WESTERN RODEO TEAM

The Montana Western rodeo team competed this past weekend in Havre, Mont. at the MSU-Northern Rodeo. Tavy Leno won the women's all-around buckle as she won the goat tying average with a score of 11.8. Trevor Kay won the bareback average with a score of 146 over the weekend. The women's team placed second overall and the men's team finished up in third overall on the weekend.

"Going into the rodeo, I knew I just needed to be smooth and have solid runs to make it back to the short go. I just kept it simple and trusted my horses would do their job while I did mine. I ended up third in the long-go of the goat tying and sixth in the team roping with my brother Teegan. In the short-go, we did not have the team roping run we wanted, but I ended up winning the short-go and average in goats and the women's all around for the weekend." freshman Tavy Leno said.

Top Performers

Trevor Kay won the bareback average with a score of 146.
Tavy Leno won the goat tying ave. & women's all-around buckle 11.8.
Gavin Knutson came in second in bull riding with a score of 71/1.
Matt Goings came in second in team roping with a 16.2.
Ryland Lufkin placed third in breakaway roping with a 5.6.
Krista Marchand placed third in barrel racing with an ave. of 26.85.
TaLyn Neville came in fourth in breakaway with an average of 5.8.
Harley Beasley placed sixth in goat tying with an average of 13.4.

Up Next

The Bulldogs will be competing in their home rodeo this upcoming weekend. Friday night's long-go will begin at 6 PM MST. The Saturday morning slack will be at 9 AM MST. The Calcutta will then be held at The Den at 2 PM MST. The Short-Go will begin later in the evening at 7 PM MST Saturday night. Come out and support the Bulldog rodeo team.

EVANS WINS AWARD

Dr. Megan Evans of Dillon was awarded the Legacy of Leadership award by the Montana Medical Association recently.

The award recognizes her outstanding contribution to Montana's public healthcare system. She has served as both a provider at the Southwest Community Health Center in Dillon and as the Beaverhead County Health Officer. She worked tirelessly during the Covid-19 pandemic to educate her community about Covid and fight for public safety. She has been committed to rural health and cared for the underserved in Dillon since 2011.

"We appreciate Dr. Evans' hard work and true commitment to her team, patients and the community," said Dr. Shawna Yates, executive director for the SWMTCHC.

College Football Mental Health Week

The University of Montana Western is proud to participate in College Football Mental Health Week from Sept. 26-Oct. 1 started by the Hilinski's Hope Foundation. The Hilinski's Hope Foundation (H3H) was founded in 2018 by Mark and Kym Hilinski to honor the life of their son Tyler, who died by suicide yet never showed any signs of depression or struggle. Hilinski's Hope Foundation is a non-profit organization formed to promote awareness and education of mental health and wellness for student athletes. The Foundation's mission is to educate, advocate, and eliminate the stigma associated with mental illness, while funding programs that provide student-athletes with the tools and resources that support their mental health and wellness. To view Tyler's story, click here.

Two-thirds of student-athletes indicated knowing where to go on campus for mental health concerns, and a majority (56%) reported knowing how to help a teammate experiencing a mental health issue. However, fewer than half (47%) felt they would be comfortable personally seeking support from a mental health provider on campus. Sixty-three percent of student-athletes felt their teammates take mental health concerns of fellow teammates seriously, and a slightly lower percentage (53%) reported that coaches take mental health concerns of their student-athletes seriously. Half of student-athletes believe that mental health is a priority to their athletics department. (NCAA)

The goal of this week is to raise mental health awareness, destigmatize mental illness, and provide quality resources to student athletes nationwide. Hilinski's Hope and UMW are partnering together as there is a shared belief that mental health is a crucial part of being a successful student-athlete. UMW is joining the mission alongside 100+ universities for this cause. Over the course of the week, UMW Athletics will be putting out social media content leading up to the football game on Saturday. The football team will be wearing decals in support of mental health and wellness.

The Sacred Buffalo: BFC Roadshow

Friday, September 30 6:30 pm

Buffalo Field Campaign (BFC) will hit the road this fall to build support for ending the plight of wild bison, and to share our vision for a restorative future. BFC recently celebrated its 25th year of relentless bison advocacy. During that time, we've borne witness to shocking mistreatment of America's keystone species; but with your support we've also managed to secure year-round calving habitat in Montana - no small feat - while building momentum for political solutions. As we set out on this year's tour, the U.S. Fish & Wildlife Service is busy assessing threats to Yellowstone's bison because of BFC's persistent legal efforts.

We have much to talk about! Here is your chance to meet BFC's executive director, environmental scientist James Holt from the Nez Perce tribe, and hear him talk about the importance of enforcing treaty rights and restoring cultural relationships between humans and buffalo. BFC's co-founder Mike Mease will also be along to share some of his wildly popular bison videos and spin some colorful tales. We're delighted that Native flute musician extraordinaire Mignon Geli will grace our traveling roadshow with her presence once again this year, lifting our hearts up with her sacred songs.

An enchanting evening of music, story-telling and learning is guaranteed for all. Please join us in standing with the buffalo.

For more information www.BuffaloFieldCampaign.org or Mike at 406-646-0070.

Dillon DAV Needs Volunteer Drivers

The Disabled American Veterans (DAV) service organization could really use several more local volunteer drivers in Dillon. Dillon drivers use a locally housed DAV vehicle to transport veterans to their medical appointments which are usually at Veterans Administration medical facilities in Butte, Fort Harrison in Helena, and Bozeman. Local drivers give rides to vets not just from Dillon, but from a number of other towns in SW Montana such as Sheridan, Ennis and Whitehall. Typically there are a handful of local volunteers to help with the driving, but currently Dillon is down to just one volunteer driver.

If you think you'd be interested in being a local volunteer driver or would just like more information, please call Darlene, Dillon's Local Area Coordinator, at (406) 490-3692.
