Rory Daniel Pilon Notice

Rory D. Pilon gained his angel wings on January 22, 2023. He was born in Dillon on June 14, 1978 to Dan and Teresa Pilon. The youngest of three boys, he was determined to do anything his older brothers did.

As a youth, he participated in Missoula Children's Theatre. For him it was easy, and he told his mom, "All you have to do is talk loud." He participated in multiple sports

including baseball, football, wrestling, and skiing. Later in life he became an avid snowmobiler with his closest friends, making annual trips to West Yellowstone.

He always had a compassionate spirit, leading him to go into the healthcare field. He received his BSN from Montana State University in 2002. After college, he began his nursing career at St. Joseph's Hospital in Phoenix, AZ. He worked in Oncology and Trauma ICU for 10 years, making lifelong friends.

During his time in Arizona, he reunited with Shantel Saye. They started their family with the birth of their first daughter Adilynn (12). They married on May 28, 2011, and soon after Chase (11) was born. Teaghan (10) came 14 months later and completed their family. Moving back home to Dillon in 2014 to raise their family. The family quickly became involved in their community being active in their church as well as participating in various youth programs.

Rory worked for 7 years in the emergency room at St. James Hospital in Butte, MT and 5 years at Barrett Memorial Hospital in Dillon, MT. Rory and Shantel recently purchased a landscaping company, known as Pilon's Landscaping and Sprinklers.

Rory is survived by his loving wife, Shantel Pilon (Saye), their 3 children Adilynn, Chase, and Teaghan, parents Dan & Teresa Pilon, brothers Tadd Pilon, Brian (Shanna) Pilon, in-laws Sherry & Scott Haffey, sister-in-law Shaydean Saye, Aunt Becky (Tom) Miller, Uncle Jim Pilon, Uncle David (Karen) Larche, many cousins, nieces and a nephew, special bonded friends Brandon Turney, Jamie Skradski, Blaine Paddock and Jarrett Lower, and many amazing friends.

A service will be held on Sunday, January 29th at 3:00 pm on University of Montana Western campus in the Keltz Arena, with a reception to follow. All are welcome to join. In lieu of flowers, food, or gifts, an account has been set up at Stockman Bank for Shantel and her children.

**GOOD NEIGHBORS****Pathways To A Better Community**

The core of a good neighborhood is the type of relationships established among its neighbors. The first step in building a relationship is respecting those next door, down the street and around the corner.

While people have their own ideas of a good neighbor and a good neighborhood, there are some basic standards established either through the City's code and zoning laws or through common courtesies that make life better in our community.

Do's

- Maintain your yard - cut your grass once a week
- Plant & maintain a few trees
- Properly display house numbers
- Empty water collecting in pots, buckets or other containers outdoors
- Clean up after your pets
- Keep trees and shrubs trimmed back & up from sidewalks and curbside parking areas
- Park your RV, boat or trailer in the back yard
- Keep your area "graffiti free"
- Take bulky items to the landfill

Don'ts

- Park your car, boat, trailer or RV on the front lawn
- Store excess trash and debris around the outside of your house
- Let your trees encroach on or create dangerous situations on your neighbor's property
- Play loud music after 10 pm
- Park inoperable or unlicensed vehicles on your property or on city streets
- Allow your dogs to bark excessively
- Push debris into the gutter or pour any liquid in the storm drains

Tyler Gibbson aggravated an old shoulder injury in her second match. With the post-season tournament around the corner, we chose Medical Forfeit her matches for the remainder of the weekend. Faye Holland placed 4th in a 16-man bracket tournament held on Saturday. MHSA lifted the 5-match rule in a day. Faye wrestled 6 matches to place 4th. Clancy Setzer wrestles well for only being in competition for a couple of weeks. Looking for her and Tyler to open up more in the coming weeks.

Attorney General's Office

Attorney General Austin Knudsen, MHP Colonel Steve Lavin, and DCI Administrator Bryan Lockerby outlined the necessity for increased funding for more agents and prosecutors to fight crime in Montana and showed their support for the Governor's budget proposal.

Fifty-six new law enforcement officers graduated from the Montana Law Enforcement Academy. Attorney General Knudsen was there to address the students and present them with their awards and diplomas.

Veteran's Corner. Update #188

By Mike Lawson

The SW MT Veteran's home has 45 Resident Veterans living there at the present. Their living in the first four Cottages. Cottage #5 is empty, but could admit memory impaired Veterans, but are having trouble finding/hiring staff to operate it. If you know anyone looking for this type of work, please tell them to apply at the Veteran's Home's Community Center. The Liaison position hasn't been filled yet, The Liaison is hired by the State of Montana and is a position that links the State with the Veteran's Home. It's a very important position that makes the operating contractor of our Veterans Home accountable to our State's operating standards. This is a good job to consider if anyone you know is looking for a rewarding job that includes interaction with our Resident Veterans.

