UMW Hosts Sexual Assault and Sex Trafficking Awareness and Prevention Events In April

University of Montana Western Student Wellness would like
to invite the community to two upcoming events to be held in the
month of April to increase awareness and prevention of sexual
assault and sex trafficking.

Monday, April 3 - Presentation by Detective Guy Baker

Nationally recognized detective, Guy Baker, will be hosting
a special presentation on sex trafficking in Montana on April 3 at
6:00 p.m. in the Lewis & Clark room located in Mathews Hall on
the UMW campus.

Detective Baker is a thirty-three-year veteran of the Missoula
Police Department and an FBI Task Force Officer. This event is
free of charge and will feature light refreshments.

"Thank you to Detective Guy Baker and Chief Jeremy
Alvarez of the Dillon Police Department for making this event
possible and sharing their knowledge with the campus and
community," said University of Montana Western Safety &
Emergency Management Officer, Monique Schofield.

Tuesday, April 4, 2023- Color Run

The Second Annual Color Run will take place on April 4
at 3:30 p.m. The event will start on the UMW Campus at the
Keltz Arena and will follow a two-mile course around the Barrett
Hospital & HealthCare loop. Everyone is welcome to participate
in this free event with the goal of raising awareness of sexual
assault and prevention.

"The Color Run is a fun way to bring the entire community
together and raise awareness on a very important topic. The
more we know about sexual assault prevention, the better we can
support survivors," said UMW Health and Wellness Coordinator,
Emily Curtis. "The Women's Resource Center and Barrett Hospital
continuously dedicate their time and effort to the people of Dillon,
and we are very thankful for their support in putting on this event."

If your organization would like to provide an informational table
at either event, please email monique.schofield@umwestern.edu.

Robert Frost wrote; "Half the world is composed of people who have something to say and can't, and the other half who have nothing to say and keep on saying it."

Sometimes at the meetings there are opinions that would be beneficial to Dillon if there was facts and figures brought forth for the council to work with.

Health and Welfare meeting Feb. 23, 2023. Several opinions were put on the table about the city nurse's contract. It appears that the board needs to identify exactly what they want in order that the program can function in an efficient manner. One of the board members pushes for a new draft of a City Nurse Program agreement with added requirement's like; adding an agreement of consent for treatment, basic health history, routine charting form and a yearly audit.

City attorney Mr. Jones believes there is room to compromise and allow the program to function in an efficient manner. According to the meeting minutes Mr. Jones stated that he cannot contract out all of the risk and liability for the City or there would be a non-functioning agreement.

Councilwoman O'Rourke stated that there needs to be a substitute nurse available if the City Nurse is not available and she does know a few nurses that would be interested.

Ms. Marie Holt is the city nurse and has been for 30+/- years. Question: Why has not all these problems that are being brought up at this time, not come to a head during the years gone by? Has Ms. Holt been doing her job, complying with rules and regulations, honoring and respecting people...? This is information to know when drafting a contract.

With this information there would be a starting point for discussions and communication via conversations.
