Shirley Jaydine Carpenter

Shirley Jaydine Carpenter, beloved wife, mother, grandmother, great-grandmother, aunt, and friend passed away peacefully on January 28th, 2023, at the age of 86 in Dillon, Montana. Shirley was born on October 23rd, 1936, in Ronan, Montana to Jesse and Kathryn Fifield. She grew up in a boisterous family of 9 children and had loving relationships with all her siblings.

Though Shirley did not attend formal schooling she considered herself a graduate of the School of Hard Knocks. She met the love of her life, Dick, in Missoula, and their life's journey took them from Missoula to Hamilton, Wolf Creek, Alaska, and Darby before settling in Dillon where they raised their three boys and spent most of the last years of life surrounded by loved ones.

She was a charter member of the Dillon Sewing Club where she enjoyed lifelong friendships. Her love for sewing allowed her to clothe family and friends in unique creations. She also enjoyed listening to KDBM AM and calling in to win donuts. Shirley was a passionate fan of the Dillon Beavers sports program, attending games and matches if her health allowed, and listening to the radio if it did not. Wrestling and football were special favorites of hers.

In addition to her family responsibilities, Shirley also contributed to the community by volunteering as a Beaverhead County election poll worker for many years. She had a delightful sense of humor with an infectious laugh that made those around her smile even in times of adversity. Shirley was also an excellent cook who loved to feed her family and friends delicious meals they would always remember.

She was preceded in death by her parents Jesse and Kathryn, siblings Clyde, Don, Charlotte, Joan, and Chuck; her husband Roy (Dick) Richard Carpenter; infant daughter Denise; son Dean; grandson Trent; and daughters-in-law Geri and Donna.

Shirley is survived by her sister Mary Kenny; brothers Mike (Pam) Fifield and George (Dolly) Fifield; sons Chuck (Kathy) Carpenter and Rick (Julie) Carpenter; 11 grandchildren; 16 great-grandchildren; and numerous nieces, nephews, and cousins.

Her family is so grateful to the many friends and neighbors who provided rides and support in her times of need. We offer gratitude to the Barrett Hospital doctors, nurses and staff who treated Shirley with kindness and respect and eased her suffering in her last days.

Though there will not be a memorial service due to Shirley's desires, she will be remembered fondly by all who knew her. Shirley will remain forever alive in our hearts until we meet again one day soon.

Pickleball Donation

BWSWMT-Pickleball recently received an anonymous donation of \$10,000 towards the construction of two free-to-use, public-access pickleball courts. These courts will be built in the bike park which is operated by Bike Walk Southwest Montana at the Chris Kraft Beaverhead County Park, 1575 Overland Road near Dillon. BWSWMT-Pickleball estimates that the courts will cost in excess of \$51,000 to complete. Other committed donors to date include Beaverhead County, Rowe Excavation, Northwest Farm Credit Services, and individual members of the community.

There are a number of pickleball players working in the community to procure donations. The players are contacting local businesses and groups to see if they will help with this community project. Questions regarding this project can be asked through their website (www.pickleballbcmontana.com). If you are interested in supporting this endeavor, donations can also be made through the website or checks can be mailed to BWSWMT-Pickleball, PO Box 683, Dillon, MT 59725. Programs for interested groups can also be arranged through the website by using the "Contact Us with Questions" section.

Section of Yellowstone River reopens

A closure on an 8-mile section of the upper
Yellowstone River has been lifted now that a damaged
railway bridge near U.S. Highway 89 has been removed.

The Highway 89 Bridge Fishing Access Site, part of
the closure, has also reopened to public access.

The river closure extended from Mayor's Landing
Fishing Access Site to Sheep Mountain Fishing Access
Site. It was in place since July after significant flooding
damaged the railway bridge, causing a safety hazard.

Senator Jeff Welborn's Weekly Report

HELENA:

In recent months I've had conversations with some of our local School Administrators and a couple of elected board members regarding truancy in our public schools. Here's what has been proposed so far to address the issue;

SB 129 Introduced by Senator Russ Tempel, a Republican from Chester, seeks to help address the problem. This bill was debated this past Friday, and will be up for a final vote Today at 1:00 in order to clear the Senate. I will be supporting the measure as it hopefully keeps moving through the process.

Some background on this proposal, and the need for change is because most of our students come to school at the age of 5 and/or 6, and are also educated through their 18th or 19th birthday. Because the current attendance law states that parents are only held accountable for students from the age of 7 to 16, schools are unable to hold the parents accountable when the child is truant at the ages of 5, 6, 17, 18, or 19, regardless of public, private, or homeschooled, students.

I want to be crystal clear that this proposed change in this law has nothing to do with children missing school for doctor appointments, family trips, or other situations in which parents want to pull their children out of school here or there. Most, if not all schools across the state accept doctor's notes and parent phone calls as an excused absence. The change in the law is directly pinpointing the parents of those kids who are being blatantly truant.

As was discussed during debate on the Senator Floor on Friday, if a parent wants to pull a child at the age of 6, they can still do so. The student doesn't have to legally be in school until the age of 7, this proposal simply seeks to change the age to match the age range that students are actually enrolled.

Unfortunately, we have students who are missing 20 plus unexcused days of school. I recently spoke with an administrator from another part of Montana, who just filed paperwork with the county attorney for educational neglect on a seven-year-old who has missed 63 out of the first 90 days of school this year. This same student missed over 70 days last year, but was only 6 at the time, so nothing could be done about it.

In closing, I feel that no administrators are going after the parents where the kids are missing days here and there. For most

schools, as long as there is communication, students are not truant.

The change in this law simply states that a parent or guardian of any student will now be held accountable upon enrollment. This change would include all students, not just the students from ages 7-16.

Shifting gears, this past week a group of us sat down with stakeholders from the hunting and angling community, outfitters, landowners, and NGO's to discuss a package of bills, that were unveiled at the Elk Camp Event on the front steps of the Capitol, where I had the chance to join Governor Gianforte at the podium, and speak to the group, clad in everything from camo and blaze orange, to cowboy hats and coveralls.

The proposals unveiled at the event include an expansion of the payment cap for landowners participating in Block Management, which is cruising through the Legislature; stricter penalties for members of the public who trespass and for landowners who block legal hunter access; and tweaks to landowner preference licenses and nonresident antler-less deer tags. The most advanced of those proposals is the expansion of Block Management, which would double the current annual payment cap available to landowners who open their properties to public hunters from \$25,000 to \$50,000.

The coalition has called for lawmakers to use \$200 million of the state's billion-dollar budget surplus to create a Montana Legacy Trust, a fund to support the restoration and improvement of public and private lands with an eye toward habitat preservation and stewardship. I look at this it as a tremendous opportunity, that is likely to get a hearing soon. Interest earned off the initial investment could fund wildlife migration corridor conservation, weed abatement and stream restoration projects that would benefit landowners, outfitters, sportsmen and the businesses they support.

In closing, we continue to work on the budget, and approve spending levels in State Government, so far in the Sub committee that I sit on, we have had discussions with Departments of Livestock, Natural Resources, Environmental Quality, Agriculture, and Transportation, and will be sitting down this coming week with Fish Wildlife and Parks. I will keep you posted as we move forward setting these budgets, as there are many vital programs within these agencies that affect all of us in Southwest Montana.
