"The George M. Dennison Civic Engagement Scholarships embody the spirit of civic engagement, and we are proud to support these students in achieving their goals."

Wyatt Storey, our 10-year-old grandson, is a 4th grader and an excellent student at Parkview school in Dillon.

He is a multi-time swimming champion! Wyatt just won 6 state titles at the Montana Swimming state meet on February 17th to 19th in Hardin: He won gold medals in the 50 and 100 Freestyle, 50 and 100 Breaststroke, 50 and 100 Butterfly. In the Summer of 2022, he won 7 gold medals in the state meet. Wyatt has won more state titles in the past 2 years than any other swimmer in the state.

Wyatt is the only swimmer from his age group-boys 10 and under-in Montana who has qualified for USA Swimming sanctioned regional age group meet in California later this month. This is the second-highest meet he can qualify for at his age: The highest level of swim competition will be held this summer in Boise and he has qualified for it as well. USA Swimming is located at the U.S. Olympic Training Center in Colorado.

Wyatt has won dozens of gold medals from Boise to Great Falls and Missoula to Billings, plus every competitive pool between them. He is ranked number one in the NW region and 2nd or 3rd in the U.S. for his age group. He lost one race in the last two years and that by less than two-hundredths of a second. He has won more races than we can count.

Oh yes, after each race he congratulates the other contestants with "good race" and they fist bump. We've seen no other swimmer show this act of sportsmanship.

Wyatt would like to thank the Dillon YMCA and Alicia Webster for his helping him fall in love with the sport of swimming.

Thank you also to the many fans from Dillon and other communities around the country who support him! People are amazed a kid from Dillon can do all this in a highly competitive sport. And, it is fun for kids and they often become good friends! Did I mention his mom, Beth Storey, coaches the swim team?

Oh yes, in addition, he has been one of the best players on his youth football team over the last few years.

Are we proud grandparents? Yes, who wouldn't be?

AG Knudsen statement on Visa and Mastercard decision to 'pause' plan to enable tracking of firearm purchases

In response to reports that Visa and Mastercard have decided to 'pause' the implementation of a merchant category code for the processing of firearms purchases from gun stores, Montana Attorney General Austin Knudsen issued the following statement:

"Visa and Mastercard came to the correct conclusion. However, they shouldn't just 'pause' their implementation of this plan—they should end it definitively. Discover and American Express should do the same. This measure will do nothing to improve public safety while invading consumer privacy and inviting coordination between corporations and government agencies to erode Americans' fundamental right to keep and bear arms."

In September, Attorney General Knudsen led a 24-state coalition calling on the chief executive officers of Visa, Mastercard, and American Express to abandon the plan for the firearm merchant category code and alerting them that it would potentially violate consumer protection and antitrust laws.

The lunch menu for the week is as follows: Monday, today, we will enjoy spaghetti served with garlic bread. Tuesday, we will have tater tot casserole. Wednesday, we will have chicken sandwiches served with trimmings. Thursday, meat stir fry will be served with rice. And on Friday, we will enjoy corned beef served with cabbage and potatoes.

Wrestling finished off its season successfully. Great job to all our wrestlers. Results of Anaconda are as follows: going 2 and 0 were: Andrew Bartlome, Athan Graham, William Barcomb, and Beau Reynolds. Going 1 and 1 were: Oden Barrett, Tanner Reis, and Landen Wendland. Going 0 and 2: Trey Fifield, Shior Mataafa, and Ben Plovovich.

Track and field will begin Monday March 27th. There was a track sign-up meeting last Wednesday at lunch. If you missed this meeting please see Mrs. Williams in the office as soon as possible. Remember, students, if this is the first sport you are participating in this school year, you must get a hard copy of your physical to the office as well as fill out the online activities packet. Check with the office if you have any questions. Do not hesitate as you do not want to miss out on the first week of track season.

Would you be able to design a roller coaster for a golf ball? Could you create a flipped tale that is inspired by a well-known tale but focuses on a new main character? That's exactly what our middle school destination imagination teams did in Helena on Saturday, February 25th.

The thrill ride team did a fantastic job building and creating a roller coaster with the longest distance and fastest speed traveled by the golf ball. They had a close race with their competition for the overall challenge. This team had an enormous job and finished up their project just in time to gain a second place finish.

Also finishing second was the "flip the script" team. They did a phenomenal job with their creativity by changing up the familiar tale of the Wizard of Oz. Not only did they

need to create a new main character, but had to add theatrical techniques to move the audience's focus from one part of the presentation area to another. They also had to design and build a piece of scenery that goes through a scenery flip. They did all this with magnificence.

The cancer campaign continues on. Last week student council members sold gourmet lollipops. The sale was so successful that we sold out right away. We plan to do this again in April. Right now, students have the opportunity to buy a ribbon in memory or honor of someone battling cancer. Students can also choose to write an inspirational thought. These ribbons are being hung up in the DMS foyer.

This week at DMS, the Academic Olympics Teams travel to Bozeman on Tuesday, March 14th. The bus leaves at 6 AM. Then on Thursday, March 16th, the high school will host the Beaverhead County High School and Dillon Middle School joint band and choir concert. The musical evening will begin at 7 PM in the BW Lodge gymnasium. Come on out and enjoy a beautiful evening of music.

The Beaverhead ACEs Task Force is focused on building strategies to help families adapt to the challenges they face. When families and communities build resilience, children gain the tools they need to overcome obstacles and succeed in life. Healthy families are resilient families and they build strong communities.
