Mary Louise Hildreth Bearden

Mary Louise Hildreth Bearden, our sweet Mary, "Mary Lou" to some, has found what her heart yearned for and Tuesday, February 14, 2023, she entered heaven! In spite of the challenges she faced throughout her life, she lived every day to the fullest, loved fiercely, and shared her love of Jesus every chance she got. Though our hearts are breaking, we are comforted knowing she is in heaven. Her prayer was that she see YOU there someday and that was one reason she so boldly shared her faith.

Some of the greatest life lessons she shared with her daughters, were...

1. Everyone is important – she showed love to EVERYONE, provided new shoes to strangers that needed them, was kind even when others weren't kind to her, and celebrated important moments with those in her life.
2. Don't hold too tight to things you can't change, focus on the positive – that's why cancer had no chance to win. She made the best of every day, and saw medical appointments as the opportunity to hug new and old friends.
3. Be generous with hugs – she loved giving and receiving them!
4. When you can, use real butter Nothing more needs to be said here.
5. Work hard – during her life she worked as a waitress, bookkeeper, hairdresser, P.E. Teacher, sporting goods store manager, batting cage operator, front office manager, and she took in laundry and ironing when her daughters were babies. She firmly believed in the importance of making a difference in this world wherever you can.
6. It matters where you spend eternity – know where you're going.

Her favorite verse: "For God so loved the world that He gave His one and only son, that whoever believes in Him should not perish but have eternal life." John 3:16 (NIV)

Mary was born January 3, 1942, in Dillon, Montana, to John and Mabelle (Ryan) Hildreth. They briefly lived in Deer Lodge (MT), before moving to Seattle (WA). In Seattle, both of her parents worked in the shipyards at the beginning of WWII. Her mother's illness brought the family back to Montana, where her mother died a short time later. Her father took a job with the Dillon Police Department as a Police Officer – and her love for him led to a lifelong support of and respect for law enforcement.

Now that it was just the two of them, Mary spent the work week in the home of a Dillon family and weekends with her dad. She had wonderful memories of the time she and her dad spent with her Uncle Bob & Aunt Bess Hildreth and their sons. The boys thought of their cousin "Mary Lou" as a little sister, a bond that defined their relationship throughout her life.

Sadly, her father died suddenly when Mary was just 13. She was always thankful for the years they had together and the valuable lessons he taught her. He was her hero and she was determined to make him proud through the way she lived out her life.

Dillon, MT Since 1991

After her father's death, Mary's cousins, Boyd & Maysel Koenig and their 3 children, became her family. No longer an only child, she now had a sister and two brothers: Cathy, Kerry, and Kim (her baby brother lovingly called her Mary Lou-igi).

Church became an important part of her life, especially music. Mary participated in the church choir, leading the children's choir for a time, at the Dillon Methodist Church.

Mary graduated from Beaverhead High School in Dillon. She had a blast in high school, loved writing, cheered on school teams at every opportunity, and had great friends. After graduation, Mary moved to Seattle and enrolled in Cosmetology School. She made a lot of friends and enjoyed life in the big city! Most of this time included a "what happens in Seattle, stays in Seattle" policy.

Mary and Coy met while she was working as a waitress at the Lettuce Inn in Salinas, California, and he was a truck driver for Vegetable Growers Supply. They married March 26, 1971, and blended their families. Their church home was Bethel So. Baptist Church. She and Coy were involved in church life as a team, participating in youth activities and many church events. Throughout their marriage, Coy and Mary remained active in church life, finding ways to encourage others and share the love of our Lord.

Usually mixing volunteer work with fun, she was a driving force behind the development of children's baseball fields at Manzanita Park in Monterey County, CA, a leader in Senior League Baseball for a number of years, President of North Monterey County Little League for several years, and for 17 years she joyfully organized Samaritan's Purse Operation Christmas Child shoebox collection in Dillon, Montana. She and Coy supported the BOA work at Dillon's Kids Pond Father's day fishing event, the annual Dillon city-wide vacation Bible school, and the Dillon Relay for Life (which led to her purple hair!). The lavender ribbon is used to represent the battle against all cancers - and she was a fierce warrior! If you plan to attend her Celebration of Life, start planning your lavender/purple colored accessories!

