Kory Stephen Dyk

July 20, 1984 - December 25, 2022

Kory Stephen Dyk, 38, of Laurel, MT unexpectedly passed away in his favorite place—his home shop—on December 25, 2022. It is fitting that Kory, a faithful Christian, joined our Lord and Savior on His birthday.

Kory will be missed by many, especially by his family whom he adored. Fynnly (10), Scout (8), and Mack (6) were Kory's top priority. One of Kory's favorite things to do with Fynnly was to build Legos and watch Lego Masters. They started building Legos together before Fynnly could walk. He also passed on his love of rock music to his girl. With Scout, Kory spent many hours in the shop working on RC's and drones or playing video games. They were frequently seen cruising down the road together in the International Scout, a tractor, a pickup, or some other vehicle. Kory taught Mack many of his dance moves including the fist bump, and the two were often seen rocking out and dancing in the kitchen or basement. Mack also loved joining Kory in

the shop and helping him clean. Although some might say Kory's next love was his wife and high school sweetheart, Ashlynn, she would argue that his next love was tractors. After many years dating/engaged, they were married in Dillon, MT on June 27, 2009 spending 20 years together.

Kory followed his father's footsteps studying Petroleum Engineering at Montana Tech where he made life-long friends and played football for the infamous Coach Green. He was a workaholic who took a great deal of pride in his job and rightfully so; he was very good at what he did which was recognized by many. He had a heart for the guys on the ground doing the field work where he also liked to be found. He frequently observed and instantly respected those whose hands were dirty, stained, and/or torn up. Kory was a rational thinker (sometimes to a fault) and a good teacher. He enjoyed many hobbies including dirt biking, football, RC's, Legos, camping, welding, and so much more. Mostly, though, Kory enjoyed tinkering on mechanical things and building, rebuilding, and/or restoring old vehicles and tractors including the International Scout. He frequently acted like his toys and adventures were for the kids/family, but everyone who knew Kory knew he was a [really big] kid at heart who was reliving his childhood with his own children.

Kory is survived by his three children Fynnly, Scout, and Mack; wife Ashlynn; parents Joe (Diane) Dyk and Gwen (Rod) McRae; parents-in law TJ and Gayleen Reynolds; siblings Chris (Terra) Dyk, Lisa Alex, and Tyler Dyk; brother-in-law Lynn (Shannon) Reynolds; grandmother Arlitta Fenner; and many cousins, aunts, uncles, and friends.

Services will be held at The Rock Church in Laurel, MT at 2:00 p.m. on Thursday, December 29, 2022. All are welcome to join.

Sagebrush and Snowdrifts 4-H News

By:Secret Petersen

The Sagebrush and Snowdrifts 4-H club had their meeting on December, 5, at 6:30 p.m. at the 4-H building.

President John Weldon called the meeting to order. Secret Petersen led the American pledge and Liam Marlowe led the 4-H pledge. Our Secretary, Ellie Weldon, read the minutes from our November meeting, and took attendance in which we shared our favorite winter activity.

Treasurer, Jacob Weldon gave the Treasurer's report on the money we made from selling butter braids. He talked about dues for 4-H project books and who still needs to pay their dues.

Vice President, Guy Holt reported on the thanksgiving basket; what all they bought and put in the basket.

Leader, Christy Weldon, reviewed the new rules in our club . Which included; club members gone for 3 unexcused absences will lose some of their premium money, and if they are gone for 5 unexcused absences they will be dropped from the club.

Secretary Ellie Weldon discussed the Washington Focus Trip and we discussed giving money to send her and President John Weldon this year.

We discussed the honey sales and the butter braid sales this year and plan on doing them in the spring.

Mrs. Holt talked about the Christmas basket; who had signed up for it, and what they needed to include in the basket.

Leaders, Cathy Holt and Christy Weldon, made sure each club member has all of the projects listed they signed up for this year.

We talked about some re-enrollment rules. Then the club congratulated Liam Marlowe for his second place winning at the state lamb carcass evaluation.

We completed our meeting by having a Christmas party and playing games. We are still figuring out when we will have our next meeting in the month of January because of the celebration of New Year's Day.

Zoning Regulations Future

By: MJ

The Montana League of Cities & Towns is an incorporated association for the 127 incorporated municipalities in MT. They submitted to the local representatives of the municipalities in October 2022, a draft of the Governor's Housing Task Force report. The "Housing Task Force" was created by Governor Gianforte to study affordable housing, find possible solutions for the house shortages in Montana... *Does Dillon have a shortage? If so to what magnitude?*

Studies have shown that the building of a house costs the builder 23± because of regulations required. **Questions:** Does this say that the laws and regulations in communities are antiquated and need to move forward with the times and needs of the point in time? Realistically, is it possible for a zoning document to work for the betterment of societies over extended times? If you own a business can you make a plan that will last 10± years without adjustments ?

The local leaders and representative are the people with their hands on the pulse and have the knowledge that contributes to housing shortages in MT or do they?. **Note:** The further you get the control from the individual people the easier it is for leaders to vote in favor of themselves, their friends, other organizations, money... **Question:** Do we want some committee selected by the state government, that will seat a few select members representing locals and making binding regulations that may or may not be a fit for your local community? Oh, they will tell you that the people on the committees will be well qualified citizens to make the important decisions. Committees are developed to represent the originator and that means they will place people on the committee that will do them favor. In this case the State of Mt.

Question: Are the local leaders in contact with Mr. Welborn and Mr. Welch or members of the Governor's "Housing Task Force" discussing issues important to Dillon? Does Dillon have facts and figures on population increase, housing shortages in the city and the county? Does the city government know why the county is growing with sub-divisions and the impact that growth has on the city infrastructure?

