Yolanda Kaye Schellack aka Yo Meine

Yolanda Kaye Schellack aka Yo Meine (74) passed away at her home in Dillon, MT with family by her side on March 28, 2023.

Yo was born in Rock Springs, WY to Haines Wendell and Louella (Engebretson) Wendell on November 6, 1948. She was the oldest of five siblings: Debbie, Dick, Craig, and Heidi. She was close to her half-brothers Larry, Max, and Lloyd. They all were blessed to have a sister who was a ringleader, "borrowing" the family car often (starting in third grade) and teaching the joys of speed, adventure, and general mischief.

After graduating from High School in 1966, Yo moved to Butte where she met and married Lowell Schellack in 1967. The couple had two children; Brenda and Gregg. The family moved to Dillon in 1971 and later divorced.

Yo worked at Kings and The Lions Den where she met the love of her life, Carl Meine. Carl and Yo began their life together at the ranch on Anderson Lane where she embraced her new three step-sons; Dan, Tom, and Tim. Yo was a hard-working ranch wife; she was a night owl and handled the night calving, had an enormous garden, chickens, ducks, geese, sheep, pigs and was an amazing cook that kept the family of 7 well fed.

A strong, feisty and independent spirit, Yo told you exactly what she thought and in her own special language. After all the kids moved on and ranching scaled down, Yolanda enjoyed the cozy sanctuary of trees, birds, bunnies, deer and owls. Yo loved her family dearly and kept close track of everyone each day on social media. Her heart was broken when Carl passed in 2020 after 48 years together.

Yolanda was predeceased by: her mother Louella Wendell, father Haines Wendell, brother Craig Wendell, half-brothers; Max Wendell and Larry Wendell, and her lifemate Carl Meine.

Yo is survived by her daughter Brenda Rodriguez of Dillon, MT and son Gregg Schellack (Michelle) of Harrison, ID; her step-sons: Dan Meine of Missoula, MT, Tom Meine of Dillon, MT, Tim Meine (Kathy) of Seattle, WA; grandchildren: Jeremy, Anna, Carlee, Bradley, Elizabeth, Kali, and Emma; several great–grandchildren; siblings; Debbie Ferris of Butte, MT, Dick Wendell (Carolyn) of Ulm, MT, and Heidi Wendell of Helena, MT; half-brother Lloyd Wendell of Nampa, ID, nephews; Derek Matson, Brent Matson, and Joshua Wendell; Nieces: Kail Cirtain, Emily Anderson, Nichole Schumacher, and Brittani Ferris.

At Yo's request no services will be held. The family is hoping to host a BBQ this spring to celebrate her. She will be dearly missed by all those who love her. Rest in Peace

BLM Resource Advisory Council application period

Interested in volunteering your time to advise the Bureau of Land Management on public land management issues?

BLM Resource Advisory Councils are citizen-based groups which assist in the development of recommendations that address public land management issues. Both the Western Montana and the Missouri Basin RACs are accepting applications until April 28, 2023.

Resource Advisory Councils are chartered under the Federal Advisory Committee Act and consists of 15 members who serve 2-to-3-year terms. The BLM is looking to fill vacancies in three categories:

Category One – Representatives of organizations associated with energy/mineral development; Federal grazing permit holders; the timber industry; transportation or rights-of-way; off-highway vehicles users; and commercial and developed outdoor recreation.

Category Two – Representatives of archeological and historic organizations; dispersed recreation users; wild horse and burro organizations; and nationally or regionally-recognized environmental organizations.

Category Three – Representatives of state, county, or local elected office; Indian tribes located within or adjacent to the area for which the RAC is organized; academicians employed in natural resource management or natural sciences; employees of a state agency responsible for management of natural resources; and the public at large.

Individuals may nominate themselves or others. Nominees must be residents of the states relevant to each council. Nominees will be reviewed based on their training, experience, and education applicable to each RAC's geographic area of responsibility.

Letters of reference must accompany applications, as well as any other information speaking to the nominee's qualifications.

The BLM maintains RACs as a means of gaining expert advice, ideas, and diverse opinions on issues and support the Bureau's commitment to building a shared conservation stewardship legacy in the communities it serves. To learn more about the BLM Montana/Dakotas RACs go to: https://www.blm.gov/get-involved/resource-advisory-council/near-you/montana-dakotas.

For information, contact the coordinator for the RAC you wish to apply: Western Montana RAC: Coordinator David Abrams (dabrams@blm.gov)

Missouri Basin RAC: Coordinators Mark Jacobsen (mjacobse@blm.gov) or Gina Baltrusch (gbaltrusch@blm.gov).

AG Knudsen Partners with Responsibility.org to Prevent Underage Drinking during Alcohol Responsibility Month

Attorney General Austin Knudsen, in partnership with responsibility.org, released a public service announcement encouraging parents and caregivers to talk to young Montanans about alcohol to prevent underage drinking this month during Alcohol Responsibility Month. The PSA emphasizes the importance of conversations in keeping underage drinking levels down.