After retirement, Coy and Mary moved to Dillon where it quickly became home. They spent a lot of their summers in the mountains, just enjoying the beautiful surroundings, and Mary

ENJOYED cutting sage brush at their cabin. They also encouraged visits from family and friends, attended family reunions, hunted, travelled back to California for visits, and explored Montana.

Always an independent, strong, caring woman, she supported and cared for people continuously, adapting her methods as her mobility changed. When she couldn't do as much physically, she loved on people by baking various desserts and cakes. She remembered birthdays and anniversaries with cards and/or personal notes. At some point, she started sending morning text messages of encouragement to anyone who would accept them.

She remembered what it was like to be a heartbroken, sassy, 13-year-old orphan, so she encouraged and loved everyone God put in her path. She became an 81-year-old, Jesus-loving, purple-haired, cake-baking example to all of us. If she made a difference in your life, in her honor, please pay it forward.

Mary was preceded in death by her parents, and Coy & Mary's youngest child in their blended family, Coy Dale Bearden, Jr.

Mary is survived by her husband, Coy; daughters: Tami (Rod) Creel, Dora McKean, Cathie McKemie, Margie (Herbie) Farmer; grandchildren: Courtney Creel, Jeff McKean, Tiffani Roche, Billy (Nicole) Roche, Michael (Emily) Winters, Keri (Grant) Perkes; great-grandchildren: Kyle, Collin, Cayden, Kohen, and Jaxton Roche. Coy and Mary enjoyed daily videos for the past 4 years of "Action Jaxton." Her brothers: Kim Koenig and Kerry (Ginny) Koenig. She is survived by her Hildreth cousins, who loved their "little sister," Lowell, Ray, and Barton. She is also survived by numerous cousins, and friends.

A note of appreciation from Coy, Dora, Tami and her entire family:

Thank you to everyone everywhere who supported Coy and Mary throughout her 24-year battle with cancer.

Our heartfelt thanks to Our Savior's Lutheran Church (Dillon, MT) and everyone in the community who provided dinners the past few weeks.

Our gratitude to everyone who was a part of her medical care - you gave us bonus years with her!

A special thanks to nurses Debbie Hawkins, Becky DeBoer, Debby Hursh, Kathy Kirkley, and Catherine Mee who provided the most incredible support to her and to us this past month and made it possible for us to care for her at home in her last days.

There are no words to express our appreciation and love for Dr. Sandra McIntyre, Lori Butori, and Debbie Hawkins who, in addition to providing excellent medical care over the years, offered loving care and support to each of us as we said goodbye to her. She loved you, and we know you loved her. And we love you too!

In lieu of flowers, donations can be made to Samaritans Purse Operation Christmas Child or your favorite charity. A Celebration of Life will be held at a later date.

Drug cartels should be 'terrorist orgs'
Following a report on NewsNation detailing the influence of the open southern border and Mexican drug cartels on Montana's fentanyl crisis, Attorney General Austin Knudsen joined Chris Cuomo on NewsNation to discuss the issue and called on the federal government to designate Mexican drug cartels as foreign terrorist organizations.
Montana AG and a coalition of 21 state attorneys general called on President Biden and Secretary of State Antony Blinken to designate Mexican drug cartels as Foreign Terrorist Organizations (FTOs) under federal law. The FTO designation will make additional federal resources available to confront the fentanyl crisis head-on and save American lives.
Fentanyl has driven a meteoric increase in drug overdoses, which now kill more than 100,000 Americans per year.

MHP trooper was ran over and is in stable condition

The Montana Highway Patrol was assisting the Lincoln County Sheriff's Office in a vehicle pursuit on Highway 37. This incident began around 2:36 P.M. and was approximately 10 miles southwest of Eureka. During the vehicle pursuit an MHP trooper was ran over by the suspect vehicle. The trooper is in stable condition and is being flown by air ambulance to Logan Health in Kalispell. All individuals in the suspect vehicle were apprehended.

The Montana Department of Justice Department of Criminal Investigation has been requested to lead the investigation. The Lincoln County Sheriff's Office as well as MHP will be assisting.

Veteran's Corner. Update #190

By Mike Lawson

What's with the balloons and foreign objects flying/floating over our country, one over Montana. It's wise for those who are anti-military to reconsider, as the danger of harm coming our way is very real and our Armed Forces are a major deterrent in keeping unfriendly countries from harming us.

