Community Basement Store

The Community Basement Store located at St. Rose Church would like to thank everyone who has donated items this past year. Without the community's support, and the support of the volunteers who work here tirelessly throughout the week, the basement would not be a success.

Due to everyone's generosity, we receive hundreds and hundreds of items each week. Therefore, we need the help of everyone who makes donations. We ask that before dropping anything off, please wash your items and make sure they are clean. We are very happy to receive your clean, gently used items. Please do not donate ripped, torn, or stained clothing (especially undergarments) as we are not able to wash or repair anything. Those items will be thrown away. Also check your items for mouse droppings or any other feces (yes, it happens) before donating them. Due to health concerns for our volunteers, if any droppings are discovered, the entire bag or box of items will be thrown away. Items covered in cat or dog hair will be also be disposed of. Because we are very limited on space, we cannot accept furniture including baby furniture or car seats. We also cannot accept knives or any electric items. Check with the Community Support Center at 406-683-6106, the New Hope Pregnancy Center at 406-683-5259, the Friends of the Museum store at 406-683-0056, or the Beaverhead Animal Shelter at 406-683-8119 to see if they can take any of those particular items.

If you are dropping off items during hours that we are open, the volunteers would appreciate it if you would please carry your items inside the building and down the stairs. Do not leave your garbage or broken items by the dumpster. Please haul it to the dump yourself as we do not have the man power.

Any items left outside by the door immediately becomes the basement stores property.

Therefore, according to the police department, it is considered theft if anyone takes something left on the property. Many people have been seen taking items during all hours of the day and even in the middle of the night. The store prices are very reasonable, so there should not be any reason to steal things. If you are in desperate need of something and cannot afford the already inexpensive prices, please stop by during basement store hours, and we would be happy to work with you on getting the things you need. We do have a section of free items in the basement and next to the dumpster by the "free" sign.

On a side note, we would very much appreciate it if the person who took our phone repairman's tools, while he was working on our phones last week, would return them. Items taken were a Makita cordless drill, a special staple gun for round staples, a 6" level, a green 100' extension cord, an orange LED work light, and a modular end crimping tool in a small gray hard case. This hardworking gentleman needs his tools back so he can continue to work and support his family.

Thank you

'Volunteer of the Year'

South West Montana Retired Educators is proud to announce, and give a big CONGRATULATIONS to our 2022 'Volunteer of the Year', Laurie Hagenbarth. Laurie has been involved with music in Dillon for many years. Her name is synonymous with music education in this area and she is an excellent representative of the retired educators who continue to provide continued support to our community.

Following her graduation from the University of Montana, she returned to Dillon and began teaching piano and voice lessons, which she has done for forty-seven years. She served as the choir director for the Presbyterian Church for over thirty years and often serves as an accompanist to the congregation.

As choir director of Beaverhead County High School for twenty-five years, she taught many students who went on to win high praise at district and state music festivals. She is still asked to accompany many of the performers at the high school concerts, as well as when they compete at various festivals.

Laurie has also contributed to our community by serving as the president of the Community Concert Association for many years. She continues to teach piano and voice lessons and gives wonderful support with her many talents to Dillon. She has touched the lives of many of the young, as well as adults, within our state.

for December commission meeting**

Montana Fish, Wildlife & Parks is seeking public comment on several proposals slated to go to the Fish and Wildlife Commission in December. Comment is open through Nov. 18.

After public comment, commissioners can offer amendments to the proposals as they see fit. The proposals and supporting documents, commissioner amendments and collected public comment will be available on the FWP website on Dec. 2.

The commission will make a final decision on these proposals at its December meeting, which is currently scheduled for Dec. 16.

Approved commercial bait seining waters, 2023-24

For 2023-2024, FWP proposes 10 changes to the approved commercial bait seining waters to clarify where commercial seining can occur, add commercial seining opportunity and to remove some waters based on population abundance or overall fishery conservation concerns.

Adjustments to big game regulations for 2023 season

FWP is proposing amendments to license-permit type quotas and quota ranges and hunting district boundaries listed below.

Proposed amendments to quotas or quota ranges for:

- Antelope license-permit types 340-30, 350-30, and 370-30
- Elk license-permit types 380-01 and 380-02
- Mule deer license-permit type 370-01.

