Barrett Hospital & HealthCare Closing Home Health & Hospice Care Program

Barrett Hospital & HealthCare will close its home health & hospice care program. Like many healthcare organizations across the country, Barrett Hospital & HealthCare has felt the impacts of the ongoing labor shortages. Due to these shortages, Barrett Hospital & HealthCare will no longer be able to accept new patients for home health & hospice.

Barrett Hospital & HealthCare will continue providing excellent care to the very limited number of patients in the home health & hospice program while plans are developed with family members and other facilities to complete and transition patient care seamlessly. Multiple organizations have expressed an interest to provide some or all of the affected services in the future, and Barrett Hospital & HealthCare is engaging with those organizations to support their efforts. Current home health & hospice staff members will be given an opportunity to transition to other roles within Barrett Hospital & HealthCare once all current patients are discharged from service.

"Our community is not exempt from the serious national shortage of healthcare workers. Over the past year, it has become increasingly difficult to find nursing staff to support our home health & hospice program. Home Health & Hospice Manager, Gina Miller, RN and her team have worked hard to help with recruiting and to keep the program going. On behalf of the organization, I appreciate the exhaustive efforts they have made," says Taylor Rose, Chief Executive Officer.

Board of Directors President, Patti Mitchell echoed those sentiments. "Attempting to fill staffing vacancies has been a challenge. The supply of healthcare workers isn't what it used to be. And at some point, the Board of Directors had to acknowledge that. Many considerations were taken into account as Barrett has provided this service for many, many years. It was not a decision that we made lightly."

About Barrett Hospital & HealthCare:

Established in 1922, Barrett Hospital & HealthCare is a non-profit Critical Access Hospital (CAH) and medical clinic provider in Dillon, Montana. Based on The Chartis Center's Rural Hospital Performance Index, the National Rural Health Association (NRHA) has recognized Barrett Hospital & HealthCare as a Top 20 CAH five times, including in 2022. DOJ Office Of Consumer Protection Prevented Montanans from Losing Nearly \$900,000

In 2022, OCP recovered \$712,884 for Montanans who were victimized by scammers and prevented consumers who called inquiring about whether they were being scammed from losing \$168,020. Additionally, a total potential loss of \$2,806,969 was reported to OCP by Montanans who knew they were being targeted by a scammer but did not pay them.

"The Office of Consumer Protection does great work educating and protecting Montanans from scammers trying to steal their hard-earned money," Attorney General Knudsen said. "I urge everyone to please learn how to spot a scam and think twice before you provide a stranger with money or personal information. Contact our office immediately if you think you've been a victim. We are here to help."

Montanans should keep these tips in mind to protect themselves from scammers:

- Don't give out personal information to someone soliciting it from you over the phone or the internet. Banks will never and government agencies will never call and ask for your personal information.

- Never wire or give money to someone you don't know. Don't send gift cards, prepaid debit cards, or cryptocurrency to someone you do not know. Even if you think it's someone you now, follow up to make sure before you wire any money.

- Use common sense and do your due diligence: ask around, talk to others, call OCP if you have any doubts or questions.

- Be skeptical, resist high pressure tactics, take your time. If it sounds too good to be true, it probably is!

Last year, Attorney General Knudsen also warned Montana ranchers of a cattle feed scam. The Office of Consumer Protection estimates that New Way Ag may have stolen up to \$5 million from Montanans after receiving payments for promised grain hay, barley straw, and wheat straw, but never delivering any product to their victims.

The Office of Consumer Protection also helped get nearly \$100,000 in restitution for at least 358 victims who were deceived by operators of an alleged tech support scheme. Victims paid hundreds, even thousands, of dollars for technical support services they never received from India-based cold callers offering to remove harmful viruses or malware for a fee on the computers of unsuspecting victims.

Move The Public Library? Should We Even Consider This?

Jeremy Crawford, Southwestern Montana News

On Wednesdays City Council members tackled many problems facing our community. But the one that seemed to stick out most was the cost and upkeep of the library. Librarian Lori Cannady went to bat for her employees earlier in the year to get them a much deserved pay raise. This raise was met with a few offhand remarks from council members on the cost of the library versus what it does for the community. The library seemed to come in the crosshairs of Council Person Don Hand again as Lori gave an update on the cost and upkeep on items that need to be replaced. On the list are the boiler system, the aging windows, and the failing lift.

The boiler has had a lot of substantial work done on it over the last few months and has come to the point where it just needs to be replaced. It shuts down and leaks. The replacement of the boiler system is \$28,000. Lori is working on asking for a third of the money from United Way, Friends of The Library have agreed to pay a third and she is asking for the City of Dillon to pay for the other third this allows her to approach United Way letting them know 2/3rds of the cost has been paid for. She is also looking into grants and has applied for different ones.

Up next was the handicap lift. It is old and out of ADA compliance due to the age of the lift they are no longer able to get parts for it and just need to replace it completely. To replace the lift the quote is \$78,500. This does not include if they run into complications when removing the old lift and installing the new one. These complications could require a contractor to remove the door as well as an electrician to raise the cost.

Third on the list, the windows for the library, the library is a Carnegie Building that was built over 120 years ago. The windows in the library are the original windows. The trim is the original wood and is rotting away causing ice to form on the inside of the building. To have the 33 windows replaced since they are custom the cost is \$224,000 for the entire building.

With all three repairs this puts the total bill for the library at \$330,500 for a city that is already struggling to find funds this comes as a steep price tag. Council person Don Hand suggested for that price the city could find a better building and move the library into it. Lori explained to him the significant value the library building holds in this community and how some people have stated they would never want to see it moved to a different building. The library is on the National Historic Register, and this makes it so they have to follow certain protocols when fixing the building, remodels, etc. That includes

the windows and keeping them as close to the original as possible.