Question: Is there a possibility that surveys could be done locally to gather important information needed to make the decisions needed

to be made. Surveys that tell the stories of tourism, local businesses, ag business, logging, retail, wages, employees, hospital, college, government units... **Solution:** *Would it have been possible to have taken some of the covid money and other taxpayers' dollars the city received to broaden and advance information in the "Growth Document" with authentic actualities on who, where, why and what Dillon is today and will possibly be in the future? Is Dillon shooting from the hip and have little information available.*

Veteran's Corner. Update #184

By Mike Lawson

Greeting to those of you who read my SW MT Veteran's update articles. It's Christmas Eve and we just returned home from church and had dinner ,which included Christmas cookies. The sweets have been my downfall, lately. My New Year's resolution will defiantly be one that curtails the many dessert/sweets I've overindulged in, this holiday season. The Christmas lights and music are welcoming in setting this season's mood. Gift opening, in our family, has always been on Christmas morning, so the anticipation makes for a short night's sleep. It's more so for the kids than the adults. I can't help but feel good about all the toys that we, through the Toys For Tots Campaign, gave the many needy families in our SW MT communities that we served. Their kids will be filled with joy to have these gifts to open. Knowing this, is our reward in doing all that we do to make this happen. We couldn't do this without all of you, in our communities, who donated gifts and money to TFT's. Many thanks to any of you who made these donations. Christmas Day will have seen many gatherings of families/friends who will share holiday dinners together, as well as gift giving. It's that time of year where differences are set aside, peace prevails and visiting is a healing balm. For those of us who have a belief in Christ Jesus, across the world, it's one of the most important days of the year. It is also a time to enjoy this season with our non-believing friends.

Our SW MT Veteran Home Resident Veterans have been treated very special, throughout this Christmas Season, with gifts and good treats.. Visitors are always a joy for them to see. There are 46 Resident Veterans living there now and Cottage #5, which will be a memory unit, is scheduled to start receiving Veterans, who need this type of care, after the first of the year. The Construction of the covered walk-way has most of the metal wall studs in place. From what I could see, with most of the studs in place, the wall covering will soon follow. The roof trusses are hopefully made and on the way to Butte, from Texas. The state Architects waited until the steel walls were put up, before they finished designing these trusses. Once they're delivered, John Kotka and his carpenter crew will make short work of getting them erected. John said they don't want to cut into the existing roof of either Cottage, until these trusses are in place and covered. I'll keep you updated.

The DAV Vans as well as the VTS Vans have been busy in getting our Veteran's to their medical appointments. It's a challenge when the weather turns ugly, like it did last week. I took a veteran to Missoula and made two trips to Ft Harrison in Helena, durning that week. Driving on the snow-packed/icy roads was a matter of using the upmost caution and not being in a hurry. It's so important to get these vets to their appointments safely. We have great Vans with good all season tires, to drive. The other thing I would say is that Montana has the best road crews of any of the states that surround us. These crews who do one great job of plowing and taking care of our roads. I realized this years ago when I worked construction and came home on week-ends or once a month, especially when working out of state. It didn't matter if it was Wyoming, Idaho or North Dakota, when you crossed the border into or out of Montana, durning the winter, it was a night and day road maintenance difference. Montana's roads were plowed better and were much safer to drive on. These crews are to be applauded. Speaking of maintenance crews to be applauded, how about those Power Company Lineman Crews who work in all kinds of weather to work on power outages. Many times these outages are caused by downed power lines blown down because of mother nature. The weather conditions that they have to go out in, at times, are beyond belief. The below zero, stormy conditions they encounter, at times, are not for the weak. Next time your power goes out, just remember, it's these crews that are out doing whatever repairs they need to do, so you and I can have our power restored.

The big news on the veteran front is the benefit payment rates increase. On December 1, 2022 the Cost-of Living Adjustment (COLA) for VA disability compensation benefits programs became effective. It's an 8.7 % increase for the 2023 calendar year. If you're on VA disability, you'll see the increase on your January monthly payment. This increase will impact Dependency and Compensation (DIC), as well as other VA assistance programs. If you have any questions about applying for VA disability, reach out to a VA-accredited representative. Ft Harrison in Helena is a good place to start and in Butte, you can contact VA Rep. Saajid (Gunny) Muhammad, who is located in the Butte

Armory. His number is 406-533-0910.

I want to pay tribute to an old friend who passed away, that I've know since the 1950's, and that's Dave Jordan who was the husband of Robin Jordan, the Editor of the Butte Weekly. Dave and I got acquainted in Jr High and went to a 4-H Camp the other side of Elk Park, that was very memorable. He went into the Navy about the time I went into the Marine Corps and we both got out in 1969. He was only out for a short time when he reenlisted in the Navy. We both bought a Harley Davison motor cycle. He bought a Sportster for $1,800.00 cash and I bought a 350 Harley Sprint for $700.00 cash. We often laughed, in later years, at how cheap they were in those years compared to now. Dave had a very distinguished career in the Navy, reaching the rank of Master Chief. He was always positive in life and friendly to stranger and friend alike. He fought a valiant battle with the cancer he had. Until we meet again, David, rest in peace, my friend.

The weather changes from one week to the next, in our part of the world. In the Northeast part of our country, the storms are playing havoc and shutting roads and airports down. Historic low temperatures are not making things any better. In SW MT we are in better shape, but it can change overnight. Please use caution when outside and dress the kids appropriately.

New Years will be happening after this article comes out, so Happy New Years to all of you. Until next time, take care.

Treasurers Office Drive Up Temporarily Closed