Just down the road, across from 3-Bears, is our new CBOC- VA medical center. It is one busy place with Veterans from SW Montana going there for there medical appointments. I talked with Wayne Paffhausen, who owns the building and is the general contractor for the north end of the building that is going to be used as a Physical Therapy center for Veterans. Some audiology may be part of that also. It's going to cover an area of about 5,000 square feet. Wayne said it's on hold so the VA can make some design changes. Once that's completed, he expects the construction to be completed in about four months.

Rep Zinke spoke to area veterans at the American Legion Hall in Butte at 8:00 AM on Saturday morning. It was kind of a snafu in that his scheduler set up Rep Zinke's coming for 2:30 in the afternoon on Saturday. It was changed late Friday afternoon to 8:00 am on Saturday. Many Veterans were unable to be notified at that late date, and came at the original 2:30 time slot. These veterans were very upset, to say the least. Those of us who were able to be there at 8:00 were able to listen and ask questions.

On another political front; Our own Sen Tester's introduced legislation to bring much needed money to the Fort Harrison Medical Center to update, renovate, and build a new acute inpatient care facility. His "Build for Veterans Act" is designed to modernization and delivery of new veteran facilities (like our new CBOC) and other infrastructure probes at DVA in Montana and across the country.

I'm not sure why, but our Funeral Honor Guards have been doing a lot of veteran funerals this month. My condolences to those of you, who have lost a veteran loved one. It's a heartfelt tribute to these deceased veterans to conduct this ceremony for them. If your loved one, who is a veteran, should pass away, please tell the funeral home you would like to have a veteran graveside ceremony, for him or her. Each of our towns, Butte/Anaconda/Deerlodge/Dillon/Twin Bridges/Sheridan/Whitehall have Veteran Honor Guards who are ready to do this ceremony for your veteran.

AG Knudsen's Public Safety Round Up 2022

Division of Criminal Investigation

DCI narcotics agents and the Montana Highway Patrol assisted in an investigation into a large-scale drug trafficking organization with ties to the Sinaloa Cartel that resulted in 22 convictions. Law enforcement seized 65 pounds of methamphetamine, 2,000 counterfeit oxycontin pills containing fentanyl, and three pounds of heroin during the investigation.

DCI led an operation that resulted in the stop of a drug dealer and trafficker outside of East Glacier. Law enforcement found around 1,000 fentanyl pills, suspected fentanyl powder, drug paraphernalia, and a large sum of money on the Blackfeet Reservation.

DCI investigators completed their investigation into the fire at Honest Tom's Casino in Bridger where two people were found dead. There was a murder-suicide involving two employees of the casino.

DCI investigators completed their investigation and handed the file to the county attorney in the case of Vance Ledau who was shot and killed by Missoula law enforcement near Smokejumper Center.

DCI assisted in the investigation into a Billings man, Miles Edward Bessman, who was sentenced to five years in prison followed by five years of supervised release after he admitted to possessing hundreds of child pornography images.

DCI supported the investigation into a woman, Deva Crystal Hartsoe, who was sentenced to four years in prison, followed by three years of supervised release for distributing methamphetamine.

Get pampered with... a Relaxing Restorative Yoga session, Soothing Sound Bath, and Ceremonial Cacao Circle. Plus, you'll receive a sweet goodie bag to take home!

What IS "Restorative Yoga"? Restorative Yoga is the practice of asana yoga (the physical poses) slowly, staying in a resting position for a time, and using props for the ease of the body and down-regulation of the nervous system. It is so relaxing and comforting!

What IS a "Sound Bath"? A sound bath is deeply immersive, full body listening experience that intentionally uses sound vibrations to invite gentle, therapeutic, restorative processes to nurture your mind and body! It's very restful!

What IS a "Ceremonial Cacao Circle"? Cacao ceremonies are among the oldest holistic healing practices used by indigenous cultures around the world. Cacao (which is served as a hot beverage, akin to hot cocoa but unsweetened or only very slightly sweetened) is a mood-boosting superfood known to enhance heart health and to help open the heart center. It's a mood-booster!

Vibrant Lives of Montana is a yoga center dedicated to fostering our individual health through developing community, learning down-regulation of the nervous system, and encouraging sharing of our true self through meditation, yoga, counseling, and more!
