Joanie Pettit

Joanie Pettit passed away on October 20, 2022 at the age of 88 in her own home with her loving daughters, Cindy and Peggy by her side.

Joanie was born May 31, 1934 in Butte to Joe Bartz and Bessie Freil. She had two sisters, Patty Selzer and Betty Sullivan that have preceded her in death. When Joanie was 6 years old her parents were divorced. They lived on Caledonia

St. in Butte. The story has it, that Joanie was the king of that street. No one messed with her or she would take care of them herself.

Bessie met Mark Clemow, a rancher from Jackson, MT, while she was employed at the Finley. On June 7, 1947 they were married and Bessie and Joanie moved to the ranch in Jackson. In the year 1954, Mark bought the Bar B Ranch in Wisdom. Mark sent Joanie, her Freshman year in high school to Salt Lake to all girls academy. Mark thought that Joanie would become more of a lady than a tom boy. Mark did not know that when Joanie started her Sophomore year that a few months after beginning, she called and said "I am through with this school and I am coming home."

Joanie came back to work on the ranch. That was the place she wanted to be. Joanie always told us about haying with the horses. Her place was on a horse. Joanie was a candidate for the Beaverhead County Rodeo Queen in the early 50's. She loved the ranch and working there. Mark adopted Joanie in the 70's and she became a Clemow.

During her time Joanie would go to the local dances in Jackson and there she met Dale Pettit. Dale proposed to Joanie on their way to the horse races. He told her not here, that they did not have time to stop, and that her ring was in the glove compartment.

Dale and Joan were married September 18, 1954. Dad was manager of the Hairpin ranch. Three of their five children Kathy, Mike and Peggy, were born. In June 1959, Dale and Joanie moved to Wisdom to work for Joan's dad, Mark. There their two remaining children Cindy and Janet were born.

Joanie was the head cook during all the years they lived on the ranch during haying. Everyone knew she was "The Rule of the Cook House." and knew not to cause problems or they may not eat their next meal there.

For 18 years, Joanie would travel home on Fridays to see Dad and back to Dillon on Sundays to put their 5 kids through school.

On March 30, 1996 on their return trip from the Arizona, where they spent winters together, Dale and Joanie received

the news from their kids that their home on the ranch of 37 years had burned to the ground. They then decided it was time to retire from ranching and they bought a home in Dillon. It was a different lifestyle for them, but they seemed to settle in and enjoy their new place. Joanie lived there until her passing.

Joan loved to bowl, create ceramic, painting her house and fences, color and working out in her yard. Of everything, Mom loved her kids, grandkids, and great grandchildren. A person always knew where they stood with Joanie, she had a very kind heart and loved to give to others.

Joanie is preceded in death by her husband Dale, both her parents and her siblings. Mom is survived by her kids, Kathy Hays, Mike Pettit, Peggy (Bill) Buyan, Cindy Pettit and Janet Paulson. Grandchildren JD and Rowdy Hays, Jenny (Jake) Kearns, Hayley Pettit, Marcus and Mike Buyan, Clay and Paige Paulson. She also leaves behind her 5 great grandchildren, a special nephew, Chip Camp that called her everyday until the end and numerous nieces and nephews.

There will be a family memorial for Joanie at the Mountainview Cemetery at Wednesday October 26th at 11:00 followed by a luncheon for friends and family at the Elks Club in Dillon at 12:00. The family would like to give a special thank you to Hospice, Dr. McIntyre. They would also like to thank Rich Lawson for doing the memorial, Jerri Champlin for doing the luncheon and Joanie's special neighbors that was always there for her.

Memorials may be given to the Shodair Hospital, 2755 Colonial Dr. Helena, MT 59601 or charity of donor's choice.

On 10/22/22 Jimmie "Luke" Snaric, age 34, from Cascade, Montana was arrested after being involved in what was reported as an active shooter at the Jackson Hot Springs Lodge in Jackson, MT. Snaric is alleged to have discharged a firearm into the Lodge, where people were sleeping and cleaning up the bar from a physical fight which Snaric started. Snaric was asked to leave the bar. He returned to his cabin, gathered a firearm, and returned to shoot aimlessly into the Lodge and the surrounding area. Snaric forced his way into two occupied cabins while in possession of his pistol. Snaric continued shooting aimlessly and wandering around the area carrying his pistol until he was apprehended by Law Enforcement.

