MCH and UMW Announce Horsemanship Conference and Film Festival

The Montana Center for Horsemanship, in partnership with the University of Montana Western and Equus International Film Festival, are pleased to announce the theme and dates for next year's international equine education conference, co-hosted by MCH and UMW. "The Trail Forward in Horsemanship Education" will be held at the Montana Center for Horsemanship in Dillon, Montana, September 7-9, 2023.

Leading trainers, educators, equestrians, ranchers, clinicians, filmmakers, equine scientists, and researchers will be among the presenters. The annual conference is open to all interested in attending, including members of the public and students of all ages.

Equus International Film Festival, featured during the conference, has opened the Call for Entries on FilmFreeway.com. Award-winning films will be featured at MCH and in the state-of-the-art Beier Auditorium on the historic campus of Montana Western during the three-day gathering.

In keeping with the MCH mission, a new film entry category has been added titled "Western Way of Life and Horsemanship," which reflects the traditions, culture, and lifestyle of the American West built around horses and horsemanship, ranching, and the agriculture industry.

Janet Rose, MCH Coordinator of the annual conference says, "the Western way of life is recognized around the world as a cultural icon, just as horses are an American icon. Horses helped to build our country and our Montana economy, and this conference and film festival highlights and celebrates this continuing legacy."

The Equine Studies Department at the University of Montana Western offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

For more information on conference participation and sponsorship, please contact the Montana Center for Horsemanship at 406-925-3270 or email janet.rose@williamkriegelfoundation.org.

To learn more about the University of Montana Western and degree options in Equine Studies and Natural Horsemanship, please call 877-683-7331 or visit www.umwestern.edu.

Valley Garden Fishing Access Site closed temporarily due to flooding

Valley Garden Fishing Access Site northeast of Ennis has been closed temporarily due to flooding.

Ice jams on portions of the upper Madison River have caused water, ice and debris to flow into the site, inundating the access road and creating unsafe conditions for visitors. Access to the site will be restored as soon as conditions allow.

Seasonal flooding may impact access at other sites throughout the winter. Visit fwp.mt.gov to learn more about temporary closures that may be in effect across the state.

Migratory Habitat Win in Nevada

The Rocky Mountain Elk Foundation successfully collaborated with a landowner to conserve 12,122 acres of elk and mule deer habitat, a vital migratory route, in northeast Nevada. The voluntary conservation agreement is adjacent to more than 15,000 acres of public land for hunting, fishing and other recreational activities.

"This is an all-around win for elk and other wildlife, hunters and for the landowner group," said Kyle Weaver, RMEF president and CEO. "We express our gratitude to EFM Investments & Advisory for working with us to conserve this valuable landscape."

The Pole Canyon property is about 40 miles east of Elko. It serves as critical transition and summer range for elk as well as a calving area. It is also home to bighorn sheep and provides summer, winter and transition range for the largest herd of migrating mule deer in the state.

"The terrain and its accompanying habitat are unique to Nevada and that's why this agreement is so important," said Blake Henning, RMEF chief conservation officer. "The property contains sagebrush, aspen and mahogany stands, scattered whitebark and limber pine stands, meadows and pastureland. And because several streams cross it, there's also rare and valuable riparian habitat."

RMEF appreciates funding partners, which include the Nevada Department of Wildlife, National Fish and Wildlife Foundation, Bass Pro Shops/Cabela's Outdoor Fund and Nevada Bighorns Unlimited – Reno/Fallon/Midas and Elko Bighorns Unlimited.

