Darrell Vance Johnson

Darrell Vance Johnson passed away on November 5, 2022 at the age of 81 in his home with his daughters by his side. Darrell was born September 22, 1941 in Dillon to Swen Elam and Jane Stallings Johnson. He was an only child and spent much of his childhood living in Bannack. Darrell served in the Army, worked for the Army Corps of Engineers on Clark Canyon Reservoir, and attended MSU before returning to Dillon where he met a California girl new to town, Linda Kathryn Doty. Darrell and Linda were married September 10, 1965.

Dad was a well-known and respected salesman for Southmont Tractor, Dillon Implement and then Frontline Ag. He could repair anything and helped many farmers and ranchers get their equipment running.

He had a love for the outdoors and spent a lot of time with friends and family fishing, camping, hiking, shooting, snowmobiling and being rock hounds. Beaverhead County was his home and he knew almost every square inch of it.

Darrell loved to work on his custom restored, 1940 Ford Coupe. It was his pride and joy. Darrell and Linda spent many summers traveling to car shows. Darrell was so proud of his car being featured in the famous "Good Guys" magazine—and that was before his restoration had been completed.

Although Dad wasn't much for talking about feelings, he was extremely proud of his daughters and his grandchildren.

Darrell is preceded in death by both his parents. He is survived by his wife, Linda, and daughters, Teresa Guinnane (Greg) and Sharon Sawyer (Tracy), and grandchildren Kaitlyn Sturtz (Tyler Ford), Tessa Sawyer (Isaak Koslosky) and Turner Sawyer.

There will be a celebration for Darrell's friends and family in the future. The family would like to give special thanks to Hospice and Dr. Combs.

Montana Western Cantabileers to Present Concert

The University of Montana Western Cantabileers, a select choral group, are excited to announce their Winter Concert to be held on Tuesday, December 6. The concert will be held in the Beier Auditorium on the Montana Western campus at 7:30 p.m. and admission is free.

The Cantabileers have worked all semester to put together a fun and dynamic program to share with the community. In this concert, students will conduct and perform traditional holiday songs, newer selections, and works in other languages. There will be ensemble pieces, solos, and duets, with accompaniment provided by Susie Steadman, Johnny Reedy, and body percussion.

The ensemble is an experiential course which highlights students in leadership roles every step of the way. The Winter Concert is both a demonstration of the time and creativity the students have put into their work and a fun musical event to celebrate the season with the community.

"One thing I love about the Cantabileers is the strong sense of community that develops as they try new things. The course started out decades ago as a select choir, but it's become so much more than that. The semester begins with students selecting pieces that fit the singers' voices. They have to consider the range of notes, the difficulty of conducting the piece, the complexity of how the parts interact, the language of the piece, and perhaps most importantly, what they will enjoy working on. Students have done some arranging, and they aren't afraid to experiment. We have a few pieces where students have put their own spin on things, and we're excited to share their talents and creativity with the community," said Dr. Debbie Seacrest, the group's director.

For more information, please contact Associate Professor of Mathematics and Director of the Cantabileers, Dr. Debbie Seacrest: debbie.seacrest@umwestern.edu or 406-683-7273.

The widow O'Bryan had her eye on Hank, but Hank was a bachelor confessed. His job at the Double Halo A Ranch kept him busy, more than the rest.

Hank didn't have time for flirtations. His life was the ranch and the cows. He promised to stay a lone cowboy. And never take the vows.

The thought of marriage seemed like shackles, he couldn't imagine the thrill. But the widow O'Bryan only saw it one way. To her Hank fit the bill.

She really didn't know the man. No matter, just the same. 'Cuz to her he was available. Someday she'd wear his name.

Thanksgiving Day was coming. She would need to make a plan. What could she do to make this cowboy want to be her man?

She knew old Hank wouldn't pass a meal of turkey and pumpkin pie. She would invite him over for dinner, then she'd snare this hunk of a guy.

Hank accepted her invite, reserved and cautious of course. But dreamed of having turkey so he saddled up his horse.

Now Hank was a man of punctual time, so early he did arrive. He knew too well the widow's scheme yet couldn't pass up a pie.

Hank tried to make conversation. The widow was preoccupied. She was fetching the bottle of hooch that she'd promised the preacher man if he lied.

She offered Hank a festive drink, with Hank that left no ebb. He now was moving on his way to a certain widow's web.

The widow wasn't gonna let Hank's whiskey glass run dry. Just to get him here took all her wits. There weren't bigger fish to fry.