With tax season upon us, any of you Veterans out there who need help with your taxes, go to the AARP Foundation's Tax Aide Service. This volunteer-run program helps the military community file state and federal tax returns. The Tax-Aide Volunteers are IRS-certified. You need to make an appointment. It's free to all Veterans, service members, and their families regardless of age or whether they are AARP members.

Any of you who are receiving Veteran Retirement pay, it's interesting to know that 26 states do not tax Veteran's retirement pay. That is over half of the United States. Unfortunately Montana is not one of those 26 states.

Our DAV Vans have been busy. I took a Veteran to Bozeman last Wednesday for a knee replacement surgery that day and picked him up the next day. If your a veteran and are under the VA health care, don't hesitate to call for a ride to your medical appointment. I would also say that if you were denied VA healthcare in the past, please apply again. The wonderful Pact Act, that became law last year, has opened up enrollment for many veterans who haven't been part of the VA healthcare before, for conditions that weren't covered in the past.

Hunting regulations available early this year

Hunting regulation booklets for deer/elk/antelope, moose/sheep/goat and light goose are now available on Montana Fish, Wildlife & Parks' website at fwp.mt.gov/hunt/regulations. Hard copies of the deer/elk/antelope booklets are also available at FWP offices; hard copies of other regulations will be available soon. Hunters can reference the regulations booklets as they prepare for the new license year, which begins March 1

Commerce Launches Montana Cybersecurity Program for Montana Businesses

To protect Montana businesses and encourage strong cybersecurity practices, the Montana Department of Commerce announced the launch of the Montana Cybersecurity Program. Through the program, the Department of Commerce will award small to medium-sized Montana businesses up to \$8,000 in reimbursement for newly implemented cybersecurity measures paid to an accredited Montana cybersecurity company.

"Cyberthreats are a continuous and pervasive danger to the digital assets, intellectual property and personal information upon which much of the real value of a business is determined," said Scott Osterman, Director of the Montana Department of Commerce. "We encourage all Montana businesses to use the Montana Cybersecurity Program to gain the expertise and strategies needed to protect their customers, employees and business value from the effects of a cyberattack. No company big or small is immune from these nefarious actors, who can strike anytime from anywhere."

Cyberattacks on all businesses, particularly small to medium-sized businesses, are becoming more frequent, targeted, and complex. The Cybersecurity Program provides funds to directly assist small to medium-sized businesses with cybersecurity monitoring and security. Commerce has allocated approximately \$2 million for this purpose.

Dillon Middle School News February 20th - 24th

The lunch menu for the week is as follows: today, Monday, we will enjoy breakfast sandwiches served with fruit. Tuesday, Jambalaya will be served with rice and Kings' Bread. On Wednesday, we will enjoy chicken sandwiches served with cowboy beans. And on Thursday, lasagna will be served with Caesar salad. No lunch on Friday, as we will be out of school that day. School will resume Monday, February 27th.

Tonight, Monday, February 20th and tomorrow, Tuesday, February 21st, are our two nights of parent teacher conferences. Parents, this is your last opportunity to participate in this for the year. We are hoping for 100% participation by our parents. Parent teacher conferences are from 4 to 7 PM each night. You do not need an appointment. Teachers will see parents on a first come, first serve basis. We are again not allowing students to attend; however Mrs. Blake's FCS classes have baked treats for you to enjoy on Monday night.

There were 11 brave middle schoolers who represented Dillon in the Bozeman chapter MATHCOUNTS competition Thursday, February 9th. Eighth graders participating were Daria Adkins and Aven Pflieger. Representing seventh grader were Phineas Fitch, Amelia Maki, Tessa Johnson, and Everett Sitton. And sixth graders were Raigan Wright, Kestrel Aiken, Kolten Karlsgodt, Landon Lovaas, and Regan Fortier.

In the competition, students complete 3 different rounds for an overall individual and team score. The sprint round is 40 minutes for 30 questions. Individuals and teams may not use calculators. Then they have the target round, which is individually completed for a team score. This round consists of 8 problems, 2 at a time with a time limit of 6 minutes for each of the 2 problems. Then finally, the team round is 10 questions for 20 minutes. No top prizes were won, but the teams did well and had a lot of fun.

DMS news will continue in tomorrows edition!