Proposed amendments to boundaries for:

- Antelope HD 360
- Deer/Elk HD 360
- Moose HDs 330, 332 and 333

City of Lewistown Urban Deer Management Plan

FWP supports approval of Lewistown's Deer Management Action Plan.

Rock Creek (Paradise Valley) water right lease

FWP proposes a water right lease agreement on Rock Creek in the Paradise Valley. The lease would benefit Yellowstone cutthroat trout.

Big Lake Wildlife Management Area (WMA) addition

FWP proposes purchasing approximately 115 acres adjacent to Big Lake WMA. The property provides valuable habitat for waterfowl and would benefit management of the entire WMA, reducing the workload for both FWP and the neighboring ranch.

To comment and for more information on these proposals, go online to <https://fwp.mt.gov/aboutfwp/commission/december-2022-meeting>.**THE STORAGE PLACE****750 Thompson Ave.

GROUND BREAKING

Recently, Bike Walk Southwest Montana broke ground on the building of two free public access pickleball courts at its bike camp inside Chris Kraft Beaverhead County Park, 1575 Overland Road near Dillon. The ground breaking was made possible by a donation from Beaverhead County and Rowe Excavation who donated labor and equipment to get the site prepped before winter sets in.

Dave Cowardin pointed out that there are still a number of things that have to be accomplished before the courts can be finished. Among the most pressing is rising of funds to complete the project. The total project is expected to cost in the neighborhood of \$40,000. Dave pointed out that the total cost will depend on the generous donation of business like Rowe Excavation. The donation of labor, supplies, and use of equipment will go along way to reducing the overall costs of the project. The next big step forward is the pouring of the cement slab which is not expected to be done until next spring.

If you would like to help monetary donations can be made to Bike Walk Southwest Montana (BWSWMT) Pickleball, PO Box 683 Dillon, MT 59725. Please provide an email address with your donation so we may properly thank you at minimal cost to the organization. Donations are tax deductible as BWSWMT is a 501c3 organization under the IRS.

Pictured (left to right) are President of Bike Walk Southwest Montana Larry Volkening, County Commissioner Mike McGinely, and Dave Cowardin Project Coordinator.

The tour begins in Thessaloniki (Thessalonica), Makedonia (Macedonia), second largest city in Greece and a UNESCO World Heritage site. Founded in 315 BC, it is the country's cultural capital with ancient buildings, top museums, festivals, cultural events and a key political, economic, military, and transportation hub throughout its twenty-three centuries of history. Classical Greek antiquity (8th century BC and the 6th century AD) King Phillip of Macedonia, and his son Alexander the Great ruled the area from the city. The Roman Empire (27 B.C. to 476) Thessaloniki was a co-capital with Rome in the later years of the empire and the Edict of Thessalonica made Christianity the state religion of the Roman Empire. Early Jewish and Christian History, the city housed a major Jewish community until the middle of WWII, and it was one of the first places where Christianity was preached when Apostle Paul visited the city in 50/51 AD. Byzantine Empire (395 until 1453), was the eastern half of the Roman Empire, it survived over a thousand years after the western half dissolved. Thessaloniki has been called the "co-reigning" city of this empire, alongside Constantinople. Muslim Ottoman Empire, (1299-1922) Thessaloniki had more than thirty-five minarets and the White Tower of Thessaloniki, a symbol of the city, is an Ottoman building. Modern Greece, (1821-today) Learn about the history of wars, monarchy, dictatorship, military regime, and the self-governing country we see today. In addition to Thessaloniki, the tour will play out in stunning locations throughout the Macedonian plain, highlighting its rich history and beauty. Participants will be immersed in archeological sites, art, culture, religion, and nature. Tour beautiful villages, churches and ruins reflecting the best of its multicultural heritage. Stand in awe of natural wonders including majestic peaks, gorges, national parks, rivers valleys, wetlands, lakes, islands, and a biodiverse ecosystem of hundreds of flora and fauna. There will be many opportunities to sample some of the best and most delicious local food products during the travels such as meat, fish, cheese, wine, pastries, and much more.