Hank ate a bite of turkey. It was luscious to the taste. But the widow's booze caused him to lose and left him one big waste.

As Hank woke up and cleared his head the widow placed the band. He was a might confused about the gold ring on his hand.

But then he spied the preacher with a fifty in his fist. He was sneaking out the back door. He had promptly been dismissed.

So if you're the only bachelor at this next Thanksgiving meal. And a preacher sits beside you, I'd stand up and turn to heel!

Sagebrush and Snowdrifts 4-H News

By Secret Petersen, Club Reporter

The Sagebrush and Snowdrifts 4-H club had their meeting at the 4-H building at 7:00 p.m. November 7th. Our president, John Weldon, called the meeting to order and Kelly Webster led the 4-H pledge and Evie Wilson led the American pledge. Jacob Weldon, gave the treasurer's report. We discussed old and new business. Secret Petersen asked if anyone would be willing to help with the Community Thanksgiving Dinner held at the St. Rose of Lima family center on Thanksgiving Day. Anyone wanting to help needs to contact Carice Yuhas or the Family Center. We voted to do a Thanksgiving basket to some family within our community. Gavin Wilson's family will put the basket together and deliver it to the Social Service Center for a family. We are also giving a Christmas gift to a needy family. Members signed up for different committees for the new 4-H year.

Secret Petersen, Sage McKnight, Evie Wilson, and Kelly Webster are on the committee for the Christmas Party and meeting.

We received awards and money for ribbons and other awards given from this past year of projects.

We elected officers for 2022-2023 4-H Year. John Weldon, President, Guy Holt, Vice President, Jacob Weldon, Treasurer, Ellie Weldon, Secretary, Gavin Wilson, Historian, Secret Petersen, Reporter, Jaysun Molenda and Liam Marlowe, Information Officers, and Liam Marlowe and Evie Wilson, recreational officers.

Secret Petersen moved the meeting to be adjourned and Gavin Wilson seconded the motion. Our next Meeting will be December 5, at the 4-H building at 6:30 for our Christmas Party. We will be having a white elephant gift exchange during our Christmas party.

Beaverhead Search and Rescue News

Submitted by Mel Rice-Public Relations Officer

The Beaverhead Search and Rescue held its monthly meeting last Wednesday, November 19. The meeting was called to order by commander Lawrence Morrisroe at 7:02 with 29 members in attendance. Roll was taken along with the introduction of guests, treasurer's report given, and a recap of training opportunities coming up.

There was then a recap of all the search/rescue activities that have occurred since the last meeting. These included the search for a lost hunter in the Bull Creek drainage, East Fork Blacktail rescue, body recovery in the Selway Creek drainage, rescue of elderly gentleman in the Teddy Creek drainage, and 4 other InReach 911 hits that did not need response from the unit.

The unit will be purchasing new equipment with Mill money and with a donation from Pioneer Federal Savings and Loan. The new equipment includes a Can AM 1000 ATV, a 2010 Polaris 800 XP which is being acquired through the Government Surplus program, a body air splint, and communication equipment. The unit has been waiting for the arrival of our new Kenwood hand held radios. They are here and a training session will be held on the operation of these new radios as well as communication procedures and etiquette anytime someone is talking on the airwaves.

The next order of business was the introduction of the units 3 new probationary members. They are Joe Reyes, Jamie Rawson, and Jaime Triveete. If you see these individuals out and about during your travels, please congratulate them and thank them for their service.

The last order of business was a report from Tara Remely on the unit's annual fish derby. The next derby will be held January 13, 2023. Sounds like a long ways away but it's only two months. Get those ice augers sharpened up right after you put away the rifles. Everything will be the same as the last few years, more details to come next month.

After the general meeting was adjourned, the unit had a short training session with BJ Klose on the use of the phone app, "I Am Responding". Some members of the unit have been having trouble getting the pages when we get called out and/or being able to understand them. This training was to get everyone acquainted with the program and know how to use it. Thank you BJ for giving

up your time that evening to help us out.

The weather has warmed somewhat but it is still very chilly out there. Please don't put yourself in a situation that could be life threatening due to the arctic weather. Not only is it cold, there is also lots of snow now. We have been fortunate not to have had lots of wind but even the little bit we've had has moved the snow around and has created horrible driving conditions in the mountains. Please be very careful. Know what you're getting into and have all the proper equipment with you. Also be aware of snow conditions on the slopes. With winds starting to load slopes with the moving snow, avalanches will become more and more prevalent. Take care out there. "In the Business of Saving Lives", your Beaverhead Search and Rescue.
