Announcing the 2023 Montana Master Hunter Program

One Montana's Master Hunter Program is accepting applications October 1, 2022 - November 30, 2022 for the 2023 program. Classes will be held in Billings (March), Bozeman (April) and Missoula (May). Each class will consist of two 3-Day consecutive weekends (Friday - Sunday). A two-day weekend rendezvous in June is also required for qualifications, field exercises, and the final exam.

The Master Hunter Program (MHP) is an advanced education program for hunters who want to improve and hone their knowledge and skills, build relationships with landowners to aid their wildlife management goals, and be advocates for conservation and wildlife. By creating opportunities for landowners and sportsmen to connect to each other, the MHP helps to deepen knowledge and understanding about ranching and agriculture, and ultimately works to increase access opportunities for future generations.

To date, 291 hunters have successfully completed the program. Graduates belong to a community of likeminded hunters stretching from Whitefish to Miles City who hunt together, keep each other informed, and are knowledgeable voices on issues affecting sportsmen across MT.

In the words of one graduate, ".....this class and all the information I gained has already changed my life! I can't wait to see what great work we can do together with this excellent group of individuals".

The program covers wildlife management, history of conservation, hunting culture and ethics, private land stewardship, and shooting accuracy and precision among other topics. The instructors have a wide diversity of knowledge and perspectives and include ranchers, farmers, university faculty, professional shooting instructors, wildlife managers, wildlife biologists, and MT Fish Wildlife and Parks personnel.

The program is led by One Montana (1MT), a nonprofit working to sustain a vibrant Montana by connecting our urban and rural communities. The program is supported financially by private foundations, nonprofit organizations, trade associations and industry partners such as the Rocky Mountain Elk Foundation, Bass Pro Shop's and Cabela's Outdoor Fund, Montana Stockgrowers Association, Montana Grain Growers Association, Montana's Outdoor Legacy Foundation, onX Maps, Mystery Ranch, Sitka Gear and others.

Please visit www.mtmasterhunter.com for information about the application process, class dates, and eligibility requirements.

Winter Preparedness

Cold temperatures are headed our way which means snow and ice will be here soon. Re Miller & Sons provide snow removal for many of our local businesses. With that being said, here are a few helpful reminders for the public while entering a business parking lot where we are removing snow.

1. Please do not park behind or close to any heavy equipment, when at all possible. There are blinds spots and it can be challenging for our drivers to see you, especially during heavy winter events.
2. When pulling into a business parking lot that we are currently plowing, please park in an area that has already been plowed if at all possible.
3. Make eye contact with the operator when walking through the parking lot. That way the operator sees you and can watch for you.
4. When walking across a parking lot, do not feel the need to rush or run. We are more than happy to stop and wait for you to cross. It's slick and icy after we plow, so please take your time.
5. The bigger parking lots are easier to avoid the equipment working. However, in the smaller parking lots it can be very difficult to maneuver the equipment. If possible, come back in a few minutes when the lot is done to avoid a collision.
6. If there is a collision with a piece of equipment. Pull out of the way and safely approach the operator to exchange information.
7. Watch for our guys on the ground shoveling, especially when it is dark.
8. Do not park in snow piles that are made in the parking lots.

As always, we appreciate your patience!

Sincerely,

Hanna McParland, Safety Director, RE Miller & Sons

Dillon Middle School News October 10-14, 2022

The lunch menu for the week is as follows: Today, Monday, we will enjoy hot Philly sandwiches with quinoa salad. Tuesday, we will have potato tacos served with trimmings and beans. On Wednesday, BBQ rib sandwiches will be served with trimmings. Thursday, we will enjoy chicken Alfredo and Caesar salad. And on Friday, we will have Stromboli.

Congratulations to our new student council representatives. Sixth graders who won are: Brodie Curnow, Kestral Aiken, and Avilyn Reynolds. Representing the seventh grade is: Adalis Chagua, Madi Sampson, and Juliet Baker. And winning for eighth grade is: Declan Oswald, Reine McCoy, and Jordyn Martinez. Great job to everyone who ran and a special shout out to those who won. And of course, we want to give a shout out again to our newly elected president, Lilla Guiberson, and vice-president, Finn Fitch. We look forward to all the activities, community service and other events that will be accomplished this year.

In sports this past week, the volleyball "A" teams played at Butte Central. The 7A team narrowly lost in 3 sets, while the 8A team won in two sets. Great job girls. This upcoming week, the A team will compete at the Twin Bridges tournament, Saturday, October 15th, to finish off their season.

In football, the boys faced Butte East at home. Unfortunately neither team could pull off a win. Stay tuned next week to hear how the football team, volleyball team and cross country team finished up their season.

Monday, October 24, boy's basketball will begin for 7th and 8th grade. Boys make sure your physicals are in the office and your online activities packet is complete. Sixth grade boys will begin Monday, October 31, 2022.

Next week will be Parent/Teacher conferences. These will be from 4 to 7 PM on Monday and Tuesday evening. There are no appointments, and in fact meeting with teachers is on a first come, first serve basis. So, parents, please take advantage of this important opportunity.

We will also have an early out on Wednesday, October 19, and we will be out of school on October 20 and 21.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress.
