Dillon DAV Needs Volunteer Drivers

The Disabled American Veterans (DAV) service organization could really use several more local volunteer drivers in Dillon. Dillon drivers use a locally housed DAV vehicle to transport veterans to their medical appointments which are usually at Veterans Administration medical facilities in Butte, Fort Harrison in Helena, and Bozeman. Local drivers give rides to vets not just from Dillon, but from a number of other towns in SW Montana such as Sheridan, Ennis and Whitehall. Typically there are a handful of local volunteers to help with the driving, but currently Dillon is down to just one volunteer driver.

If you think you'd be interested in being a local volunteer driver or would just like more information, please call Darlene, Dillon's Local Area Coordinator, at (406) 490-3692.

DALE ZINK

By "Swede" Troedsson

Some folks who view my LA Rams team ball cap ask me if I am a Rams fan. "No", I reply, "I got this cap at a funeral."

In 2019 I attended a funeral in Dillon, Montana for Dale Zink. Dale was a Rams fan, and the family had Rams caps for everyone at the funeral! Dale had been a local high school counselor prior to his retirement. For many summers Dale worked for the Beaverhead National Forest as a Dispatcher and he also was an aerial observer patrolling and looking for forest fires.

Dale was dispatching on Saturday, August 9th, 1975 when I helped organize the rescue of country western singer Hank Williams Jr. At the time I was a Beaverhead National Forest Service employee who volunteered in local search and rescue, as an EMT on our local ambulance, and as a ski patrolman.

Dale called me at home around 3:00 pm and informed me that Hank had fallen and seriously injured himself above Ajax Lake, west of Jackson, Montana. Hal Wetzsteon, the Wisdom Ranger District Fire Control Officer, called Dale requesting that we organize a rescue operation.

Dale informed me that our patrol plane, a Cessna 182, was waiting for me at the Dillon Airport to fly me to Wisdom. He informed me there was only six hours of daylight flying light left for our permitted flying! I grabbed some basic rescue equipment and raced out to the airport. We departed the airport at 3:30 pm. While flying to Wisdom, Dale and I worked out the details of the rescue plan. Dale informed me he had ordered a Bell 47 helicopter (similar to one used in Korea) from Hamilton, Montana to meet me at the Wisdom airport.

In the course of the successful rescue Dale had wisely ordered three different aircraft (our Cessna 182, the Bell 47 helicopter, and a Bell 205 Huey helicopter). After transporting Hank from Ajax Lake to Wisdom in the Bell 47 helicopter, we loaded Hank in the Cessna and flew to the Missoula Airport. After landing at the airport, we taxied to the Smokejumper base. Thanks to Dale, the Huey helicopter was warmed up and waiting for us to transport Hank and me to the Community Hospital in Missoula.

After leaving Hank at the hospital, I was helicoptered back to the smokejumper base. Upon boarding the Cessna, I was returned to Dillon with 30 minutes of flying light remaining!

Dale did such a great job of dispatching, I wrote him a Letter of Commendation.

At Dale's funeral I read the Letter of Commendation to the family. I also made a copy of the Dispatch Log Dale kept during the rescue of Hank. I gave them both to his daughter, whereupon she gave me a big hug!