Snaric was arrested and charged with the following:

15 Counts of 45-5-213MCA Assault with a Weapon, 2 Counts of 45-6-204MCA Aggravated Burglary, 2 Counts of 45-5-207MCA Criminal Endangerment, and 1 Count of 45-6-101MCA Criminal Mischief (Damage exceeding \$1,500).

In total Snaric is alleged to have committed 20 Felony charges during this incident. He had his initial appearance in Justice Court Monday (10/24). No plea was entered as felonies must be adjudicated in District Court. His bond was set at \$250,000. He is awaiting his initial appearance in District Court.

Player of the Week

The NAIA released its week eight Football National Player of the Week honors. Montana Western's Jon Jund (Spring Creek, Nev./R-SR) has been named National Offensive Player of the Week. This is the first time a Bulldog football player has been named NAIA National Player of the Week since Joe Caicedo won National Defensive Player of the Week in 2019.

Jund, a 6'1 quarterback, had an exceptional weekend with a season-high 354 passing yards in the victory over the previously undefeated College of Idaho Yotes. He threw four touchdown passes, caught one in the air for a 16-yard touchdown reception, and rushed for 48 yards. He also rushed it in for a successful two-point conversion and averaged 10.1 yards per attempt while passing. Jund completed 26 out of 35 attempts, threw his longest pass of the season for 63 yards, and had his first receiving touchdown of his career.

Jon is the 2nd player to receive NAIA National Player of the Week honors under Head Coach Ryan Nourse.

Beaverhead County Search and Rescue News

Submitted by: Mel Rice-Public Relations

The Beaverhead Search and Rescue had a very busy opening weekend of the general hunting season. It started with a call out the day before the season started, Friday October 21 at 3:00 PM. A 67 year old California hunter was out scouting and did not return to camp. He was 4 hours overdue. The individual was diabetic, and had high blood pressure. These things always add to the urgency of the incident. He had no idea about Montana nor the area he was camped in and going to hunt. Before search parties reached the area, the lost individual had been located and was safe. Search teams returned to the building.

Incident #2- On Saturday October 22 at 1:43 PM the BVHD S&R was called out for a rescue of a hunter out of Cascade, Montana who had sustained serious injuries in a horse accident. The horse had fallen and rolled on the individual. The location of this rescue was 2.5 miles from the trail head in the East Fork of Blacktail Creek WSA. With adverse weather conditions at best this would turn into an all-night affair. Because of the conditions any opportunity to use Life Flight services or Two Bear services was out of the question. With low clouds, 8 inches of snow on the ground and still snowing, it would turn into an old fashion human carry out of the injured party. The first rescue teams headed up the trail at 5:50 PM on foot. Members Brad Wagner and Tara Remely had an ambulance with medical personnel Shelly King and Shara King as close to the scene as possible. This turned out to be six miles from the accident.

S&R member Shane Puyear and his son Parker were the first to arrive on scene at 6:30 PM. When they arrived, other members of the hunting party were with the injured hunter and had built a fire and were keeping him as comfortable as possible. Parker was given the immediate task of gathering fire wood from the area to keep everyone as warm as possible until the remaining rescue teams arrived with necessary equipment to transport the individual out. Shane was evaluating the immediate situation and started assessing the man's injuries. Upon arrival of the other teams; Alex Dunn, Julia Clark, Evan Helle, and Wes Helle, at 8:42 PM with

medical bag and the "E-Mule", further assessment of injuries was completed and the individual was packaged on a litter and loaded onto the "E-Mule". The long 4 plus hour trek out to a waiting ambulance began at 9:15 PM. Kolby Malesich and Steve Mock were heading in on the trail to assist the extrication team and met up with them at 11:48 PM. While coming out with the injured man they encountered other hunters that were trying to get out of the back country that were in need of assistance as well. It was turning into a multiple rescue incident with the injured individual being the priority.

