hunt are different at Canyon Ferry Wildlife Management Area—they will be 30 minutes before sunrise to noon on Sept. 24 and 25 for waterfowl hunters. Low water levels in the ponds at Canyon Ferry WMA may restrict boat access. Other kick-off events are happening throughout the state. Visit FWP's website for more information.

WANTED - OLD AMERICAN MADE GUITARS 9/26 PD

Wanted- Old American made Guitars

Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ... I am looking for American made instruments from the 1960's and earlier. The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well... I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ... If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at

(801-319-1109) and Thanks so much for taking the time to read this!
