## Antone "Tony" Roy Staley

Our loving husband, father, grandfather and friend, Antone "Tony" Roy Staley passed away peacefully, surrounded by his family on Monday, February 27, 2023.

Tony was born in Idaho Falls, Idaho to Roy Staley and Mildred Rose Jackson on September 19, 1937. He was raised with his five siblings, Bill, Ward, Mary, Carl, and Betsy, in Mud Lake, Idaho. His siblings were his best friends throughout his life. He graduated from Roberts High School. He met the love of his life, Ann Marie Schwartz, in 1955, when she drove him home from a night of rabblousing at the local dance hall. They were married on January 10, 1957, and their marriage was later sealed in the Idaho Falls Temple of the Church of Jesus Christ of Latter-day Saints.

Tony worked as a mechanic until he moved his family to Dillon, Montana in 1960. He drove truck for Owens Trucking, Riley Trucking, and several others until he finally set the park brake for the last time in 2019. Tony could fix just about anything mechanical; he knew his way around a car and enjoyed working with his grandsons after they "fouled up" their own vehicles. After he retired, Tony self-published eleven books, several short stories, and that doesn't count his journals or the sequels he didn't get to finish. This newfound book writing was really the culmination of all the stories he had played out in his mind all those hours behind the wheel. Driving truck often took Tony away for a week or more at a time, but he was always excited to get home to Marie and his family. He loved to go camping, fishing, hunting, riding ATVs, and plowing the neighbors' sidewalks in the winter. He was a master of exterior illumination at Christmastime. His house was a sight to behold for all who drove by.

Tony taught his sons how to drive truck but didn't want them to follow in his footsteps. They both took after their dad in one way or another in their careers with Don working in mining and Rod with the Montana Department of Transportation. Tony was very proud of Cheryl for earning her nursing degree and her career in nursing.

Tony was a member of the Church of Jesus Christ of Latter-day Saints. He held numerous callings, and enjoyed serving his fellow ward members and community.

Tony and Marie are blessed with three wonderful children: Donald (Kristy), Rodney (Julie), and Cheryl (Chuck). He loved his grandchildren with all his heart: Michael (Brayden), Kevin (Chantyl), Mitch (Camille), Mark (Jeanie), Courtney and Travis. His eyes lit up when he saw his great grandchildren: Maci, Payton, Kacee, Sammi, Daryl, Daphne. He also loved his

## Letter to the Editor

Has anyone considered what the consequences would be if a train derailment of the magnitude similar to Palestine, Ohio happened here in Dillon.

All business entities along Montana Street could be destroyed, and most entities within at least 500 feet of Montana Street would probably be significantly damaged or completely rendered unsafe. This damage would also happen to our ground water, beautiful streams and rivers killing revenue gained from fishing, recreation, crop irrigation, and water for livestock. Damage of this scale would wipe us out.

Has Beaverhead County or the City of Dillon secured a comprehensive plan from the railroad to mitigate a possible disaster? Do we know the age of a possible plan, if it exists? Are we foolishly assuming the railroad has our best interests in mind? Do we as a city or county know what is rolling through our region at least twice a day? Is the railroad being open and truthful with us everytime, everyday? Are the chemicals being transported through town properly identified? Is the identification of these chemicals updated and revised on a regular basis? Are the City fire, life-safety volunteers equipped to safely address chemical explosions or leaks? What maintenance or inspection is performed on rolling stock on a regular basis? Are the laws governing railroads transitioning cities being adhered to? I think the answers to these questions is an emphatic NO.

I don't want our Dillon citizenry considered to be the same insignificant collateral damage as Palestine. I know this disaster caught the railroad through Palestine, Ohio with their responsibility pants down. We shouldn't allow it to happen again, especially in Dillon.

I think we need to know.

