The Jesus Revolution Movie

Have you heard of The Jesus Revolution Movie? It is based on the real life events that happened in the 1960s and 1970s. It was a time much like today when our country and the world too was in a place of social chaos and disruption, political division, and on the verge of an economical crisis. Many people were upset with churches and religion and were no longer wanted anything to do with churches or religion especially the youth and young adults of that time. They were searching for hope, something to believe in, something that could take away all the stress, fear, and anxiety they had and replace it with a purpose. This all rather sound a little familiar right now?

This movie isn't your typical "Christian Movie", it's more of a documentary reenactment based on true events. I would like to encourage the people in our community to see this movie over the next week as it is here. It will be here for the next week at Big Sky Cinema. I would also encourage you to invite others they know to do the same. This would be a really great opportunity for some of our local churches to get involved to. Would it not be great for our nation to embrace the possibility that another revolution is possible at this point? A change in the way things are going at this point could only be a good thing right?

Shortly after this at 9:48 am a slide off was reported on MT41 at MM11. The vehicle in this accident slid off the road through a fence and struck an irrigation pivot. The force of the impact tore the rear axle free from the truck. The female driver sustained no major injuries.

Veteran's Corner Update #197

By Mike Lawson

Two well know veterans, that I know about, passed away within the last two weeks. One was 99 year old Charlie Dowd, a WWII Navy Veteran who survived Pearl Harbor and shot at the incoming Jap bombers, as they were coming in to bomb the Navy ships. The other was 88 year old Marine Korean War Veteran Jim Heffernan who later joined the Coast Guard, from which he retired. He got the Toys For Tots Campaign started in the Helena area many years ago. He was also very instrumental in getting the Lewis and Clark County Veteran Honor Guard established. Both these Veterans were involved with their communities and veteran causes. I bid them both, "Rest In Peace", Brothers.

Other Veteran News:

- Shannon Ray, our Veteran Representative at the Unemployment Office, here in Butte, can really help anyone looking for work. He has all kinds of programs to prepare you for a variety of jobs with great connections for many job listings.
- Another great resource is going to the Butte Armory and visiting Veteran Representative Saajid Muhammad (Gunny Mo) who is a bulldog when it comes to helping Veterans. He has a great reputation of helping and getting results for the veterans who go and see him.
- Check-out your local Veteran Organizations and make a difference by joining and helping your community be a better place. Veterans do make a difference and feel good doing it.
- Home Depot Military Discount of 10% is for all Veterans. A veteran can apply on line or at their stores.
- The VA announced a goal to house 38,000 + Veterans experiencing homelessness in 2023. In 2022 they housed 40,401.

This section, from The National Vietnam Museum, on the Vietnam War, will finish up this three part series.

Winning and Losing:

- 82% of Veterans who saw heavy combat strongly believe the war was lost because of lack of political will.
- Nearly 75% of the public agrees it was a failure of political will, not of arms.
- 97% of Vietnam Era Veterans were honorably discharged.
- 90% of Vietnam Era Veterans who saw heavy combat are proud to have served their country.
- 74% say they would serve again, even knowing the outcome.
- 87% of the public now hold Vietnam Veterans in high esteem.

This information is encouraging for those of us who served in Vietnam, as our coming home was coming home to a negative welcome. Many were unable to fit in to our American society and were homeless, or turned to drugs, or committed suicide. Many did get help from the VA for PTSD, once it was recognized and treatment options were developed.
