Experience the Energy! Intro to Kundalini Yoga four-week series

Kundalini yoga includes chanting, singing, breathing exercises, and yoga poses meant to activate your kundalini energy, said to be located at the base of the spine. A well-taught Kundalini yoga class leaves you feeling like you've had a healing therapy session, completed an awesome workout at the gym, enjoyed an energizing yoga class, and shared a fun singalong with friends. Kundalini is a synthesis of many traditions, with the breathwork, physical postures, chanting, and meditations designed to prepare the body, nervous system, and mind to handle the energy the practice moves in the body. Wednesdays, March 1, 8, 15, and 22 5:30-6:45 p.m.

Teaching this special class will be Lauren Rae "Lou" Bleck-Tutsch, who holds an E-RYT-500 yoga teacher endorsement in kundalini yoga. She says, "I want my students to feel through their bodies this inherent truth that resides within and without. I am extremely passionate about these teachings and invite everyone to embody this vibration, the same frequency that I felt while in India."

\$100 suggested free-will donation (no one turned away for inability to pay—scholarships available)

Vibrant Lives of Montana is a non-profit yoga center offering drop-in and special yoga classes, mental health therapy, sound healing, expressive arts workshops, and gatherings to share interests such as astrology.

Smith River permit drawing results available

The permit lottery results to float Smith River State Park in 2023 are now available online on FWP's website. In addition to the online results, successful applicants will be notified via email.

The number of applications received this year was down slightly from 2022, with 14,497 applicants who were awarded a total of 1,470 float permits for launch between April 1 and Oct. 31. Montana residents drew 902 float permits, while nonresidents drew 568 permits. The River is typically floatable from mid-April to mid-July.

For applicants who were unsuccessful in the permit drawing, Smith River Super Permit chances are available through March 23 for \$5 each. One Super Permit winner will be allowed to launch on any date. Chances may be purchased at FWP's online licenses service webpage. The Super Permit drawing will be held on March 29.

Fire and Order Meeting

By: MJ

Chairman Mr. Johnston: brought up MT code annotated 61-8-356 which deals with parking and leaving vehicles on public property. Mr. Johnston asked the police if they have cited the owners of vehicles that have not been moved over a period. **Chief of Police** said they had been cited in Nov. and Dec., yet people continue to leave them there. He went onto explain that Dillon does not have a tow company and no secure place to leave vehicles.

City Attorney clarified that if the city moves a vehicle, it is necessary to protect the vehicle with a secure area that would be more than just a fence. He explained that citations have been forwarded to city attorney office and they are being processed now. Mr. Jones hopes to enter into agreements with property owners. He stated that protocol needs to be established for how the city can take care of protecting the items removed. The city can establish laws however those laws cannot to be more stringent than the state laws.

Committee and Public discussion; on truck parked on Atlantic Street supporting President Trump as well as the building that has images and writing. A gentleman seated in public section appeared to be stressed with the presents of the truck on the street and building. He felt that the truck had nothing to do with "Freedom of Speech." He stated that Dillon was a gateway community, front door to large public land unit in state of Mt. and the truck and building were hurting the economics in Dillon. **Note:** He did not bring forth any figures or facts authenticating his comments.

Remember: The public representatives, both elected and appointed have agreed to listen to and represent all the people -- not just a select few. Let us not forget there are two (2) sides to every issue. **Note:** Everyone has the right to free speech per the

Constitution of United States, Amendment 1 and Article 1
and Montana Constitution under Article II Section 7.

Johnston: 18-6-2456 political science. Rule in MCA code. Political signs cannot be placed on public property. **Question:** would the van with writing on it be interpreted as political signage? *Writing of "We the People" on the side of building was a topic of discussion. Those words are the first words of the Preamble of the Constitution of the United States. There is nothing personal about them.*

A committee member Mr. Graham asks what part of political speech do you want to do away with? The truck is his property. If a person campaigning comes to town with political signs will they be allowed to participate in parades? **Question:** When a man stood on public sidewalks and public land with his sign against Trump getting elected where was the outcry? Two (2) sides to every issue.

Ms. O'Rourke spoke of people paying taxes and must look at the vehicles parked on streets. Again, two (2) sides. Could it be both parties pay taxes? She asks that people be good neighbors. **Question:** What does that mean? Two (2) sides rearing its head again. One neighbor wants and one neighbor needs.

Note: We need to get rid of likes, dislikes, opinions and communicate via productive conversations and find solutions. Communication seems to be a lost art—it appears it's all about our selfish wants and our opinions as individuals. Question: Is that when the hostilities start?

Question: Maybe it is time to take a good look at the documentation being used to direct the growth of Dillon to fit the times. Have we reach a plateau where the governing body needs to spend money to do research? Research that brings together, facts, figures, and work with today's true reality that will enable Dillon leaders to move forward with innovative knowledge in shaping the community for the future.

I have lived in Dillon since 1967. I have seen a community that worked and played together. A productive high middle class wage, Penny's and Sears stores, 4+ other clothing stores, 2 + shoes stores, beautifully kept homes with white picket fences, landscaped, homes painted... A town that could have been in any magazine as a perfect place to live. Where did that camaraderie go. Now we must look at neighbors with skepticism.

Dillon Middle School News February 27 - March 3

The lunch menu for the week is as follows: today, Monday, we will enjoy lemon garlic chicken served with rice. Tuesday, shepherd's pie will be served with a fruit and vegetable. On Wednesday, we will have local beef hamburgers. Thursday, we will enjoy green eggs and ham in honor of Dr. Seuss. And on Friday burritos will be served.

Tonight, Monday, February 27th, Mr. Williams will be hosting the Ninja Warrior competition. This event will take place in the Dillon Middle School gym at 6:00 PM.

Last week, students competed in their PE classes in the hopes of becoming one of the top ten boys or top ten girls. Tonight, come on out and support our athletes as they compete for Top boy ninja warrior and top girls ninja warrior.

Last weekend, wrestling competed in Butte. The team placed 7th out of 30 teams and was the highest placing class A team. Individual successes were as follows: Beaudry Payne came in first, followed by Tucker Crowe and Shior Mataafa in 2nd. Andrew Bartolome and Beau Reynolds finished 3rd followed by William Barcomb in 4th. Great job wrestlers.

This week in wrestling, the team will travel to Anaconda. The bus leaves at 1:00 PM and the meet begins at 3:30 PM. Stay tuned to more wrestling results.

The eighth-grade band and choir members have been busy preparing for their joint concert with the Beaverhead County High School band and choir. The joint concert will be held March 16th at BCHS at 7:00 PM. Make sure you don't miss this great event. Also, the band and choir members will be a part of the MASS BAND in Butte on March 7th.

Parent teacher conferences were held last week. If you missed this important opportunity and have questions for any of your student's teachers, please email them at the school.

The end of quarter three is coming up on March 24th. Parents, please know that you can check your student's progress daily on our infinite campus program. Please call the Dillon Middle School office if you have any questions about this.

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.