The "E-Mule" is an electric two man cart for extricating victims out of the back country. But because of the heavy wet deep snow conditions the "E-Mule" was not able to operate quite as well as it was designed. However, it did prove to be very effective in providing stability for the litter and during resting time for the rescuers. They used it the entire way out. There had to be 3 feet of snow on the ground when they left the accident site, diminishing to approximately 2 feet as they got closer to the trailhead. It was extremely slow going because of the conditions, terrain, etc. They would move in short spurts, 10 to 20 yards at a time and then rest. The conditions were very undesirable; not only because of the snow but also the wind and pitch dark conditions.

With lots of other hunting camps in the area and the rescue team becoming totally exhausted, Tara Remely went around to all the camps and asked for assistance in getting the victim out. Many hunters got up out of their nice warm comfort zones and headed up the trail to assist with the last tedious mile. This is one of the hardest parts of the whole trail. Once back to the "trail head" at 1:30 AM, the injured party was moved to the ATV rescue buggy and taken the final 2 miles to the waiting ambulance and medical crew. The victim was turned over to medical personnel at the ambulance at 2:20 AM. After arriving in Dillon, the injured man was life flighted by fixed wing to Missoula where he is reported in fair condition. He sustained a brain bleed, broken back, broken neck, broken nose, and broken ribs. Thanks to the dedication of your Beaverhead Search and Rescue this individual will live to see another day. The incident was called with all S&R members back in town at 5:00 AM. This was a very intense and time consuming event.

Other S&R members that were at the trail head taking care of other necessary business involved with this rescue were: Brian Vinson, Jennifer McKay, Jason Ericksen, Kolby Malesich, Brad Wagner, Tara Remely, and Steve Mock. Non-members assisting were: Parker Puyear and Wes Helle This was a great team effort

and consequently saved a gentleman's life. Those working the command center for all of the happenings that eventful evening were: Lawrence Morrisroe, Park Scott, and Clint Rouse.

Incident #3- At 9:46 PM another "InReach" SOS call came in for a 59 year old hunter from Whitefish. The six gentlemen camped in the Selway Creek area up Bloody Dick Creek reported one of their party had not returned to camp. The Search and Rescue managers at the building who were attending the horse accident rescue, paged for more members. Tommy Goins, Cody Schnee, Cole Cottom, John Helle, Parke Scott and Clint Rouse were deployed to search for the lost individual. Shortly after deployment the reporting party called back to S&R command that they had found their missing party member. It is with sad and sympathetic hearts that we report the passing of this individual. Apparently he had a heart attack. Clint Rouse and Parke Scott returned to the command center to continue assisting with the other rescue. The remaining team members continued on to the hunter's camp to assist with retrieval of the deceased man. It turned out to be a long night for them as well having to wait for the Under Sheriff/coroner David Wendt to arrive and complete things they need to do in this type of situation. Our condolences go out to the friends and family of this young man.

Incidents #4 & 5- On Sunday morning October 23, we were informed of two other "InReach" SOS hits that turned out to be nothing other than false alarms. Thank the Lord for small favors. The season is just beginning. With more weather predicted to come in on Wednesday, please make sure you are prepared for any number of different situations. Also, make sure you have all necessary equipment for your vehicles. Chains are an absolute must for the conditions we are experiencing now. And I doubt things will improve anytime in the near future.

It should be noted at this time that all the searches/rescues during this time frame and the last 6 months have come in from reporting parties that are in the area of the lost/hurt individual rather than from family members who are at home and don't have a clue about the missing/injured person's whereabouts. Beaverhead Search and Rescue would like to recommend to any and all who enjoy going to the mountains whether to fish, hunt, hike or just joy ride get yourselves an "InReach" or "Spot". Both can be used to get assistance from your local Search and Rescue when you need it. The nice thing about them is it also gives us a location of the reporting party. Therefore, we know where to find you. Coming to you from your Beaverhead Search and Rescue who is "In the Business of Saving Live".

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations.

Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing.

This is a full-time position and is eligible for the full benefit package.

In addition, there is a PRN position available.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification.

Basic Life Support (BLS) required.