Marie Giere

## Vigilante Electric Cooperative Scholarship Opportunity

### Veteran's Corner. Update #192

By Mike Lawson

Today I had the honor of Officiating a funeral for a 79 year old Veteran in Butte. The United Veteran's Honor Guard did the Veteran Funeral part of the Ceremony, with the Army Representatives folding the flag and presenting it to this Veteran's oldest daughter. I then conducted the funeral service. Many people came to pay their respects for this well loved Veteran. I say this to alert any of you veterans or family members of Veterans, that our Honor Guards will conduct the Veteran Funeral Ceremony for any Veteran who dies. They deserve to be honored for their service to our country, in this way. We have Honor Guard Details in Deerlodge, Anaconda, Dillon, Twin Bridges, Sheridan, Whitehall and in Butte.

that many of us in Montana have been following and supported these past few years, while it was being built. It is now built, commissioned and ready to join the Pacific Fleet. Commander Jon Quimby and some of his crew will be in Helena and Bozeman on March 9th & 10th, to conduct some special events that the public are invited to. On March 9th they will be at Fort Harrison for a lunch event and then they will go to the State Capital to present the actual Commissioning pennant, that flew over our namesake warship during the Commissioning Ceremony. On March 10th they will be in Bozeman at the Museum of the Rockies for a coffee and conservation w/Commander and Crew, from 9:00 am to 10:00 am. All are invited.

Some serious VA updates are as follows:

- Montana VA Medical Hospital has been given a 5 Star Patience Experience Rating from Becker's Health Care.
- Veteran Crisis Line has added a new number : #988
- Montana VA serves 47,000 enrolled Veterans across Montana, an area roughly 147,000 miles in size.

I visited with Wayne Paffhausen, concerning the expansion of the Butte CBOC by Three Bears. He said the revised plans from the architects have been completed. It went to the Engineering Department for the detailed plans, for such things as electrical/heat-duct/plumbing/etc., placement. Wayne thinks that his people will be able to start on the construction again by the end of March or beginning of April. He said the VA stopped everything the day before the cement contractor was going to pour the slab floor. This was because the VA decided to expand the floorspace they would need. The Therapy Department will be new with audio and eye-care sections added. This is really a great thing for all of us Veterans.

All the members of our Congressional Delegation gave speeches to our State Senate recently. Sen Tester, Sen Daines and Rep Zinke have all been working and doing more bipartisan efforts, especially concerning Veteran Bills. Our Congressional Delegates working together for not only our Veterans but for Montana, is powerful. They can have their differences but at the end of the day, shake hands and be friends. The act of being hostile to our neighbors because of being in a different political party, is not what our citizens of Montana have ever been about. We have always been able to agree to disagree and move on.

The big influx of folks moving to Montana, we welcome, but I would hope they would adopt and enjoy our Montana culture and not try to change it to the culture they came from. Learn from our Veterans who are from different political parties but embrace each other as veterans and leave politics on the outside of those relationships. Enough said.

## Western Women's Basketball

The No. 15 ranked Montana Western Women's Basketball team fell to the No. 11 Carroll College Saints by a final score of 53-47. The Bulldogs move to 25-5 on the season and will await the NAIA Selection Show for an at-large bid into the tournament.

### How It Happened

Carroll got off to a quick six-point lead over the Bulldogs. Despite the deficit, the Bulldogs outscored the Saints down the stretch and trailed just one point at the end of the first.

The Bulldogs utilized the momentum gained and carried it into the second, taking their first lead of the game with a jump shot from Jordan Sweeney.

An 11-2 scoring run put the Bulldogs on top 28-20 with 3:46 left in the half. Despite the lead, Carroll fought their way back and stole momentum quickly and forced back-to-back turnovers on the Bulldogs.

The Bulldogs would hang on to a 28-26 lead heading into the half, led by Brynley Fitzgerald with 12 points.

Carroll's Kamden Hilborn and Jamie Pickens were the first to strike in the second half, claiming the lead once again.

Emily Cooley hit a free throw to tie the game back up at 31 with over five minutes remaining in the third. The Bulldogs were then able to gain a narrow 38-37 lead heading into the final quarter of the matchup.

Montana Western shot 25 percent in the final quarter of the game as Carroll outscored the Bulldogs 16-9 to take the win 53-47.
