John Arthur Garry

Born in Minneapolis, Minnesota on May 14,1948, to John and Arlene Garry, John Arthur Garry became the eldest of three children. His K-12 education was in Dillon, and John received a bachelor's degree in electrical engineering from Montana State University. He later attended UCLA to complete his Masters in computer languages. His entire career of 42 years was spent with Northrup Grumman in El Segundo, CA.

He and his wife, Elizabeth, returned to John's home in 2015 where he immediately became part of the community by his participation in city government through the city council. At the time of his death, he remained on the boards of the Dillon Library, Beaverhead County Museum, the Federal Credit Union, was instrumental in the building of the Bike Walk SW and an active member of the Dillon Lion's Club.

Dubbed by some as "The Prince of Puns", John had a pun for every situation. His sense of humor would have appreciated this description of his job. Engineer--Someone who does precision guesswork based on unreliable data provided by those of questionable knowledge! Always a gentleman, his warm smile and witty personality will be missed by all as he passed early in the morning of October 31, 2022.

He is survived by his wife, Liz, sister Laurie (Jim) Hagenbarth of Dillon, and brother David (Nancy) Garry of Beaverton, Oregon, several nieces, nephews and great nieces and nephews.

No services are planned at this time, but there will be a "Celebration of Life" in the spring. In lieu of flowers, memorials may be made to any of the entities mentioned or a charity of the donor's choice.

Children's Giving Tree

The Children's Giving Tree is gearing up for Christmas 2022! The Tree will be at Rattlesnake Alpacas, 23 S. Idaho Street in Dillon.

The Tree is decorated with gift requests from families that are in need of extra help to ensure their child has a gift under the Christmas tree. Any one or any civic organization can take a request off the Tree, purchase the gift, and return the wrapped gift with the request tag securely attached, to Rattlesnake Alpacas.

Santa's elves will make sure the gift gets delivered to the deserving child. If you would like to put a gift request on the Tree for your child, pick up an application at Rattlesnake Alpacas.

If you have any questions,contact Gail at 406-660-2528.

RED ASPHALT

By "Swede" Troedsson

In the mid-eighties, late one afternoon, two of us volunteers on the local ambulance responded to a motorcycle wreck located on Interstate 15, just north of the High Bridge. The High Bridge crosses the Beaverhead River, about 1 mile north of Clark Canyon Reservoir, in Beaverhead County, MT.

Motorcycle wrecks are usually messy, so we expected to find the worst.

On approaching the accident scene, we could see traffic was stopped, and vehicle lights were flashing. As we crept into the accident scene, we viewed a long streak of blood on the asphalt. The thought crossed my mind "Gawd, what do we have here?"

As we parked the ambulance, the motorcycle driver climbed out of the ditch beside the highway. He was wearing a helmet with a chin guard, and dressed in a leather suit. He was covered with deer entrails and blood. He explained to us that he was traveling about 70 MPH when a deer jumped over his motorcycle. His rear view mirror sliced open the deer's abdomen, and the entrails and blood dumped on him.

The driver was shook, but other than a few scrapes, he was fine. His protective gear saved him from serious injury or death. We were relieved to return to Dillon without a patient.

Veterans Corner Update #176

By Mike Lawson

Greetings to those of you who read my SW MT Veteran update articles. Shannon Ray, our Disabled Veterans Outreach Coordinator/Workforce Consultant at the Job Service, is focusing this week on, WHAT IS O*NET?. This is a wonderful information source for any of you looking for information to get and prepare for a job. It's the Occupational Information Network, that is a unique, Comprehensive database of worker competences, job requirements, resources and more. Check out https://www.onetonline.org/ or for more on navigating on O*NET, contact the Job Service — for Butte, call 406-494-0300.

Another resource for you Veterans who want to start your own business is a non-profit called Warrior Rising. " Warrior is a 501c3 non-profit comprised of Veterans, it offers free entreneurship training to current and former military service members. Visit Warrior Rising for more information or contact it at programming@WarriorRising.org." Please include your e-mail in your responding message.

Our Toys For Tots donation and present boxes are located in our many gracious venders' locations in SW Montana. One of the corporations that have come on board recently, on the corporate level, is the Les Schwabs Tire stores in Butte/Dillon/Anaconda/Deer Lodge/Bozeman/etc.. This is a great addition to our TFT vender partnerships.

Tom Straugh from Dillon, reported that VFW Post 9040 and Legion Post 20 will be doing breakfast for the Community after a two year Covid/Health break. Serving will start at 0700 and go to 11:00 at the National Guard Armory on Veteran's Day. The Post meetings will be held, as usual, on the 2nd and 9th days of the month.