DMS NEWS December 19-24, 2022
 Here's the Dillon Middle School News for the week of December 19th through the 24th, 2022.
 The lunch menu for the week is as follows: today, Monday, we will enjoy ham sandwiches. Tuesday, roast beef will be served with mashed potatoes and trimmings. Wednesday is a noon release so only a grab and go breakfast will be served.
 We will get out for our winter break this Wednesday at noon, and will enjoy a nice winter holiday, returning Tuesday, January 3rd, 2023.
 We have a final result from boys' basketball. In their last game against Anaconda, both seventh and eighth grade "A" teams pulled off wins, while the "B" teams were divided... 7B pulled off a win, while 8B came up short. Great job, guys on a great season.
 Girls' basketball will begin on Tuesday, January 3rd. Ladies, please make sure you have your physicals into the DMS office and your online activities packet completed. Sixth grade girls' basketball will begin Monday, January 9th. Seventh and eighth grade girls' basketball pictures will be Friday, January 13th.
 DMS is hosting a Book Club for all 6th, 7th, and 8th graders interested in once-a-month meetings about books! Beginning in December, students hear a book talk for 3 book choices. If the student is interested in that month's book offerings, they can sign up to read 1 of the 3 books! The book is theirs to keep if they pay the \$1.00 book fee to stock up future book choices. Over 25 students attended December's meeting and sign-up for Book Club. They each now have their book in hand to read over the course of the next month before attending January's meeting for lunch and book discussions with fellow book club members who read the same book as them. A new set of books for the choosing will be available again in January! Come join the bookish fun!
 Tonight, Monday, December 19th is the DMS Christmas Concert. The concert will begin at 6:30 PM, and will be held at the Parkview gym. The concert is open to all community members. Please enter and exit through the district office doors.

Last week, student council hosted a winter spirit week. Although most of the results will have to wait until after the new year, we have a couple of results. Winning the "ugly sweater contest" was Trinity Zeren. Winning the Christmas PJ contest was Mya Creighton. Students did such a great job dressing up all week. Stay tuned for results of the rest of spirit week.

This is the last week for our food drive campaign. Keep those food items coming. Last week's incentive....dodge ball was won by Mr. Anderson's 8th period class. Food will be delivered on Wednesday, December 21st.

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.

We would like to wish our reading audience a very Merry Christmas and a Happy New year. We will be back the beginning of January 2023

Lottery chances available for trophy bison hunt on the Blackfeet Reservation

Those interested in entering a lottery for a guided trophy bison hunt on the Blackfeet Reservation will have two opportunities to enter the drawing. The first lottery drawing will be held Jan. 17; the deadline to enter is midnight on Jan. 16. The second lottery drawing will be held Feb. 24; the deadline to enter is midnight on Feb. 23. The hunts will be held in March.

Chances are \$10 each, and hunters can purchase up to 20 chances. The lottery is open to all hunters – tribal members, nonmembers, Montana residents and nonresidents. Winners must pay the Blackfeet Tribe \$2,500 within one week of successful draw to secure the hunt. Successful hunters can keep the bison's head, hide and meat.

To enter the drawing, go to: fwp.mt.gov/buyandapply.

For more information, contact the Blackfeet Fish and Game office at 406-338-7207.

HIM Coder Certified

Barrett Hospital & HealthCare invites applications to fill a Certified Medical Coder position to join our team of professionals. As a member of the Health Information Management team, the Certified Medical Coder performs highly technical and specialized functions for Barrett Hospital & HealthCare. The Certified Medical Coder reviews, analyzes and assigns appropriate diagnostic and/or procedural information to ensure compliance with established coding guidelines, third party reimbursement policies and regulatory guidelines. The Certified Medical Coder must have demonstrated experience in abstracting and can assure final diagnoses and procedural documentation as stated by providers are valid and complete. The Certified Medical Coder must possess advanced knowledge of medical terminology and coding conventions (ICD-10 CM, CPT-4, HCPCS) with established rules by the American Medical Association, and the Centers for Medicare and Medicaid Services (CMS) for the assignment of diagnostic and procedural codes. Incumbents must have a passion for teamwork, customer service excellence and enjoy working with the public.

Minimum Qualifications: High school diploma, GED, or equivalent required. Two years' experience as a medical coding professional in a hospital or clinic setting. Active CCS, CCS-P, CPC or RHIA certification required through AHIMA or AAPC.

