Hubert Eugene Eslinger

February 27, 1927 - September 3, 2022

H. Eugene Eslinger went to be with his Lord on Saturday, September 3, 2022, at the age of 95. He passed away peacefully after several months of increasing weakness. "Daddio" is lovingly remembered by his two daughters; "Grampa" is greatly missed by his grandchildren; and "Gene, "Uncle Gene," "Pastor Gene," or "Mr. E" is also fondly

remembered by many relatives, friends, and former students.

Gene was preceded in death by his loving wife Irene in January of 1998; parents John and Mary Eslinger; brothers Glenn and Norman; and sister Zoe Mundt. He is survived by his two daughters, Becky and her husband David Allen of Naknek, Alaska, and Ruth and her husband Jim Grosse of Dillon, Montana; seven grandchildren and thirteen great-grandchildren.

Gene was born in Fort Smith, Arkansas, February 27, 1927, later moving with his family to McAlester, Oklahoma, in 1936. After serving at the Pearl Harbor Pacific headquarters during World War II, he attended and graduated from Oklahoma State University with a B.S. in Mechanical Engineering. This was followed by employment in industry at Allis Chalmers Manufacturing Co. in Milwaukee, Wisconsin.

It was in Milwaukee where Gene heard the Gospel of Christ and received Him as his Lord and Savior. This deep impression stimulated him to attend and graduate from Baptist Bible Seminary in Johnson City, New York. There he became closely acquainted with Irene Tachick. After Gene and Irene's marriage in 1953, they went to northern Wisconsin for their first ministry. They began Bible studies in several locations in that area, eventually bringing four groups together in Wausaukee and building Immanuel Baptist Church.

After ten years in northern Wisconsin, Gene and Irene continued founding or developing churches in several locations that included Munising and Escanaba, Michigan; Staples, Minnesota; Algoma and Green Bay, Wisconsin. They also founded Christian Fellowship Academy in Green Bay, serving many students for 16 years. It was there in 1998 when Irene passed away from pancreatic cancer. She was laid to rest at the Wausaukee Evergreen Cemetery where Gene will join her. Beginning in 2000, Gene began a ministry to inmates in Green Bay and ultimately at many of the Wisconsin state prisons. When he moved to be near his daughter Ruth in 2006, he continued to write a weekly Bible message to those inmates, continuing faithfully in that ministry at least monthly until the spring of 2022. From 2006-2022 Gene lived in three locations: Elhart, Kansas; Castle Rock, Colorado; and Dillon, Montana.

The Crown of the Continent & High Divide Connection Thursday, September 22 6:30 pm

Come to the Patagonia Outlet in Dillon, Montana, to learn from Rick Graetz an University of Montana Mountain Ecosystem professor in UM's Honors College, and Susie Graetz, a Senior Fellow in UM's Center for the Rocky Mountain West, who will present through photography and a narrative presentation: The Crown of the Continent and High Divide Connection.

Rising in northwest Montana, southern Alberta and British Columbia, a swath of elevated geography is cast on a colossal scale - immense, vast, and dramatic...the Crown of the Continent!

Defined by 337 miles of the Continental Divide, this mountain ecosystem is considered one of the planets most intact and pristine gathering of nature's masterpieces. Stretching from Mt Joffre in British Columbia, to McDonald Pass west of Helena, it holds Glacier National Park, the Bob Marshall, Scapegoat and Great Bear Wilderness areas, Rocky Mountain Front, and the Swan and Mission Mountain ranges. Big waters, including the Columbia, Flathead, Sun, and Teton rivers are born in its highest reaches. And virtually every wildlife species, except wild bison, here when the Corps of Discovery passed thru what would become Montana, still are abundant in this habitat.

Snacks provided by Sweetwater Coffee and root-beer from The Beaverhead Brewing Company!

This past week in volleyball, the Lady Cougars traveled to Anaconda. The 7th and 8th grade "B" teams played well but came up short. The 7th and 8th grade "A" teams also played well and both teams were able to pull off wins. Then the "A" teams hosted Butte Central. The 7A team played hard but ended up with a loss. The 8A team pulled off a win. Great job ladies.

Unfortunately, last week, the cross-country meet was cancelled due to smoke. Football, however, traveled to Butte East. Neither team could pull off a win, but everyone played well.

This week in sports...the cross-country team will travel to Montana City on Tuesday, September 20. The bus leaves at 1:30 and the meet begins at 4:00 PM. Football travels today to Anaconda. The bus leaves at 2:15 PM. The 7th grade team will play Butte Central at 4:00 PM. The 8th grade team will play Anaconda beginning at 5:00 PM.

In volleyball this week, the "B" teams will travel to Deer Lodge. The bus leaves at 2:00 PM. The games will be held in the CP center with the 7th grade playing at 4:00 PM and the 8th grade playing at 5:00 PM. Then on Saturday, September 24th, all A and B teams will play at our home tournament. The tournament starts at 9:00 AM. So, come on out and support our Lady Cougars.

Presidential and Vice-Presidential candidates have been campaigning this past week, and will continue up until Wednesday, September 21st. We will have an assembly on the 21st during 8th period to hear our Presidential hopefuls give their speeches. Afterwards, students will vote in their 8th period classes for president. Then beginning on September 22nd, those running for student council representative will begin their campaign. Signups for interested sixth, seventh, and eighth grade are happening now. You must sign up by the 20th.

Shatterproof Announces Rise Up Against Addiction Montana Community Walk

For 40 million adults living in America with a substance use disorder (SUD), the devastation caused by the disease can be crushing. According to recent federal data, an estimated 90,000 teens and adults in Montana have a substance use disorder (SUD). More than 90% of Montanans with alcohol and drug use disorders do not receive treatment. Drug overdoses in the United States have become the leading cause of injury death, increasing 56.5% between 2013 and 2019. More than 100 people die every year from drug overdose in Montana and more than 15,000 emergency department visits annually are attributable to substance use.

Illicit drug use disorder is the most stigmatized health condition in the world, with alcohol use disorder not far behind at fourth in the world. The stigma of addiction and associated discriminatory beliefs and practices have entrenched addiction as a public health issue.

Show your support for those in recovery from a SUD, still struggling with a SUD and honor those who have lost their lives to this disease by participating in Montana Rise Up Against Addiction Walk. The event aims to raise awareness for reducing the shame and stigma around substance use disorders. Shatterproof, a national organization dedicated to reversing the addiction crisis, will be holding a Rise Up Against Addiction Montana walk on Saturday, September 24 from 11 a.m. - 2 p.m. at Spring Meadow Lake State Park in Helena, MT. You can register individually or as part of a team.

The Helena Indian Alliance will be at the event providing information and training on harm reduction and distributing Naloxone (Narcan) to interested participants.

While the walk is a fundraiser for Shatterproof, registration is free. For more information or to register visit: <https://bit.ly/3zFEVSz> or contact Laurine Wolf, Shatterproof Volunteer Ambassador, at 406-594-1203; wolfa1203@outlook.com. Laurine is coordinating the walk in honor of her brother, Patrick Bannan.

WANTED - OLD AMERICAN

MADE GUITARS

9/26 PD

Wanted- Old American made Guitars

Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ... I am looking for American made instruments from the 1960's and earlier. The brands I'm most interested in are Gibson, Fender, Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well... I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ... If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!
