Ruth M. Anderson, 83

Ruth M. Anderson, 83, of Dillon, Montana, passed away on March 29, 2023, surrounded by her loved ones. Ruth was born on March 18,1940 to William and Ethel Turner in Dillon, MT.

Ruth grew up a ranch girl, riding milk cows and doing what Montana girls do best- being independent and creative.

After graduation from Powell County High School in Deer Lodge, MT. Ruth married Cory Dutton in 1959. They began their life together on Cory's family ranch in Gold Creek, MT. In 1963, a tragic horse accident took Cory, leaving Ruth and her three children, Sheriese (Sheri) Lynn Jones, Cory (Bill) William Dutton and Shawn Wayne Dutton.

Ruth married John Anderson in August 1964. And so began their 58 year journey together. They first took up residence on John's family's ranch at Fishtrap Creek in the Big Hole Valley. An opportunity to purchase their own place in the Corvallis area prompted a move. While in Corvallis, they developed a registered Herford herd and had a baby girl, Bobi Johnel.

In 1974, they sold the ranch in Corvallis and bought the ranch at Fishtrap Creek. It had been the dream to move back to the ranch and the country they loved. Ruth played an integral part in the ranch operations. Ruth also always made time to go to registered Herford shows, trailer horses and kids to roping's and rodeos. Ruth's creative side could not be contained. She was known for her beautiful clothing she made and sold.

The ranch sold in 2005. Ruth and John moved to Dillon to retire. Ruth enjoyed being closer to friends, spending time at the YMCA swimming, jet boating, steelhead fishing, and continued to paint and create. Co-piloting the Razor with John in the mountains of Montana and the desert southwest was one of her greatest joys. She absolutely loved to swim, go shopping and spoil the grandkids.

Ruth is proceeded in death by her first husband, Cory E. Dutton, her father and mother William and Ethel Turner.

Ruth leaves behind her husband, John F. Anderson and her children: Sheri Jones (Steve),

Bill Dutton (Anne), Shawn Dutton (Darcy), Bobi Johnel Duncan (Vern). Brother, Wayne Turner (Sheri), Grandchildren: Lynn Cole, David Rauschendorfer, Cory Dutton, Kendra Farrar, Mandy Valena, Halley Capo, and numerous great grandchildren, nieces and nephews.

In leu of any service, this summer the family will return Ruth to her beloved pasture in the Big Hole where she can watch the elk and the sun flowers sway in the breeze and be at peace. In leu of flowers, please donate to the Beaver Booster Club, Inc in Dillon.

Montana Western & Bank of Commerce Performing Arts Series Announces "Mythfest III"

The University of Montana Western's Fine Arts Department and Bank of Commerce Performing Arts Series is pleased to announce its spring performance festival, "Mythfest III", to be held April 20-May 3, 2023.

Back for its third year, "Mythfest III" is an international virtual performance festival based at the University of Montana Western in Dillon, Montana and directed by Miranda Zent. The festival features UMW student talent and guest artists from around the United States and abroad. This season will feature tales of saints, dreamers, secrets, mermaids, rock stars, cats, healers, and more through old and new works in playwriting, storytelling, poetry, imagery, music, digital media, and reimagined classics.

This online performance will be available free of charge by visiting https://www.umwestern.edu/bank-of-commerce-performing-arts-series/ from April 20- May 3. An option to donate will also be available online.

Anniversary Celebration

On April 23 one of Dillon's historic churches will celebrate 140 years of existence. Often referred to as "the church across the street from the post office," the First Baptist Church of Dillon has a deep, rich history dating back to the origins of Dillon. Many are not aware of this history. The church began when the city of Dillon was in its infancy, and some of Dillon's well known founders were instrumental in the establishment of the First Baptist Church.

In 1893, pioneers in this territory determined that a city must have a school, a church, and a library. Thirteen residents of the fairly new city of Dillon gathered to establish the Regular Baptist Church of Dillon, Montana Territory. Mr. Phil Poindexter and Mr. John Dingley chose the lots where the church was built. These five lots are where the church stands today.

The construction began in 1885 and was completed in 1886. Many current longtime residents of Dillon remember the parsonage that was added in 1898. One of the first pastors of the church, Pastor Cope, was instrumental in the building of the Carnegie Library, which we still have.

From 1939 to 1941 the church had a female pastor, Belle Long. Through the years a number of ministers have come and gone, and the church continues to flourish today with Pastor Joel Smith as the leader.

The original church building was demolished in 1945, and the cornerstone of the current building was put in place in 1948. In June of 2003 there was a ground breaking for the addition to the church; this was dedicated on April 18, 2004. This addition serves as a beautiful gathering area for special dinners, receptions, and other events.

Although the building itself has changed throughout the years, one fact remains-the First Baptist Church continues to flourish and maintains a strong commitment to the community.

April 23 will mark the 140th anniversary of this historic church. There will be a fun, informative program in the afternoon, followed by a reception. Both are open to the public.

Dillon Middle School News April 3-7, 2023

The lunch menu for the week is as follows: today, Monday, we will enjoy teriyaki chicken served with rice and a breadstick. Tuesday, chicken fajitas will be served with fruit and vegetables. On Wednesday, we will have a half day, so no lunch will be served.

That's right. We will begin our spring break on Wednesday, April 5th. We will be out of school April 6th and 7th as well as Monday, April 10th. School will resume Tuesday, April 11th. So, enjoy this last long break before we push towards the end of our school year.

