October 4, 1943 - September 19, 2022

Catherine (Kathie) Bell Langford left this world to celebrate with her loved ones on Monday, September 19th, 2022. She was under the loving care of the Parkview Acres Nursing home in Dillon, Mt. where she had resided for 10 years.

Kathie was born on October 4th, 1943 in Harlowtown, Mt. to Arnold (Ole) and Lillian Sherburn. She spent her early years in Billings, Mt. where she went to school and later worked as a waitress. She married George Borner and together they had one daughter Tina. They divorced and she moved to Lewistown where she worked for the Paris Laundry and Cleaners. She met and married her second husband Lee Langford on May 20th, 1975. When she married Lee she acquired 6 more children.

Kathie enjoyed being a member of the Women of the Moose and recently received a pin for her 50 years. She also enjoyed spending time with her daughter and her husband. They liked to go camping and on motorcycle rides. She also enjoyed doing counted cross stitch. She also enjoyed working in the business she and her husband owned.

Kathie was preceded in death by her husband and her parents. She is survived by her daughter Tina Hendrickson of Billings, Mt. her ex husband George, and six stepchildren, Robert Langford, Jackilee Leap, Mildred Olson, Natalie Parker, Leroy Langford and Edward Langford. She is also survived with numerous grandchildren, great grandchildren and great great grandchildren.

We will be celebrating her life with Graveside services in the Lewistown City cemetery on Monday October 3rd at 2:00 p.m.

Montana Western Fine Arts Gallery to Host Artist David Rathman

The University of Montana Western Fine Arts Gallery is proud to announce the return of Montana native, artist David Rathman. The gallery will host a reception and artist talk on September 30, 2022 from 6:00 to 8:00 p.m. in the Fine Arts Gallery located in Main Hall.

David Rathman, born in 1958 in Choteau, Montana, is known for his delicately rendered paintings of stereotypically male motifs from American history and contemporary culture. He focuses on the testosterone and character of male subjects entangled with the allure of the American West.

Rathman portrays a rough, decayed, and barren landscape to further depict the personality of the Wild West. While mainly a painter, Rathman has produced numerous video works, along with a poster for the band The Black Keys. Rathman earned a BFA from the Minneapolis College of Art and Design in 1982. He was the recipient of a Bush Foundation Fellowship, two McKnight Foundation Fellowships, and the Minnesota Book Award. Rathman's work has been placed in the collections of the Art Institute of Chicago, the Whitney Museum of American Art, the J. Paul Getty Museum, the Minneapolis Institute of Arts, the New Museum of Contemporary Art, Stanford University, and the Walker Art Center. David Rathman lives and works in Minneapolis, Minnesota.

The reception and gallery talk are free for all to attend and will feature light refreshments and music. Rathman's exhibition will be open for viewing from September 30 to November 18. Gallery hours are Monday-Friday from 10:00 a.m. to 12:00 p.m. and 1:00 p.m. to 3:00 p.m.

For more information about the exhibition, please contact Montana Western Fine Arts Gallery Coordinator, Nathaniel Freeman: nathaniel.freeman@umwestern.edu or 406-683-7059.

btp59725@gmail.com • (406) 683-9844**Attorney General Knudsen leads coalition against
banks, credit card companies tracking and monitoring
firearm purchases**

Montana Attorney General Austin Knudsen, along with Tennessee Attorney General Jonathan Skrmetti and a coalition of 22 other states, is alerting the Chief Executive Officers of three major credit card companies that the recent creation of a Merchant Category Code for the processing of firearms purchases from gun stores is potentially a violation of consumer protection and antitrust laws.

In the letter to the CEOs of American Express, Mastercard, and Visa authored by Attorneys General Knudsen and Skrmetti, the coalition say the monitoring and tracking of firearms purchases creates a "list of gun buyers" and creates the obvious risk that law-abiding consumers' information will be obtained and misused by those who oppose Americans exercising their Second Amendment rights.

"It's extremely disappointing to see credit card companies cave to pressure from international bodies and adopt this measure that will do nothing to improve public safety," Attorney General Knudsen said. "Instead, it invites potential future invasions of consumer privacy and further coordination between corporations and government agencies to erode Americans' fundamental right to keep and bear arms."

"Giant financial companies must not use their combined market power to circumvent our representative democracy," Attorney General Skrmetti said. "As Attorney General, I protect the people of Tennessee from corporate collusion that threatens to undermine their constitutional rights. Working together with my colleagues from other states, we will marshal the full scope of our lawful authority to stop this abuse."

The new code for gun stores the credit card companies intend to adopt is the result of transnational collusion between large corporations leveraging their market power to further progress toward their desired social outcomes. Anti-gun rights activists pressured the International Organization for Standardization (ISO) to adopt this policy as a means of circumventing and undermining the American legislative process.

"Press releases from public officials make clear that the new merchant code was created and adopted in concert with various state actors, which may additionally create the potential for both civil and criminal liability for conspiracy to deprive Americans of their civil rights," the coalition of attorneys general wrote. "Social policy should be debated and determined within our political institutions. Americans are tired of seeing corporate leverage used to advance political goals that cannot muster basic democratic support. The Second Amendment is a fundamental right, but it's also a fundamental American value. Our financial institutions should stop lending their market power to those who wish to attack that value."