Nationally, underage drinking rates are still at pre-pandemic lows, with nearly six out of ten teens reporting they never consumed alcohol. According to a Substance Abuse and Mental Health Services Administration report (25 percent) of Montanans ages 12 to 20 had used alcohol in the last month and the average age of initiation of alcohol use was 16. Additionally, eight traffic fatalities involved a 15 to 20-year-old driver with a blood alcohol of over .01 %. "April is Alcohol Responsibility Month. Our underage drinking prevention program, Ask, Listen, Learn: Kids and Alcohol Don't Mix, blends brain science and refusal strategies to help keep kids safe and substance-free," Chris Swonger, President and CEO of Responsibility.org, said.

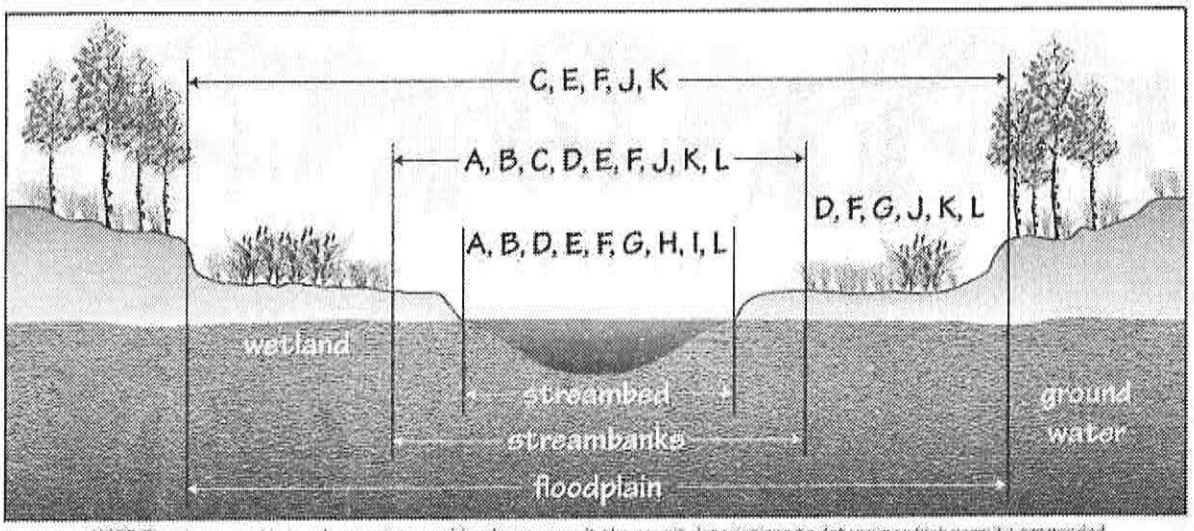
Stockman Bank, celebrating 70 year of serving our neighbors!

Here comes spring!

It's that time of year again, time to see what damage the snow and ice has done to your headgate and even if your headgate is in great shape, it probably still needs cleaned out. Did you know that fixing and cleaning out your headgate requires a 310 permit? What about building a bridge or adding a culvert? Yep, that needs a 310 permit too.

This is your reminder that any kind of work in a perennial stream or on the banks needs a 310 permit. Need a 310 permit? Come talk to the Beaverhead Conservation District about your 310 permitting needs. Permits can be found on our website at https://beaverheadcd.org/310-permits/forms-and-applications/. If you have questions or need help filling out your 310 permit, the district administrator can be reached at (406) 683-3802 or BeaverheadCD@gmail.com.

But do I really need a 310 permit? Yes, the Natural Streambed and Land Preservation Act require a 310 permit for all projects in Montana. Work done without a 310 can result in fines of up to $500 per day until the situation is rectified. But what if I am in the middle of nowhere? Montana is getting more and more visitors every year and last year the number of complaint calls was up 400%. So even if you think no one will notice the probability of someone noticing is getting higher and higher every year so it is not worth risking it. Our goal is not to stop projects from happening, our goal is to protect the stream and the fish occupants from unintended consequences.



NOTE: The above graphic is only meant as a guide, please consult the permit descriptions to determine which permit is are needed.

A. Montana Natural Streambed and Land Preservation Act (310) B. Montana Stream Protection Act (SPA 124 Permit) C. City or County Floodplain Development Permit D. Federal Clean Water Act (404 Permit) E. Federal Rivers and Harbors Act (Section 10 Permit) F. Short-Term Water Quality Standard for Turbidity (318 Authorization) G. Montana Land-Use License or Easement on Navigable Waters H. Montana Water Use Act (Water Right Permit and Change Authorization) I. Montana Water Use Act (Water Reservation) J. Stormwater Discharge General Permits K. Streamside Management Zone Law L. Other Laws that May Apply see https://dnrc.mt.gov/licenses-and-permits/stream-permitting/ for more details.