This position is a full-time position and is eligible for the full benefit package

Registered Nurse – Home Health & Hospice

*****\$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Registered Nurse (RN) position to join our Home Health & Hospice team. The RN provides direct care and supervision of patients receiving Home Health & Hospice Services. The RN ensures the quality and safe delivery of home care services, delegates and performs all aspects of patient care in an environment that optimizes patient safety, assists the Home Health & Hospice Manager in meeting Federal and State regulations and standards. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public.

Minimum Qualifications: Associates degree in Nursing required. BSN preferred. Current Montana Licensure as a Registered Nurse (RN) required. Two years directly related experience preferred, or combination of education and experience may be considered. Basic Life Support (BLS) required. Travel is required for this position and candidates must have a valid and unblemished drivers' license.

Patient Services Coordinator

Barrett Hospital & HealthCare invites applications to fill a Patient Services Coordinator position to join our Clinic team. The Patient Services Coordinator provides a full range of receptionist and clerical supportive services including greeting visitors, providing general information to patients either in person or on the telephone, maintains the switchboard, interviews patients for pertinent account information, verifies patient insurance coverage/eligibility, and enters new patient information into the electronic medical record. The Patient Services Coordinator protects the privacy of patients, physicians and employees in accordance with policy and regulatory requirements. The successful candidate will have a passion for customer service excellence, possess a high standard of communication skills, and enjoy working with the public.

Minimum Qualifications: High School Diploma, GED or equivalent required. A minimum of one to three years related healthcare experience and/or training; or equivalent combination of education and experience preferred. Candidates who are bilingual in English/Spanish are preferred.

This position is a full-time position and is eligible for the full benefit package

Barrett Hospital & HealthCare
is proud to be an Equal Opportunity Employer.

Patient Account Representative-Registration

The Patient Financial Services Department at Barrett Hospital & HealthCare invites applications to fill a Patient Account Representative-Registration position to join our team of professionals. The Patient Account Representative is responsible for timely and accurate patient registration tasks and processes. The Patient Account Representative interviews patients for all pertinent account information, verifies insurance coverage, establishes need for pre-authorizations, financial counseling, and recovers co-insurance, deductible and/or self-pay payments, as necessary. The Patient Account Representative ensures the collection of appropriate signatures for treatment, medical records, and insurance processing. The Patient Account Representative displays courtesy and sensitivity in managing difficult or emotional customer situations.

Minimum Qualifications: High School Diploma, general education degree (GED) or equivalent; with one year of related experience and/or training; or equivalent combination of education and experience may be considered **Qualified candidates will be required to complete a Patient Financial Services Departmental Workplace Questionnaire/Survey prior to being considered for a formal interview to assess basic customer service skills and industry related competencies

This position is a full-time position and is eligible for the full benefit package

Ambulatory Clinical Informatics Specialist

Barrett Hospital & HealthCare invites applications to fill an Ambulatory Clinical Informatics Specialist to join our team of professionals. The Ambulatory Clinical Informatics Specialist, in conjunction with the clinical informatics and IT team, is responsible for assuring the overall successful use of information technology to optimize patient care delivery in collaboration with medical staff, leadership, and hospital staff. The Ambulatory Clinical Informatics specialist coordinates and participates in the ongoing maintenance, training, and modification of the clinical components of EPIC and other clinical modules/systems in conjunction with the Informatics/IT department. Serves as clinical technical liaison between Medical Staff, hospital staff and Information technology EHR support team.

Minimum Qualifications: High school diploma, GED or equivalent and an Associate's degree required. Bachelor's degree, preferred. Three to five years of ambulatory, outpatient, or Provider Clinic Practice job-related experiences; or proven equivalent combination of education and directly related work experiences that provide the required knowledge, skills and abilities. Extensive knowledge of computer systems including electronic health information systems required. Background in education or training a plus. Willingness to continue education in clinical informatics as required for this position. Required to successfully complete Providence Epic Ambulatory Credential training program within one year of hire.

This position is a full-time position and is eligible for the full benefit package