Montana Secretary of State Christi Jacobsen celebrates Constitution Day, announces 2022 Constitution Contest for Montana students K-12

Montana Secretary of State Christi Jacobsen officially launched the 2022 US Constitution Contest during a Constitution Day celebration in the State Capitol on Monday. The contest, "Why the Constitution is Important to Me", is open to all Montana students K-12.

"I'm excited to unveil our second US Constitution Contest after last year's inaugural contest received such incredible submissions from students across the state," said Secretary Jacobsen. "This contest is a great opportunity for students and teachers to learn about our constitution, explore our government, and understand the importance of voting."

Constitution Day, September 17, is celebrated annually to commemorate the signing of the US Constitution. This year marks the 235th anniversary of its formation and signing in 1787. Secretary Jacobsen spoke about citizenship and the importance of voting during Monday's celebration in the Capitol rotunda.

"There are two civic duties for citizens of our great nation – serving on a jury and exercising your right to vote. Montanans and Americans can determine the future of our state and country by recognizing the importance of voting," said Secretary Jacobsen. "It's a great responsibility, but it's one that gives every eligible voter a voice."

Monday's celebration included Lt. Governor Kristen Juras sharing a proclamation from Governor Greg Gianforte, as well as a presentation on school civics by Superintendent of Schools Elsie Arntzen.

Molly Gilbert, middle school winner from the 2021 US Constitution Contest, sang her song "What the Constitution Means to Me" for attendees. Gilbert was one of six students honored during the inaugural contest.

Secretary Jacobsen also highlighted the YouthVote Program, which will take place later this fall. Under the guidance of the Youth Voting Act, the Secretary of State's Office and Office of Public Instruction will partner to bring Montana schools an opportunity to engage in the electoral process. Montana Youth Vote will provide the students with practical experience in the democratic process by voting for candidates and ballot issues appearing on the ballot in November's midterm General Election.

For more information about the YouthVote Program and the Secretary of State's US Constitution Contest, visit <https://civics.sosmt.gov>.

Kick-off events scheduled around the state for youth pheasant, waterfowl weekend

The 2022 Youth Pheasant and Waterfowl Weekend is fast approaching, and several kick-off events are scheduled around the state. To get interested hunters and their families prepared for the youth weekend, which is Sept. 24 and 25, these events will provide the opportunity to meet with mentors, ask questions of FWP staff, and possibly win some prizes.

During the week prior to the youth weekend, FWP will release pheasants on several wildlife management areas around the state. Most of the pheasants were raised by Montana Correctional Enterprises in Deer Lodge under a cooperative agreement with FWP. The purpose of the pheasant release program is to give youth hunters an opportunity to experience hunting success, encouraging their future participation.

In addition to pheasants, licensed hunters, ages 15 and under, will be able to hunt ducks, mergansers, geese, and coots statewide on these two days.

The two-day youth hunt is open to:

- legally licensed 12- to 15-year-olds who have completed hunter education and who are accompanied by a non-hunting adult at least 18 years of age.
- properly certified and legally licensed apprentice hunters 10-15 years of age, who are accompanied by a non-hunting adult "mentor" at least 21 years of age.
- All regulations apply. The Canyon Ferry WMA is an exception — only to the youth waterfowl season shooting hours— they will be one-half hour before sunrise to noon.

WANTED - OLD AMERICAN MADE GUITARS

9/26 PD

Wanted- Old American made Guitars Hi, my name is Rich Dixon and I live near Salt Lake City. I'm an older musician in my later 60's (still working) and I am trying to find guitars to play like those I had in my younger years ...I am looking for American made instruments from the 1960's and earlier. The brands I'm most interested in are Gibson, Fender , Martin, Gretsch and some by Guild and Mosrite ... These are the instruments that suit my music and playing the best. I'm interested in both electric and acoustic instruments and also old tube amplifiers from that era as well...I want them to Play (I'm not a collector) so they don't have to be in pristine mint condition; used but not abused is fine. I'm just after instruments that haven't been altered and have their original parts and electronics so that they sound and play like they did back when I used to own them ... If you have something like that that you might consider selling I'd love to hear about it ! If it's something I really want or could use I would pay in cash and drive up there to pick it up ... Please feel free to call or text me at (801-319-1109) and Thanks so much for taking the time to read this!

We are targeting to have over 150 junior high and high school youth competing in barrel racing, pole

bending, tie-down and team roping, steer wrestling, rough stock events and more.

In addition to the rodeo events, there is a shooting sports competition Friday, September 23rd at 4:00 pm and Saturday, September 24th immediately following our rodeo at the Dillon Trap Club & Rifle Range where junior high and high school students compete in light rifle and trap shooting competitions.

Plus, new this year, we are also hosting a breakaway roping jackpot for our junior high and high school athletes Friday, September 23rd at 7:00 pm at the fairgrounds.

We are so appreciative of the support the community provides to the Beaverhead County HS/JH Rodeo Team and would not be able to host one of the largest attended MHSRA events in the state without it. With over 150 contestants and their families from all over Montana expected to attend, it will be a great opportunity to promote your business and be recognized throughout the weekend and afterwards. We are still looking for some sponsors for this great annual event.

If you are interested in sponsoring or learning more about the weekend, please contact Stacy Setzer by texting or calling at (406) 570-2739.