With the high price of real estate in Dillon would they be able to move the library to a different building? Would we even be able to get into another building for under a million by the time you either built or remodeled a different building? The city library has adorned many postcards from the past and is a sight that sets our downtown apart. It was an idea that became a building thanks to Andrew Carnegie and his donation to build it. There are only a few of these buildings throughout the United States.

People can go to the library to check out a book, a movie, do research, you can check out tablets, hotspots and I pads. For many this building helps them navigate everyday life by providing access to modern day items they may not be able to afford. All one needs to do is ask for a library card.

Editor's note: Yes, this article is both News and it is a view from the editor but ask yourself Dillon can we really lose this building? You can see the whole City Council meeting for yourself on our YouTube page Here <https://www.youtube.com/channel/UCvgmr340757fErXl4YJFXRA> or search SWMTNews.

Montana Western Football

Montana Western Football welcomed 57 signees in its 2023 signing class, the program announced Wednesday afternoon. Of the signees, 18 are from Montana, 21 are from Washington, 12 are from Idaho, four are from Hawaii, one is from Wyoming, and one is from Utah. *(The Dillonite will list a page a day as space is available.)*

"Our staff has worked incredibly hard to put together what we believe is an excellent 2023 recruiting class. We have been strong up front on both sides of the ball and this group adds talent and depth to both our offensive and defensive line units. Every year we look to add playmakers with speed and athleticism at the skill positions. This class has addressed that with an excellent group of competitive guys on both offense and defense. I feel strongly that in the near future this crew will prove to be a great class of Bulldogs." Head Football Coach Ryan Nourse stated.

David Julian Alegria | DE | 6'2 | 230 | Othello, WA / Othello HS

Alegria is a defensive end who joins the Bulldogs from Othello High School in Othello, Wash. He was named first team all-conference defensive end three consecutive years as a Husky. His team earned a conference championship his senior year. Alegria also participated in basketball while in high school. He is the son of Robert and Melissa Alegria and plans to major in Physical Education and Health K-12 while at Montana Western.

Sonny Asu | DB | 6'2 | 185 | Othello, WA / Othello High School

Asu is a defensive back who joins the Bulldogs from Othello High School out of Othello, Wash. He recorded 2,873 all-purpose yards in three varsity seasons for the Huskies. He was named first team all-conference twice on defense, once on offense, and was named All-State once. This past football season, Sonny was named player of the year in the CWAC Conference in Wash. Asu also competed in track and basketball while in high school. He is the son of Marry and Larry Asu and he plans to major in Business while at Montana Western.

Caleb Ball | DB | 5'11 | 175 | St. Regis, Mont. / St. Regis School

Ball is a defensive back who joins the Bulldogs from St. Regis School in St. Regis, Mont. He was a four-year starter for the Tigers who earned second team All-State defensive back, North Star League most valuable player, all-league defense, and team offensive MVP. He was a league champion all four years of high school and his team placed third in state during his high school career. Ball was a quarterback and a defensive back for the Tigers who accumulated 1817 total yards, (835 passing, 854 rushing, 128 interception return) 30 TDs (17 passing, 11 rushing, two defensive) 63 percent pass completion rate, 42 tackles, seven defensive interceptions, and two forced fumbles last season. Ball is the son of Shaun and Jamelle Ball and plans on majoring in Physical Education and Health K-12 while at Montana Western.

Baker joins the Bulldogs from Challis High School in Challis, Idaho. He was a four-year varsity football player who was named first team all-conference. His senior year, he recorded 13 receptions for 241 yards and two touchdowns. On defense, he recorded 22 solo tackles, 23 assisted tackles, 17 sacks, and a pass deflected. Baker also participated in track, wrestling, and basketball where he was a two-time state placer in pole vault and the district wrestling champion. Baker is the son of Andy and Mia Baker and plans on majoring in Business Administration with a minor in Communication while at Montana Western.

Ace Becker | DB | 6'1 | 180 | Stanford, Mont. / Stanford HS

Becker joins the Bulldogs from Stanford High School in Stanford, Mont. As a defensive back for the Bearcats, Becker earned all-conference honors his sophomore season and All-State honors his junior and senior years. His junior season, Becker was a key member in the Bearcats' 6-man conference championship. Across four seasons, Becker totaled 1,158 passing yards, 1,025 receiving yards, 49 total touchdowns, and 350 total tackles. Becker was named academic All-State twice and to the honor roll four times. Becker also participated in basketball and track while in high school. He earned All-State honors in track and all-conference in basketball his sophomore year. His junior year, he made the All-State basketball team. Becker is the son of Powell and Connie Becker and plans to major in Business while attending Montana Western.

Judah Bishop | LB | 6'1 | 195 | Pasco, Wash. / Chiawana HS

Bishop joins the Bulldogs from Chiawana High School in Pasco, Wash. Last season, Bishop earned All-State honors as a linebacker, first team all-conference linebacker, and second team all-conference wide receiver. He was a three-time conference champion while playing for the Riverhawks. Bishop also participated in wrestling and track where he was a three-time 4a team state champion in wrestling. He also placed eighth in the state of Washington for the 2020 wrestling season and third in the state last season. Bishop is the son of Mike and Ronica Bishop and plans to major in Business at Montana Western.

Tre Buchanan | WR | 5'9 | 190 | Spokane Valley, WA / Unv. HS

Buchanan is a wide receiver from University High School in Spokane Valley, Wash. He was named first team all-league twice as a four-year varsity player for the Titans. He also competed in wrestling, basketball, and baseball during high school. Buchanan is the son of Stacey Stevens and Tim Buchanan and plans on majoring in Physical Education and Health K-12 while at Montana Western.
