Margaret L. Drew, Age 91, August 14, 1931 – October 27, 2022

Margaret L. Drew, age 91, of Dillon, MT, passed away Thursday, October 27th at St. James Hospital in Butte. She was born August 14th, 1931 in Stevensville, MT to Peter & Barbara Pfau.

She went to school 4 years in Stevensville before moving to Missoula, where she attended 2 years at Sacred Heart Academy. She graduated from high school in Stevensville when she was

16. She loved high school and was a cheerleader, probably starting her lifelong love of sports.

She married Donald Drew in December of 1949 and had 4 children, David (Kathie), Brenda (Scott) Cramer, Brian, and Philip. They enjoyed bowling, dancing, and trips to Jackpot. Don passed away in 1984.

Margaret worked many jobs in Missoula including Buttrey's Food and Cracker Barrel restaurant, where she won employee of the year.

She owned and operated with Don and family the Kentucky Fried Chicken restaurants in Dillon and Hamilton.

Margaret moved back to Dillon to help with the family business, Sparky's Garage restaurant, where she continued to be involved right up until her death. She met many new friends in Dillon.

In 2021, she moved to Big Sky Senior Living in Butte, where she made some new friends. She enjoyed bingo, card games, sing-a-longs and even exercise class.

Her greatest joy was being as close as possible to her family and friends whether in person, in writing, or on the phone. She loved bingo, cards, and playing the casino machines, 2 cruises, Grizzly football games and almost any other sporting event.

Margaret is survived by her four children, grand children Sean (Leah) Cramer, Kyla (Brad) Ward, Marcus, Cassandra, Chelsey, Christopher, & Brianne Drew, great grandchildren Ethan & Bella Cramer, London & Sayre Hyland, Adalyn & Violet Ward, Noelle & Zaria Edwardson and Emerson Drew. She will be dearly missed.

A funeral mass organized privately by the family and the church will be held at 11:00AM on Saturday, November 12th, 2022, at St. Rose of Lima Catholic Church in Dillon, MT. A Reception will follow at the Family Center.

For any questions related to services, please contact family members or the church at 406-683-4391.

Memorials in honor of Margaret can be made to the donor's choice.

Montana Western Reports Increase in Enrollment for Fall 2022

Officials at the University of Montana Western said current headcount for the fall semester shows the university's total fall semester enrollment is 1,347 students, with this year's incoming class the largest since fall 2017. The number of full-time equivalent students is 1,170.

Montana Western Director of Institutional Research, Charity Walters, said this year's incoming class increased by 7% in comparison with last fall and increased 18% from two years ago. Fall 2022's incoming class includes 267 new freshmen, 136 transfer students and 26 readmits.

"We are excited to see this increase in our enrollment because it means that more students are having the opportunity to benefit from our unique Experience One program and block scheduling model. Our top priority is providing students with immersive experiences in their fields of study, and the combination of experiential learning and the ability to focus on one course at a time opens so many doors for our students as they graduate and pursue careers or graduate school," said University of Montana Western Chancellor, Michael Reid.

Montana Western is the only U.S. public four-year institution offering Experience One where students take a single course at a time. This innovative program of teaching and learning has realized great success and stability over the past two decades in several student outcomes including retention, class completion, graduation rates, career placement, and graduate, law, medical, and veterinary school acceptance rates.

The university has also received a number of top rankings recently. Montana Western was ranked #3 in Top Public Schools, #4 in Best Colleges for Veterans, #8 in Best Regional Colleges, and #8 in Best Value Schools in the Western region by U.S. News & World Report in their 2022-23 rankings.

The Whole Kit and Kaboodle
 Wood Bank Fall Fundraiser Raffle kicks off at Pint Night Nov. 4
 The Beaverhead Community Wood Bank Ministry is planning a special event at Beaverhead Brewery on November 4. This Pint Night will celebrate the Wood Bank's 7th year since organizing as a local charity to continue the ministry of The Reverend Harry Neeley, providing gifts of firewood to warm the homes of people in need. More than 40 households each year in Beaverhead County benefit from the firewood that is cut, split, and delivered by volunteers, with the financial support of many more individuals, businesses, and organizations in our community.
 Sale of raffle tickets to win "The Whole Kit and Kaboodle" fly tying kit will begin at Pint Night on Nov. 4. Included is a custom workbench, a Regal vise with light and magnifier, two Herter's vises, a collectible Uncle Bob's fly box, an instruction book, and all tools and supplies needed, from feathers to forceps and thread to glue, in handy storage boxes. It has everything you need to start tying fishing flies for fun and profit. The kit was donated to the Wood Bank by David Hooks, a former Wood Bank delivery driver. One lucky winner will be chosen on December 15.
 Raffle tickets will be available at Womack's Printing Place and from Wood Bank volunteers. For more information about the Wood Bank and the raffle, call 406-596-3690.

CWD detected for first time in hunting district 311 near Cardwell

Wildlife health staff with Montana Fish, Wildlife & Parks recently detected chronic wasting disease in a white-tailed deer buck that was harvested by a hunter in hunting district 311.

The deer was harvested about 1 mile northeast of Cardwell on the south side of Interstate 90. This marks the first CWD detection in hunting district 311. However, the detection site was previously part of hunting district 333 but was added to hunting district 311 during FWP's biennial season setting process last year.

CWD has been detected in hunting district 333 previously. The recent detection near Cardwell is a moderate expansion of the disease's known distribution among white-tailed deer within the Jefferson River watershed.

CWD is a contagious neurological disease that infects deer, elk and moose. It is always fatal, and there is no known cure. It was first detected in Montana's wild herds in 2017. The disease is known to exist in other parts of southwest Montana, including the Paradise, Gallatin and Ruby valleys, as well as in other areas of the state.

FWP has conducted rotating surveillance for CWD throughout the state for several years. Hunting district 311 is within this year's priority surveillance area.

Hunters play a significant role in CWD management by providing test samples from harvested animals. FWP has provided resources to help hunters collect and submit samples for testing on their own. These resources and others can be found at fwp.mt.gov/cwd.

CWD is not known to infect humans. However, the Centers for Disease Control and Prevention (CDC) recommends that people not eat meat from infected animals and have their harvested animals tested before eating them if they were taken from an area where CWD is known to exist. For more information on CDC recommendations, please visit go.usa.gov/xAcnc.

Love in a shoebox!

This is a fun way to make a difference in the life of a child! Simple items: socks, pencil, huggable toy, crayons, coloring books, washcloth, notepad ball, a toy truck, school supplies, and many other items you can pick up at the Dollar store! Mary has the empty shoeboxes ready for you – just stop by and pick one up from the front porch! This is part of a national effort to help children across the country and around the world.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be Sunday, November 20th, 2022. Last minute drop off ok.

Shoebox details: **NOTHING** liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history. Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city. The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire. Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD. Byzantine Empire (395 until 1453), was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople. Muslim Ottoman Empire, (1299-1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building. Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today. In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage. Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of flora and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.