Our Cancer campaign has been a huge success so far. Each Friday, interested students pay a buck to wear their hats during school. Our Cupcakes for cancer sold out each day, and wow, were they delicious and so springy looking.

Our "pink out" day had a ton of participation, and almost every classroom has decorated their doors to bring awareness of cancer. Check out our rotating images on the Dillon middle school website to see the door pictures and our students decked out in pink.

Coming up, we will have an assembly 8th period on Wednesday, April 5th, to inform students how they can continue to participate in the cancer campaign. Upcoming events include: lollipops for leukemia – back by popular demand. These will be sold 8th period April 11 through 13. Smash out cancer is a dodgeball opportunity that is upcoming. Pay attention to announcements to find out when your class will play dodgeball. Also, students, smuck for a buck is coming up. Pay $1 for the opportunity to throw a pie in the face of a staff member or local police officer. There are so many fun events planned. Keep listening to the announcements and the DMS News to keep yourself in the know.

Dillon Middle School track has begun. How do we know? We have gotten a ton of snow. But, not to worry. The 85 7th and 8th graders who are out for track have begun their practices indoors in the hope of some upcoming spring weather. The athletes are working hard to get into their best running, throwing and jumping shape. Our first track meet will be after the spring break on April 14th in Hamilton. Stay tuned to our news show for more information.

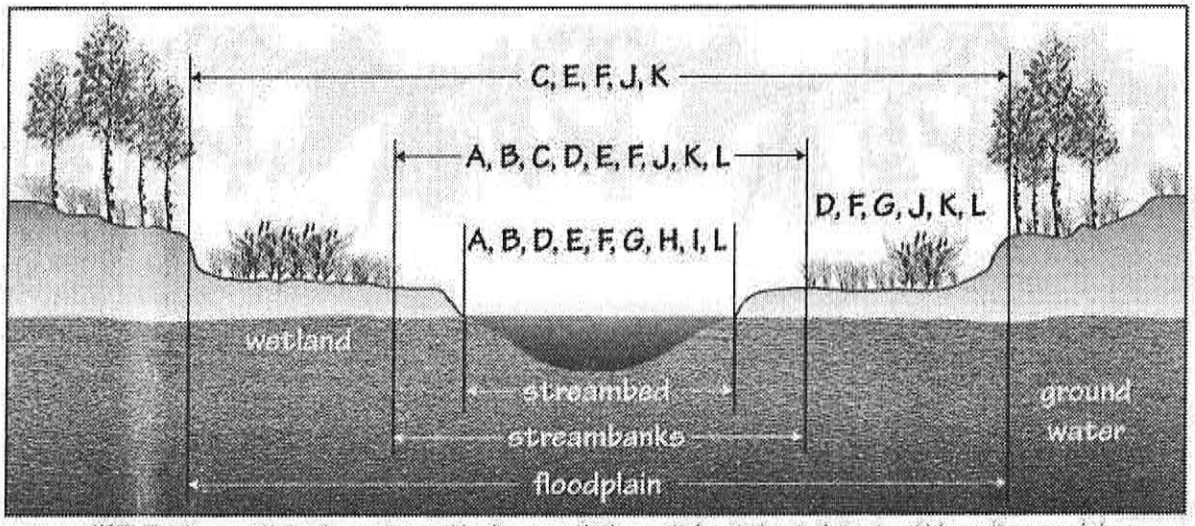
Here comes spring!

It's that time of year again, time to see what damage the snow and ice has done to your headgate and even if your headgate is in great shape, it probably still needs cleaned out. Did you know that fixing and cleaning out your headgate requires a 310 permit? What about building a bridge or adding a culvert? Yep, that needs a 310 permit too.

This is your reminder that any kind of work in a perennial stream or on the banks needs a 310 permit. Need a 310 permit? Come talk to the Beaverhead Conservation District about your 310 permitting needs. Permits can be found on our website at https://beaverheadcd.org/310-permits/forms-and-applications/. If you have questions or need help filling out your 310 permit, the district administrator can be reached at (406) 683-3802 or BeaverheadCD@gmail.com.

But do I really need a 310 permit? Yes, the Natural Streambed and Land Preservation Act require a 310 permit for all projects in Montana. Work done without a 310 can result in fines of up to $500 per day until the situation is rectified. But what if I am in the middle of nowhere? Montana is getting more and more visitors every year and last year the number of complaint calls was up 400%. So even if you think no one will notice the probability of someone noticing is getting higher and higher every year so it is not worth risking it. Our goal is not to stop projects from happening, our goal is to protect the stream and the fish occupants from unintended consequences.



NOTE: The above graphic is only meant as a guide, please consult the permit descriptions to determine which permits are needed.

A. Montana Natural Streambed and Land Preservation Act (310) B. Montana Stream Protection Act (SPA 124 Permit) C. City or County Floodplain Development Permit D. Federal Clean Water Act (404 Permit) E. Federal Rivers and Harbors Act (Section 10 Permit) F. Short-Term Water Quality Standard for Turbidity (318 Authorization) G. Montana Land-Use License or Easement on Navigable Waters H. Montana Water Use Act (Water Right Permit and Change Authorization) I. Montana Water Use Act (Water Reservation) J. Stormwater Discharge General Permits K. Streamside Management Zone Law L. Other Laws that May Apply see https://dnrc.mt.gov/licenses-and-permits/stream-permitting/ for more details.
