Search and Rescue Ice Fishing Derby

Submitted by: Mel Rice- Public Relations Officer

The Beaverhead County Search and Rescue held its annual Stan Shafer Memorial Ice Fishing Derby Sunday January 15th at Clark Canyon Reservoir. This is one of the unit's two fund raising activities. The proceeds from the derby are used to support all the unit's searches/ rescues throughout the year. It was a beautiful day with approximately 400 individuals scattered across the reservoir trying to catch the big money fish or at least get in the winner's circle by catching the biggest ling or trout by weight. Tara Remely, derby chairperson, was ecstatic about the number of people that showed up to enjoy a great day of fishing and the number of S&R members that worked the derby. She thought this year's derby came off without any hitches and was a great success. On behalf of the S&R unit we want to thank Tara Remely, derby chairperson, for all the time and effort she puts in each year to make this event a great success.

Tara would also like to thank all individuals that purchase derby tickets each year with no intention of going out on the ice fishing. You play a huge part in making this derby the success it is. This year there were 1180 total derby tickets sold. The ticket not only allows the purchaser to fish for money prizes but also allows all ticket holders to be entered into the door prize drawings which are drawn on derby day. This year there were 60 door prizes given away due to the generous donations we receive from businesses around the area. You can check with the individual that sold you your ticket as to whether you won something. We will also be contacting winners by phone and have an evening you will be able to pick up your winnings at the S&R building.

Each year the derby sponsors 50/50 splits; we do a split the pot for every \$500.00 worth the tickets sold. This year there were 2 \$500.00 splits and 1 \$150.00 split.

The derby pays out eight cash awards in the adult fishing contest and six cash awards in the kids' contest. In the adult contest S&R pays on the 4 biggest trout and 4 biggest ling turned in by weight. In the kids contest we pay on the top 3 biggest trout and 3 biggest ling by weight. This year's winners are:

This year there was only one young person to turn in a ling, so it was decided by the derby entourage to pay out the entire moneys allocated for the kids' ling contest to the one and only entry...

On a final note, no one caught either of the tagged fish worth the big bucks. Therefore the bounty on each of those fish goes up. Next year one of the tagged fish will be worth \$9000.00 and the other will be worth \$6500.00. The Beaverhead S&R also wants to remind all fisher persons that if you catch one of our tagged fish anytime after the derby, they are each worth \$100.00. Keep your eyes open, there's still money swimming around in the reservoir.

On behalf of your Beaverhead Search and Rescue we would like to thank all the businesses and individuals that supported us with donations and ticket purchase for this year's derby. Also, a hardy thank you goes out to all the S&R members who participated in one way or another putting on this fun event. It is a team effort.

"In the Business of Saving Lives", your Beaverhead SAR Unit.

Pickleball Court Endeavors

Bike Walk Southwest Montana - Pickleball Committee (BWSMT Pickleball) has gone active with its new website: pickleballbcmontana.com to help in fund raising endeavors. The site provides information on the organization's efforts to help in building two free-to-use public outdoor pickleball courts in the Chris Kraft Beaverhead County Park near Dillon. Links to the Bike Walk Southwest Montana Bike Park and USA Pickleball websites are also available on our website, as well as contact and donation information to help fund this community project through PayPal. The picture attached is similar to what the courts will look like.

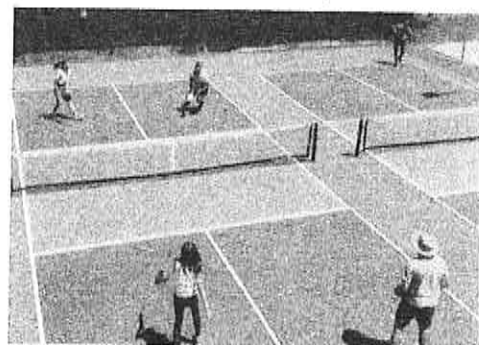

The Sports and Fitness Industry Association just reported that between August 2021 and August 2022, 36.6 million people in the U.S. played pickleball a more than seven fold increase of previous estimates. In 2022, as many as 66 multi court facilities were being built each month all over the U.S., especially in retirement communities. It became an intercollegiate sport in 2019, is played in 48 countries around the world, and many believe it is destined to become an Olympic sport within ten to twelve years. Currently, the only place to play pickleball locally is indoors at the Southwestern YMCA in Dillon, and you must be a "Y" member or pay \$8 per session.

BWSMT Pickleball has been tasked with building two public free-to-use outdoor pickleball courts. A single pickleball court can cost \$25,000 or more. The project of building two free-to-use public outdoor pickleball courts is targeted to be completed next summer, but it may take upwards of a year or more to complete based on how successful our fund raising efforts are over the next few months. Currently, most of our efforts are devoted to the raising of funds to cover the cost of the courts which is projected to exceed \$51,000; hopefully, in-kind donations of labor and materials will reduce this overall cost. We broke ground on November 1st, but site preparation was delayed due to the

early snowfall. Provided that funds can be raised, the next big step forward after site preparation will be the pouring of the cement slab in early spring 2023. The slab is the major component and the most expensive single item of the project.

Donations can be made from our website or if you prefer, can be mailed to BWSMT Pickleball, PO Box 683, Dillon, MT 59725.

No donation is too small.
