Alan Weltzien signing books during Christmas Stroll

Dillon author O. Alan Weltzien will be signing books at The Bookstore on Friday, December 2nd from 5:00-7:00 during the Christmas Stroll. Weltzien, Professor Emeritus of University of Montana Western retired in May of 2020 after 40 years of full-time teaching. He has published 10 books and four chapbooks. His most recent work, *On the Beach- Poems 2016-2021* marks the author as a major Montana Poet.

This collection threads decades of geographies into a collection of heartfelt memories and conjectures. He explores what it means to grow up and grow older, what it means to be a son, a husband and a father. These are poems of work, books, history, friendship and returning home. Other titles available include: *Savage West: The Life and Fiction of Thomas Savage*, *The Comfort Pathway: Walking and Writing Through Death and Grief*, *When the Smiles Stopped*, *A Father and an Island* and *Exceptional Mountains*. Two other poetry collections will also be featured, *To Killimanjaro* and *Back and Through the Basement of Time*. Be sure to partake in the annual Christmas Stroll. Santa will be in town, the Parade of Lights is always fun. The Dillon Merchants will be offering free hot chocolate and a free gift wrapping station. Autographed books make a great gift. See you at the Stroll

If you have any questions please call The Bookstore at 683-6807

Court ruling reinstates the 2022 wolf hunting and trapping regulations

Montana's 2022 wolf regulations passed by the Fish and Wildlife Commission in August will go back in effect immediately after a court ruling in a lawsuit against Montana Fish, Wildlife & Parks denied the plaintiff's motion for a preliminary injunction and lifted a temporary restraining order.

The lawsuit challenges Montana's wolf management. Two weeks ago the judge in the case issued a temporary restraining order reverting wolf regulations back to the 2020 wolf hunting and trapping season. That temporary restraining order expired Tuesday.

Though the court denied the plaintiff's motion for a preliminary injunction, the lawsuit is still ongoing.

Wolf hunting season is open across Montana, as defined in the 2022 wolf regulations. This includes wolf management unit 313, which borders the area north of Yellowstone National Park. The quota in this WMU 313 is six wolves.

Trapping for wolves remains closed in areas with occupied grizzly bear habitat.

Bear activity is still high in many areas as bears prepare to enter their winter dens. Trapping season in occupied grizzly bear habitat will be closed until bear activity decreases or Dec. 31, whichever comes first. FWP staff will assess bear activity on a weekly basis and may open areas to trapping if bear activity decreases.

Michael Lee Gordon

Michael Lee Gordon passed away November 9, 2022. Services will be held at 11:00 on December 3rd at Brundage Funeral Home with interment immediately to follow at Mountain View Cemetery.

Reception will be held at Mac's Last Cast, at 1:00.

By Mike Lawson

Being a Veteran and knowing our freedom in this country and the freedom any country enjoys, is only possible when protected/ maintained by having a strong military. We must never take this for granted. This being said, its our young men and women who join the military, after high school and college, who are the ones who become the backbone of our Armed Services. Many start/prepare early in high school by joining a ROTC type of youth program. This gives them a "jump start" if they go on to join a military service, after high school or college graduation. In the Las Vegas/ Clark County School District there are 72 High-schools. A great many of them have these pre-military youth-programs. They compete against one another, in marching/drill and other skill sets that they are trained in. In Butte there is the Civil Air Patrol and in Billings there are the Young Marines. We need your support and encouragement in getting our schools, communities, veteran's organizations and recruiting offices, to get behind creating more of these programs. T

Our Veteran Honor Guard Details, continue to bury our Veterans who have died, with a burial ceremony that includes the Firing Squad firing a three Round Volley and then the Bugler, sounding Taps. This is a very solemn "Tribute Of Respect", given to one of our own, and appreciated by the deceased veteran's loved ones.

A bit of good news is that The National Defense Authorization Act of 2022" authorized a free lifetime pass to national parks and other federal recreational lands, for eligible Veterans and Gold Star Families. A veteran is one who has served in the United States Armed Forces, including the National Guard and Reserve.

A Gold Star Family is the next of kin of a member of the US Armed Services, who lost his or her life in a "qualifying situation" such as a war, an international terrorist attack, or a military operation outside of the United States, while serving with the United States Armed Services.

A bright light shines for a Veteran business owner, who only being in business for two years, received the Small Business Administrations's 2022 Montana Veteran-Owned Small Business of the Year Award. His name is Nate Kouhana, from Bozeman, who owns the Anthem meat snack company that sells beef jerky. The impressive thing is that he gives 10% of the profits to veterans, first responders and nonprofit organizations. S

There's a lot of Christmas activities that are happening during this month of December, that are open for all to enjoy. Many local organizations will be looking for ways to help the less fortunate. If you know of any in this position, have them reach out to the Marine "Toys For Tots", Mining City Christmas, Butte Food Bank, Salvation Army, Rescue Mission or individual Churches throughout our Communities in SW MT.

"Toast to our Absent Members"

The first Sunday in December marks the day we pay our respects to Elks before us. When we initiate new members, we offer a "Toast to our Absent Members," promising new members "we will never forget them." Fulfillment of this promise is key to an Elks existence.

This date is saved for our predecessors, without whom we would have neither Lodge, nor Brotherhood, nor all we share as Elks.

The Dillon Elks Lodge will be conducting an annual Memorial Service on Sunday, December 4 at 2PM in the Lodge Room. The public is invited to this event and a reception with refreshments will follow the service.

Now is the Time - Festival of Trees

Wolf trapping not yet open in occupied grizzly bear habitat areas

While wolf trapping season opened Nov. 28 in most parts of Montana, wolf trapping is not yet open in areas in or near occupied grizzly bear habitat.

Trapping in these areas, which includes sections of trapping districts 1, 2, 3, 4, and 5, will start Dec. 31 unless opened earlier by Montana Fish, Wildlife & Parks due to evidence the majority of bears in these areas have begun hibernation.

For more information, including updates on the trapping season open dates for areas in or near occupied grizzly habitat, please see fwp.mt.gov/hunt/regulations/wolf
