Dillon Airport Host The Rare Howard 500

Jeremy Cawford Southwestern Montana News

The Dillon Flying Service had a very rare special visitor on Thursday afternoon. The airport was the landing place for a Howard 500. The Howard 500 only had 17 built to the full Howard 500 standards and as of today only two of them exist in flying condition. The plane was built as a high-end private plane before private jets took off. The plane can hold 10 to 14 passengers, has a bathroom in the rear and weighs 23,000lbs empty. It has a maximum speed of 410 mph at sea level and a cruising speed of 350mph. It is powered by two Pratt & Whitney R-2800-CB17 eighteen-cylinder two-row radial engines, that produce 2,500 hp each.

The magnificent, rare plane was headed back to its new owner and the pilot Bernie White of White's Aircraft restoration is good friends with Claire and Rand owners of Dillon Flying Service. Dillon was the perfect spot to make a stop for fuel as well as catch up with his friends.

Watching this magnificent plane land at our local airport, I was inspired to do my own research and discovered many aviation enthusiasts track the tail numbers on these two existing planes, in hopes of catching sight of one up close. It was a great reminder that we live in a tight-knit community, and that we should treasure these rare moments. With the help of the Bailey's, I was able to capture this aircraft in pictures and videos, a treat for the community to witness, and would love to express my gratitude to all involved. Keep on flying, folks!

DMS NEWS December 12-16, 2022

The lunch menu for the week is as follows: Monday we will enjoy empanadas. Tuesday, taco casserole will be served with refried beans. Wednesday, we will have local beef hamburgers served with trimmings. Thursday, we will enjoy scrambled eggs served with sausage. And on Friday, Stromboli will be served with mac and cheese.

We have results for boys' basketball. The boys' "A" teams traveled to Butte Central: seventh grade won, while eighth grade came up short. Then the "A" teams went to Helena for a tournament: both teams played well. The seventh grade "A" team won the tournament, while the eighth grade team ended up in the middle of the pack. Then a cancelled game with Anaconda was rescheduled in Anaconda. The eighth grade teams won, while the seventh grade teams lost..We will give you the final results on boys' basketball next week.

Students, keep up the work on bringing in food items for our school wide food drive. We like to be a part of helping our fellow community members. This weeks' incentive is going early to lunch for the eighth period class that brings in the most items on Wednesday. The first incentive was won by Ms. Greil's class and they received donuts.

Student Council is hosting a spirit week this week before our winter holiday break. There is a door decorating contest. Doors will be judged on Friday morning. The theme is winter holiday. The best door will win a pizza party after the New Year.

We will also be dressing up each day. Today, Monday, is ugly sweater day. Tuesday, wear your Christmas PJ's. We will enjoy Wacky Wednesday. Then on Thursday, dress up like a Christmas tree. Friday, dress like the Grinch. Then next Wednesday, on the half day, dress up like Santa Claus. There will be prizes each day for the best dressed student.

Just a head's up…next week will be our DMS winter concert, Monday, December 19th at 6:30 PM in the Parkview gym. The sixth, seventh, and eighth grade bands and choirs will be featured. It is open to the community, so come on out and enjoy a delightful evening of holiday music.

DOJ Alert: Hoax active shooter calls being made across Montana

Law enforcement have responded Friday to hoax calls about an active shooter in multiple parts of the state. There has been no evidence of an active shooter and no actual threats found.

The calls have been made to dispatchers in Billings, Colstrip, Forsyth, Manhattan, Miles City, Red Lodge, and Cascade and Madison counties.

"This is likely an orchestrated hoax tactic called swatting," Division of Criminal Investigation Administrator Bryan Lockerby said. "We are assisting with the coordination of these incoming threats to further the investigation and identify the source of the calls."

Similar series of hoax calls have also been reported recently in other states including South Dakota and Oklahoma
