CHIMNEY FIRE

Jeremy Crawford, Southwestern Montana News

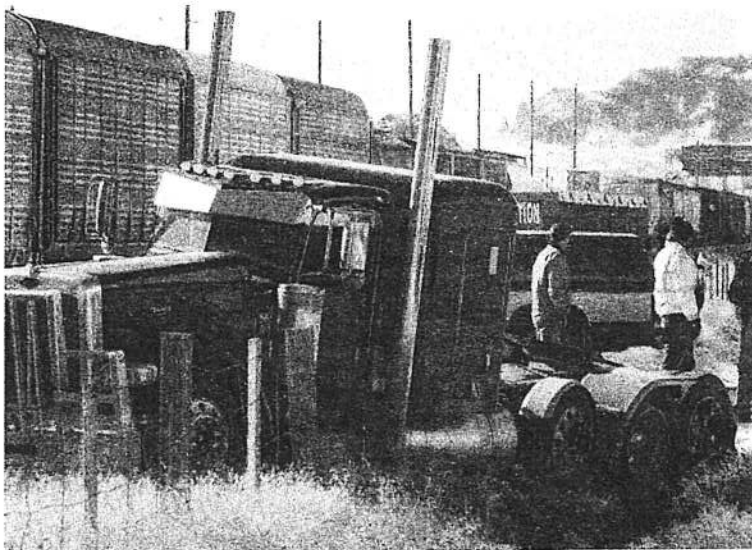

Tuesday February 6, 2023 the Dillon Volunteer Fire Department responded to a call of a chimney fire on South Arizona street. The quick response allowed the fire fighters to knock out the flames with a fire extinguisher and stop the fire from spreading. All three trucks were on scene including the ladder truck that was used to access the top of the roof and help keep the fire contained inside the chimney.

Semi VS Train Accident On Highway 91 South

Jeremy Crawford, Southwestern Montana News

First responders were called out Wednesday, February 8, for a semi truck that was struck by a train on highway 91 South. The Semi truck was leaving the Dillon Livestock grounds and crossing the tracks. The driver saw the train was heading southbound down the tracks and tried to speed across the tracks to avoid being hit. The train came into contact with the driver side rear wheels, spinning the semi off the tracks and into the ditch. The driver of the semi was up and moving around talking to first responders at the scene. He was taken to the hospital to be checked out further. The semi was towed from the scene and the train received no apparent damage.

Letter to the Editor

Proud of Beaverhead FFA

The Beaverhead FFA Chapter at BCHS has risen above and sets the bar for success. Over the years, this chapter has been Nationally recognized numerous times, and is among the oldest and most active FFA chapters in Montana. The success of this chapter has come from the outstanding support from parents, local sponsors, and community members. Those individuals and businesses believe in supporting Premier Leadership, Personal Growth, and Career Success for all FFA members.

For an FFA chapter or any organization to operate effectively, each member must play an active role. FFA is truly a student-led and student-driven organization. Student leaders plan and direct all of the activities of the chapter. The success of the chapter's activities depends upon the members stepping up and making it happen. Beaverhead FFA has excelled in this area, and currently there are over 60 active FFA members at BCHS, making it one of the largest student organizations at the high school!

If you are proud of FFA and Agriculture and want to help local Beaverhead FFA members gain knowledge and experience from Agricultural Education and FFA activities - consider becoming a member of the Beaverhead FFA Alumni and Supporter group. We are looking forward to utilizing your interests, talents, and enthusiasm!

FFA Alumni & Supporter groups rely on volunteers to help support the local chapter through the gifts of time, talent, and resources in order to support teachers and give them more time and freedom to do what they do best - teach students. Reach out to the Beaverhead FFA Alumni & Supporters - become a part of the support network and help to ensure the continued success of the Beaverhead FFA!

There are many benefits of being an FFA Supporter. First of all, membership is open to all, previous FFA membership or experience is NOT required! Anyone interested in supporting the FFA and its members is welcome to join and be involved. If

you see the importance of promoting agricultural education, have a heart of a volunteer, and want to serve your local community, consider getting involved and supporting the Beaverhead FFA. Anyone with a desire to make an impact in the lives of FFA members is welcome, no other qualifications are required. We need YOUR help to spread the word on the importance of Agricultural Education and FFA!

Helping FFA members grow their dreams and realize their potential is only the start of membership in FFA Alumni & Supporters. The Beaverhead FFA Alumni & Supporters has been an integral part of the FFA chapter's success behind the scenes for over 50 years. From fundraising events, chaperoning, assisting with judging, speaking, and other competitive events, providing materials, projects, and supporting the agriculture education program in other various ways, there are plenty of ways to get involved and support FFA in Dillon.

Agricultural Education programs rely on a three-circle model of instruction. They are: Classroom Instruction, Experiential Learning, and FFA. Within those components, the real question is: How does FFA help students? It develops competent and assertive agricultural leaders, increases awareness of the global importance of agriculture and its contribution to our wellbeing, and strengthens the confidence of agriculture students in themselves and their work.

Like agriculture itself, today's agriculture classroom and FFA chapter has changed a great deal over the years. It has moved far beyond the farm and fields of years past. Instructors today are reaching more diverse students and teaching more varied topics and new technologies than ever before. Students are graduating with real-world skills that will take them directly into their professional careers or prepare them for college and beyond, all in an effort to feed, clothe, and house an ever-growing world population.

When it comes down to it, FFA has positively influenced the lives of so many individuals. Everything from cultivating a sense of community, instilling a solid work ethic, and developing leadership and life skills, all in the name of the noble task of feeding the world. It's hard to describe the impact that FFA has had on so many, but the need for support is great and the reward for getting involved is immeasurable! If any of this sounds worthwhile, please consider joining the local FFA Alumni & Supporters group and make a real difference in the lives of students and the future of agriculture!

There is nothing quite like wearing the Blue and Gold jacket, especially one that says Beaverhead on the back!