Here in Butte, our five Veteran Organizations are alive and well, doing their meetings and projects, they're involved with. November and December will be busy months for all of us and then things will be quiet until the Springtime. The next big event on the Veteran's front, is Veteran's Day on November 11th, with the various Veteran ceremonies taking place that day. Our other SW Mt. Communities' Veterans, will also be doing ceremonies for this special day honoring our veterans, who have and continue to protect and keep our country free. If there's any doubt about that, look at what's happening in Ukraine. In quoting Robert Bosworth, publisher and editor of the Quincy (Mass.) Sun, "Veterans are a cornerstone of the community and deserve recognition for everything they have done to defend our nation's freedom and to help build and sustain the fabric of cities and towns".

Western Women's Basketball

The University of Montana Western women's basketball team is eager to start the 2022-23 season after a fourth-place finish in Frontier conference play last season. The Bulldogs will begin their season with a home opener against Dickinson State (N.D.) this Saturday, their first home season opener since the 2018-19 National Championship season. After going 15-13 in the regular season, the Bulldogs received an opening round bid to nationals where they lost 67-78 to the University of Science and Arts (Okla.) in Santa Barbara, Calif and finished the season 15-14 overall. The Bulldogs earned a preseason ranking of No. 23 in the country.

"I like the makeup of our team this year." Coach Lindsay Woolley stated. "We have a few kids who have a bunch of experience in Brynley, Mesa, and Shainy; a couple transfers who will add a different dimension to our guard group in Jordan and Payton, and a strong group of freshmen. It might take us a little while to define roles with all of our new faces but we are excited about the team we will have come January."

Preseason Outlook

The Bulldogs are returning six from last seasons squad. Of these six, the Bulldog return all-conference and third-team All-American forward Brynley Fitzgerald. Last season, Fitzgerald started in 25 games and was her team's leading scorer as she averaged 18 points per game. She totaled 451 points on the season, was second in the conference with points per game, fifth for rebounds per game with 6.9, tallied 173 total rebounds on the season, and shot 44.6 percent from the field. "Brynley is extremely competitive and that competitiveness should lead our group. She has improved a different aspect of her game every summer and expect this year to be no different." Coach Lindsay Woolley said.

The Bulldogs are also returning redshirt senior Mesa King, junior Shainy Mack, and sophomore Joelnell Momberg. King started and played in all 25 games last season. She averaged 6.6 points and 5.4 rebounds per game, while also tacking on 17 blocks. "We can see that Mesa worked really this summer and it will pay off for her during

the season. She brings a ton of leadership and experience to the table." Woolley said.

Mack returns after she averaged 9.2 points per game for the Bulldogs last season. She had a 3-point percentage of .322 and tallied 110 rebounds. "Shainy is a tireless worker who sets a standard for her teammates every day. We are expecting a big year for her." Woolley said.

Momberg joined the Bulldogs last season as a freshman and earned an important role for this upcoming season after she averaged 5.4 points per game, shot .354 from the three-point line and .436 from the field. "With a year in our system under her belt now, we can see Nelly getting more comfortable and assertive in her role." Woolley said. "She's a kid with a lot of tools at her disposal on the offensive end

The Bulldogs added eight to their roster this season, including three transfers. Jordan Sweeney joins the Bulldogs for her redshirt junior year after transferring from Idaho State University. Sweeney played in 26 games for the Bengals last season and tallied a season high of seven points and six rebounds in a game against Northern Arizona. Payton Hagy joins the Bulldogs as a transfer from North Idaho College. She averaged 9.4 points per game and was her team's leading scorer last season. "Jordan is a highly skilled guard who is going to fit really well with our style of play and Payton is another guard who can handle it, shoot it, and has a really high IQ. This is a talented group we are bringing in. It might be the deepest freshman class we have signed since I have been here. We expect them to push our returners for minutes right away. As a group they are athletic, competitive, and high character student-athletes that are eager to be coached." Woolley said.

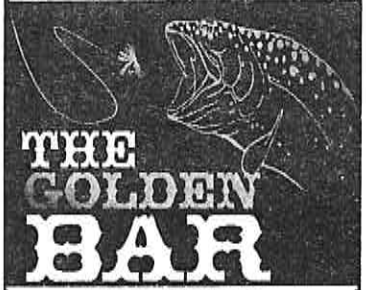

The Bulldogs will take to the court this Saturday at home against the Dickinson State (N.D.) at 3PM MST in the Straugh Gymnasium.

Cost: Approximately $5700 all inclusive (airfare, hotels, breakfasts and dinners)

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history. Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city. The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire. Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD. Byzantine Empire (395 until 1453), was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople. Muslim Ottoman Empire, (1299–1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building. Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today. In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage. Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of florae and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.
