ROTARY CLUB SPEAKER

Sheriff David Wendt will be the guest speaker at the Rotary meeting on Wednesday, January 11th at noon, to talk about plans for the sheriff's office and current events happening in the department. Visitors are welcome to attend, and anyone interested in learning more about the Rotary organization is invited to be a guest for lunch. The Rotary Club meets in the Guild Hall of St. James Episcopal Church, located at 203 East Glendale Street. For more information about the Rotary Club, email Matthew Fullerton at matthewfullerton@me.com.

Also, the Rotary Club Ice Melt fundraiser continues. Participants guess the date and time when the ice on Logan Pond will thaw stopping the clock. Prizes to be awarded to the individuals who guess the closest date and time to when the thaw occurs are: \$500 first place, \$250 second place and \$100 to the third-place winner.

Tickets may be purchased from Rotary Club members, or by contacting President Matthew Fullerton at matthewfullerton@me.com. Tickets are \$2.00 per ticket, or six tickets for \$10.00. Tickets are available at Womack's Printing Place also.

Proceeds benefit the Rotary Club scholarship fund and community improvement projects.

Dillon Rotary Club members from left to right: Jim McIsaac, Gary Lorenzen, Marty Malesich, Matthew Fullerton, and Dan Pence, placed the Ice Float on Thursday, December 15th on Logan's Pond.

THANK YOU OFFICER RUMSEY

*Dillon Police Department Officers Quick Thinking
Helps Save Injured Man's Life*

The Laird family would like to thank officer Rumsey for his quick thinking and fast response to an accident that happened on New Years. Examples like this remind us how lucky we are to have such dedicated officers in our community.

Just hours into the new year, my husband was severely injured, resulting in the severing of two arteries in his hand.

Officer Rumsey was the first to arrive. He expedited the ambulance, but then made the decision to immediately transport via patrol car. Officer Rumsey returned to check on us and stayed with us to offer support.

The ER team struggled to manage the severity of the situation and while they worked diligently, Officer Rumsey assisted to relay information. The weather impeded a speedy transport to a trauma center and Officer Rumsey kept me calm as the hours wore on and the situation became more dire.

6 hours later the plane landed in Hamilton, and then they ambulance my husband to St. Pats where he underwent over six hours of surgery.

Multiple trauma surgeons explained to me the gravity of the situation and the amount of blood that was lost. They also said that Officer Rumsey saved my husband's life by rushing him to the ER and not waiting for the ambulance.

Though we have a long road to recovery, he is still with us. Officer Rumsey's quick thinking, calm and professional response is the only reason why my husband is still with us.

Officer Rumsey, from the bottom of our hearts, we may never be able to convey how thankful we are to you. You are the reason our family is still whole.

Veteran's Corner Update #185

By Mike Lawson

Greetings to those of you who read my SW MT Veterans' update articles. It's New Years Eve Day and what a year we can look back at, as we get ready to step into 2023.

On the world front the Ukraine being evaded by Russia is at the forefront in the news. It shows that being civilized in today's world, doesn't include having peace with one's neighbors. Our freedoms are being threatened when these types of actions are not put down. Our support for Ukraine is in support of those freedoms.

Politics were instrumental in voting for our representatives on the State and Federal level. Hopefully the different sides will represent the people and not so much the party, where bipartisan opportunities can be agreed upon.

The shootings across the country have skyrocketed and the battle to find solutions has become very political. Something has to be done in coming up with some common sense solutions, especially in keeping guns out of the hands of those who are killing our kids. When I grew up in the 1950's into the 1960s, here in SW MT, we were taught gun safety, Hunter's Safety and in my case I was on a youth rifle team, until I joined the Marine Corps. In the Marine Corps we experienced intensive weapon's training. Safety and responsibility for our weapons was a key component in all we did. Veterans, once they are discharged, bring this gun safety mentality into their civilian way of life. Somewhere the line of having the right to own a weapon has to include a line that insures you're qualified to have and operate a weapon, in a safe and responsible manner. Instruction/training is a tried and true method for proper gun handling and safety. Again something has to come about to address the safety of our citizens, from gun violence.

The Covid epidemic that shut our country down, is over, although with the Covid vaccines and medicines we have available, people still are getting it, but not as severely or in the numbers as we had before.

In SW MT we saw our County Fairs, Rodeos, Tourism and other activities come back in full force. With a much smaller forest fire season, our air was much better to breathe, while participating in these events. Our early winter has been good for the winter sports folks but a pain for driving on the roads when they're icy/snow packed.

On the Veteran side of things, the new VA CBOC medical treatment center in Butte, opened and is being well used by our SW MT Veterans, for their medical appointments. The big Legislative accomplishment

this past year was the passing of the PACT ACT for Veterans who were exposed to toxic environments. This ACT will cover veteran's from Viet Nam through the middle east conflicts and more. Our own Sen Tester helped write and introduce this ACT. There are many other great things that happened in 2022, but I have to say the Toys For Tots Campaigns, not only in SW MT, but all across the country, were a bright spot in many kids and their families' lives.

All in all, we're entering 2023 on a more positive note than we did one year ago, going into 2022.

When this column comes out, it will be in the first week of 2023, with winter in full force. The next two special days we look forward too, are Valentines' Day on February 14th and St Patrick's Day on March 17th. I might add that some of you would argue that the Super Bowl Sunday on February 12th, is right there at the forefront. These special days really do help us get through our long winter months.

Veteran wise, I visited with Wayne Paffhausen, concerning the new inside construction on the VA CBOC here in Butte. He said that Plumbers have the rough plumbing about done and the cement contractor is getting ready to pour the cement slab. Once that's done, the carpenters will start the framing, with the Electricians following them, in getting everything wired. Things should be done by April or May.

New VA Insurance Program is coming. This month of January the VA is launching a new program that is offering Veteran Affairs Life Insurance (VALife). It guaranteed acceptance whole-life insurance coverage to Veterans ages 80 and under with any serviced connected disability. Check out <https://www.benefits.va.gov/insurance/valife.asp>.

I want to wish you all a very great New Year and one that we can enter with a positive attitude. We can also strive to accomplish good things for others as well as for ourselves.

Until next time, take care.

Treasurers Office Drive Up Temporarily Closed

The Treasurers Office would like to let you know the Drive up is closed and will re-open after the remodeling is done. We have moved to the Welch meeting room across the lobby to conduct business as usual. Thank you for your patience and understanding.
