DANIEL CALVIN "DAN" HILL

DISTRICT 12 - YEAR 2023

*Born in Oregon in the town of LaGrande
Moved to Montana destined to be a steward of the land.
In Beaverhead County is where he would reside
At a square dance in Armstead, he found his bride.*

Dan was born November 24, 1940, to Larry and Grace (Willis) Hill in Union County La Grande, Oregon. The middle of five children he followed in his father's footsteps and became a ranch hand at the early age of ten, when the Hill family moved to Armstead, Montana in May of 1951. Dan worked with his father on some of the largest ranches in Beaverhead County; Rock Island Cattle Co (currently The Matador Ranch), LC Livestock (presently the Dragging Y) and for Pete Stefonic, (now the LaCense Ranch).

Dan graduated from the 8th grade in the little town of Armstead, which is now the location of the Clark Canyon Reservoir. At the time, working to help provide for the family took precedence over continuing his education past grade school.

On July 4, 1958, he married his Square Dance partner and love of his life Mary Hayden. Dan always says, "I gave up my independence on Independence Day".

Dan and his wife purchased a ranch near Dillon, Montana where they raised four children.

Dan day worked for the LC, Diamond O, and Shaffner Ranch helping out during calving to make ends meet.

Having not completed high school, it was very important to him that all of his children would graduate, as well as any of his nieces or nephews. So, anytime there was talk by anyone of quitting school Dan would immediately put his foot down.

Dan and Mary raised their children with a love and appreciation for agriculture and ranching, instilling in them good work ethics and practices.

In 1994, the Hill's sold the ranch in Beaverhead County and moved to the Glendive, Montana area where they purchased a ranch and resided for several years. In 2002, health issues brought them back to Beaverhead County and closer to their children. Retirement wasn't for Dan, so he went back to work cowboying for the LaCense and Dragging Y Ranches.

In 2013 Dan had open heart surgery followed by a hip replacement. Again, the slowing down was not for him, and he

went to work for Elk Meadows Ranch near Dell, where at 78 years young he is helping manage the ranch and is horseback almost every day. Dan is admired and looked up to by young and old alike. He uses his life lessons to mentor and help those around him who are interested in the cowboy way of life. Dan and his horse "Buckskin" are often the talk of the town, how there's nothing they can't rope or how he can outwork people half his age. But when you love what you do it's not work.

My dad is the toughest man I know
Like the Energizer Bunny he's always on the go
I can remember when I was a little tyke
In the fall on a hunting hike
Up the trail, he'd lead the way
An elk we'd find for sure that day
My legs were shorter I couldn't keep up
At least that's what I thought when I was a young pup
But now my Dad is 76
I went to help him cuz he'd been sick
He went to work before me
I was doing chicken chores you see
So when I got there I caught his spare horse
Must be the tallest one in the county of course
I got this I tell myself
My legs are long and I'm in good health
So I clamber up in the saddle
And out we go to check the cattle
There's one calving, take her in
Pen her up and start again
All day long like this it'll be
On and off this giant won't be easy
So I wonder; how does he do it this Dad of mine
Getting on this horse is quite a climb
I finally realize the answer to the problem
Dad has spring in his step and I have lead in my bottom

Veteran's Corner Update #189
 By Mike Lawson

I visited a Marine Veteran that I had gone to Boot Camp with in 1965. I connected with him in the waiting Room at Ft Harrison a couple of months ago. After 57 years, that was a miracle in itself. Our getting together has really lifted his spirits and has been a gift for me to reconnect. The Agent Orange is the culprit that is destroying his body. For any of you who are veterans, don't hesitate to look up old comrades.

On the Veteran front; for any of you veterans or family members who have an interest as to what you may be qualified for, search for "Choose VA" on the Veterans web site. It covers the many benefits that are available for veterans.

I did talk with Wayne Paffhausen on the expansion construction on the north end of the VA CBOC Medical Center. The plumbing they did was ok but the VA architects and his architect are working on some design changes. Once they get those completed he can complete this expansion and a grand opening will again take place.

I am happy to report our Montana Congressional Delegation, consisting of Sen Tester, Sen Daines, Rep Zinke and Rep Rosendale, are starting a bipartisan weekly meeting called "Montana Coffee". They will meet with anyone from Montana over coffee/donuts, answer questions and just visit in a friendly bipartisan format.

Montana was in the national news as the China Spy Balloon drifted over our northern border. We sometimes think we are on the quite side of being noticed, but with the missile silos across that part of the state we are a target of interest to China and Russia.

Our DAV Vans continue to get our Veterans to their medical appointments. The roads, at times, can really be a challenge with our changing weather conditions. The drivers are doing a great thing in getting their Veteran passengers to appointments.

Dillon Middle School News February 13-17

The lunch menu for the week is as follows: today, Monday, we will enjoy hot ham and cheese sandwiches. Tuesday, pizza will be served with breadsticks. Wednesday, local beef hamburgers will be served with trimmings.

This Wednesday, February 15th, our eighth graders and their parents have a mandatory meeting at the Beaverhead County High School. This meeting will be in the high school auditorium at 6 PM. Please make sure you don't miss out on this important time to learn about the high school and receive information on signing up for classes next year.

Congratulations to our spelling bee winners. Last week 11 students traveled to UM Western to compete in the county spelling bee. It was a fierce series of 10 rounds of spelling. Many words were tossed around. Round 10 was a battle between Chase Reasoner and Abigail Eason. The winning word was inimical and the champion was Abigail Eason. Great job to all of our spellers. And a big thank you to Mrs. Telling and Mrs. Miller for giving our students this opportunity.

The 8th grade basketball "A" team finished off their season with a win against Butte East. The 8th grade basketball "B" team finished off their season by traveling to Deer Lodge where they were able to pull off a win. The 7th grade "B" team versus Deer Lodge lost by one point in overtime. Seventh grade played Butte Central last week. The "A" team won handily. The "B" team lost but played very well.

This Tuesday, Feb. 14th, the wrestling team will travel to Butte to attend the Butte East Mixer. The bus leaves at 2:00 PM and the mixer begins at 3:30 PM. Also, on Friday, the 17th, wrestlers will have their individual and team pictures taken during wrestling practice. Picture packets went home with wrestlers. Please contact the office if you did not get one. Then on Saturday, February 18th, the wrestling team will travel to Butte East again for a mixer. The bus leaves at 7:00 AM and the mixer begins at 9:00 AM.

This week at DMS the "Sunshine Business" is hiding "sunshines" around the school. If a student finds one, they will receive a bag of "sunshine." Several students are having a bake sale. Proceeds will go to a staff member dealing with cancer treatments and to our furry friends at the humane society.
